

Potentate's Message

Nobles and Ladies, I feel blessed and honored to serve as your Potentate in 2009. Linda and I have truly enjoyed visiting with you over the past eight years and look forward to another great year working for our Children's Hospitals with your support and energy. That energy was reinforced with Megan Johnson and your participation at the Winter Ceremonial in January. We had a much larger turnout than anticipated and I do not believe anyone left New Bern not knowing what the Shriners are all about. We were very proud to have Imperial Sir Al Madsen and Lady Jan participating in our installation on Saturday night and they were very impressed with the number of Nobles and Ladies attending the weekend functions.

Nobles and Ladies, as most of you now know my slogan for the year is "LET THE CHILDREN SHINE IN 2009" and as all of you know it takes a total effort to accomplish any goals we might set in continuing to support our 22 hospitals. Sudan clubs and units are the backbone of our fraternity and are always finding ways and means to support the greatest philanthropy in the world. I would like to offer a special "THANK YOU" to the nobles and ladies that spend time and energy promoting the fundraisers that support the children we serve in our hospitals.

Nobles, with the large participation at the Winter Ceremonial and the Leadership Seminar in Wilson, we need your continued support in helping the Membership committee with NPD'S and suspensions in 2009. We can have a very positive year with everyone's help in contacting anyone that has not paid their dues in 2009 or that has dropped their membership in the past. The Divan and membership committee members will be visiting clubs and units requesting your help in contacting those in various areas that have not paid current dues, so please support their efforts.

Linda and I would like to offer our heartfelt thanks to the nobles and ladies of the Wilson County Shrine Club and the Pitt County Shrine Club for the great job they did preparing for and hosting a "GREAT HOSPITALITY ROOM" in New Bern. Linda and I would also like to express our thanks to the Wilson County and

Sampson County ladies (the "Red Brigade") for their help in setting up for the Ladies Breakfast.

I hope all of you are making plans to attend the Spring Ceremonial in Greenville on May 1st and 2nd. This ceremonial will be dedicated to the memory of Noble Ralph Wingate, Honorary Potentate 2007, and the Pitt County Shrine Club is looking forward to making this a special event for everyone in attendance.

Linda and I are truly honored to be able to serve Sudan nobles and ladies as Potentate and First Lady in 2009 and look forward to a rewarding year with your support and encouragement. We are looking forward to a great year of fun and fellowship with all of you. I cannot close without saying "THANK YOU" for your prayers, cards, and calls following my recent surgery. They DID make a difference and brought good feelings and a positive attitude towards my recovery.

Remember – "LET THE CHILDREN SHINE IN 2009"

STATED BUSINESS MEETING

Election of Candidates and to act on any other business that should regularly come before the meeting.

RECORDER SEZ

Allow me to begin this message by thanking you for having such splendid interest in your temple. The Annual Stated Business Meeting on 24 January 2009 was attended by over 500 members. As far as I've been able to determine, this was the most attended meeting ever in the history of Sudan Shriners. And the Leadership Seminar held in Wilson on 07 February was also well attended. Sudan is off to a great start in 2009. Let's keep the momentum up.

Illustrious Sir Aubrey Nichols has a good plan for 2009. He says, "Let the Children Shine in 2009." In order to do this we must keep our membership interested and involved. We also must increase our membership by eliminating or reducing NPD's and suspensions and bringing in new members. Please study the membership NPD and suspension lists sent to your clubs and take action to reinstate these members. Attend your lodges and masonic events and offer your brethren an opportunity to join one of the premier shrine temples and be a part of the "World's Greatest Philanthropy". There are several thousand Master Masons in North Carolina who are not Shriners; therefore, we have a large group from which to find new members. Sudan currently sponsors over 600 children who need free, expert medical care. This care can only continue if we remain a strong temple with active membership. I know you will do what you can to ensure Sudan remains strong and viable.

Your temple office continues operating well. Our staff is dedicated and most willing to assist you. Please don't hesitate to contact the office or me personally.

I am saddened to report the death, on 11 January 2009, of Deputy Imperial Potentate Terry McGuire of San Antonio, Texas. Imperial Sir Terry was a dedicated Mason and Shriner and a frequent visitor to the South Atlantic Shrine Association.

Because of the death of Deputy Imperial Potentate Terry McGuire, the plan during the 2009 Imperial Session in San Antonio, Texas is to nominate Imperial Recorder Jack Jones as Imperial Potentate. Past Imperial Potentate Nick Thomas has agreed to serve as Imperial Recorder for one year. After one year as Imperial Potentate, Imperial Sir Jack Jones will return as Imperial Recorder. This plan allows the multi year advance planning of other Imperial line officers to continue without interruption. Imperial

Sir McGuire's widow, Charlene, will continue with the traditional Imperial First Lady's program.

Please look over the calendar of events elsewhere in this issue of the Red Fez. You will note that the Spring Ceremonial will be held the first weekend in May in Greenville and Pitt County. This departs from our traditional schedule. The change is necessitated because hotels and the convention center were already reserved when planning began for this ceremonial.

I look forward, with all of you, to another great Sudan year and hope to see you soon! I thank you for all you continue to do.

Yours in the Faith,

Benny Smith

Shriners Hospitals for Children Continue to Heal

Sixteen year-old Bradley was born with hip perthes and a week before Christmas 2008 he made his third trip to the Shriners Hospitals for Children in Greenville, SC in Sudan's van with Roadrunner Clint Duke and me.

Since Bradley moved in with his foster parents, Wayne and Melody, five years ago he has been treated at Duke University Hospital. He used braces and walking pads that he received at Duke and was on a waiting list for surgery for two and a half years. Wayne and Melody decided to get a second opinion and in April 2007 they completed an application for Shriners Hospitals for Children. Bradley has been receiving treatment at our hospital since that time.

Backing up a little bit, in 1973 Wayne was selected to play in the Annual Shrine Bowl of the Carolina's High School Football Game which is a fundraiser for Shriners Hospitals for Children. Before the game, all the team members had an opportunity to visit the hospital and see first hand how the children are helped. I believe, that the players in the Shrine Bowl are a special group of young men and the Shriners are thankful for the many "Waynes" who over the years have made this game a success.

Bradley is an outgoing, intelligent young man who has participated in basketball and other non-contact sports and is excited about the possibility of playing again. He has respect and love for his foster parents and we enjoyed transporting him back and forth to the hospital. Bradley expressed appreciation for the treatment he is receiving at the Shriners Hospitals for Children at no charge. If you know of a child who could be helped please call 800 237-5055.

Vans at the Wilson County Shrine Club

Two of the New Bern Shrine Hospital Transportation Vans are being stationed at the Wilson County Shrine Club. This is being done to shorten the distance and save time the vans have to travel. Wilson, NC to the Greenville, SC Shrine Hospital is three hundred miles. The distance from the Sudan Shrine Center in New Bern is four hundred miles one way. For those patients and drivers north and west of Greenville, NC, it is a savings of one hour or more and forty miles or more each way.

Any patient wishing to meet the van at the Wilson Shrine Club location, please call Donna Horton, Patient Services Coordinator at 800-800-5399.

A "Thank You" Letter

My son, Gerald attends Smithfield-Selma High School now but he was born prematurely at Wake Medical Center in Raleigh, North Carolina on November 8, 1997. He was diagnosed with cerebral palsy and has had a difficult time doing simple things.

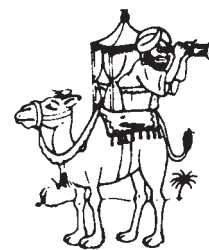

Geraldo had surgery at Shriners Hospitals for Children in Greenville, SC on November 4, 2008 and is hoping to have his casts removed and walk someday.

Geraldo is a football "nut" and Steve Smith of the Panthers is his favorite player. He also enjoys church on Sunday and thanks Jesus for a caring church and family.

We are so thankful for the love and care that the doctors and nurses have given us at the Shriners Hospital. We are also grateful for the kindness shown to us by the Sudan Roadrunners when we ride on the vans. We realize that it is a sacrifice for their families since they are gone for two days driving children to the hospitals.

We want to say "Thank You" to all Shriners for the hard work that they do to raise money to support the Shriners Hospitals for Children as well as to help us with the food, room and care. We do not believe that you can place a price tag on it.

Sea Cruz Brings Down The House

February 21, 2009 was a wonderful night for the Pamlico County Shrine Club. For the second year on the third weekend in February, the Sea Cruz band from Murrells Inlet, SC entertained a packed house. The recently enlarged club was filled to capacity with people from all over eastern North Carolina having a great time. As usual Sea Cruz out did themselves. The club would like to thank everyone who attended and helped make this fundraising event a huge success. The band is already booked for next year and everyone is looking forward to another large time. For those Shriners who missed Sea Cruz this time, they will be performing on Saturday night at the fall ceremonial at Wilson in November.

Why don't you invite a lodge brother and his wife to join you on May first? The brother needs only a 2009 Lodge dues card for admission.

St. John's Day Faces Major Change

Allen Hughes, Administrator
Masonic Home for Children

For years St. John's Day at the Masonic Home for Children has been synonymous with good times and good memories. Unfortunately, like most good and cherished things, it has gotten caught up in the winds of change. St. John's Day has been celebrated on campus since the early years of The Home in several different ways over that time, including formal Grand Lodge religious programs followed by community picnics, as well as the recent format of parades and entertainment. Excluding a special centennial ceremony in 1955, there were no St. John's Day celebrations on campus between 1935 and 1979. This break was caused initially by a polio epidemic and there apparently was not enough interest in resuming the annual activities at that time.

Thanks to the dedicated volunteer efforts of Brother Lloyd Young the St. John's Day celebration was revived in the early 1980s. Lloyd devoted at least one day a week almost every week of the year in preparation for St. John's Day. During Lloyd's time the addition of the Shrine parade, use of Shrine cooking units to provide free meals to attendees, and performances by big name entertainers all helped increase attendance. In the 1990's crowds were estimated to exceed 10,000 participants. While the crowds grew, so did the expenses for St. John's Day and our Home, while the ability of The Home to support the day with free food, free entertainment, and a severely reduced number of employees (from more than 100 full-time to 54 full-time) declined.

When Brother Young no longer was able to coordinate all the activities necessary to make St. John's Day successful the staff of The Home attempted to fill the void, hoping to find someone to take on his role. Unfortunately, no volunteers have come forward and the bulk of the coordination has fallen to the limited number of support staff at MHCO. Without a volunteer to plan and coordinate all the associated activities, MHCO cannot continue to support St. John's Day in its present format.

Changes in many areas, most which we cannot control (gas prices, liability issues, conflicts with other Masonic and family functions, etc.), have had a direct impact on the success and purpose of St. John's Day. Coordination of St. John's Day activities is more demanding than before. The last year Brother Young helped with the event MHCO had about eighty-five employees with less than twenty directly supervising activities of the children during the day. Currently, MHCO has fifty-four staff members with at least thirty required to be with the children on St. John's Day. Meanwhile, the number of activities for the day has increased. Financially, St. John's Day continues to cost MHCO more each year, and it probably is an increasing and major expense for our Shrine units and their families which participate in the parade. Five years ago we had to stop providing free food because the "free" meals were costing The Home several thousand dollars despite asking for donations for the meal. We have tried to make St. John's Day an enjoyable day for the children and our supporters while providing entertainment and trying to be good hosts to our guests within a reasonable budget. However, with the limitations of our staff and a few

volunteers, this year we were unable to open the campus facilities and provide tours to the degree requested. The complaints we received were about what we didn't do rather than the quality of activities provided. We have actively tried to reduce the expenses for St. John's Day over the past five years, yet it still cost The Home over \$14,000 in 2008, which does not include numerous hours of staff time required to plan, organize, and coordinate activities for the day. Very little of the money received that day can be attributed to the St. John's Day activities. The crowds have gotten progressively smaller the past few years while the challenges and expenses of The Home and the Shrine units have increased.

Brethren, these realities are obvious and have been painstakingly discussed over the past five years with many dedicated and caring individuals. Based on all our discussions and the declining participation over the past several years it is time to make a business decision, however unpopular it may be. Unless there is strong expression of interest in continuing St. John's Day as it is and unless someone volunteers to chair, plan, organize, and coordinate the day's activities, St. John's Day cannot continue in its present format. Without a volunteer chairman to coordinate the parade, entertainment, food and concessions, and all other activities associated with St. John's Day, the event as we know it will be discontinued, and The Home will look for another way to celebrate the day within the limits of staff available, funds, and volunteer efforts.

The Masonic Home for Children remains ever grateful to all the members of the Sudan, Oasis, and Amran Temples, and all other participating units for all your contributions to The Home and to the success of St. John's Day. Please understand that discontinuing the St. John's Day celebration in its present format is a hard decision to make, but at this point it appears to be the practical decision to make the change. Be assured that we truly appreciate your support, and you have an open invitation to visit The Home and participate in future celebrations, whatever the format may be. That being said, unless someone steps forward to coordinate all the associated activities, St. John's Day as we know it will be discontinued. The MHCO Board has a St. John's Day Committee which already is discussing alternative plans for June 2009. Current thinking is that we will hold an open house with campus tours for the Masonic Lodges and interested community supporters. The decision on St. John's Day cannot be delayed further.

We recognize this will be an unpopular decision to many of our supporters, but unless an individual or group is willing to assume the responsibility of planning and coordination of the day's activities and assist with the expenses, this is a decision which has to be made. As indicated earlier, this problem and the purpose of St. John's Day have been addressed annually since 2003 with more responsibility falling on the diminishing staff of MHCO. We want to do something meaningful for our supporters, but we must deal with the realities of what we reasonably can do without adversely affecting our responsibilities to the children.

Gov. Perdue's Inauguration Parade

There were four Sudan units invited and attended the Inaugural Parade in Raleigh on January 10, 2009. This included the Gators from Pamlico County, the Steel Drum Band from Columbus County, the Dunn Clowns and Wilson's famous Horse Patrol. It was a privilege for them and an honor for Sudan.
