## Potentate's Message

Nobles, Brothers, Ladies and Friends all:

Thank you for affording us this opportunity to work with you as Potentate of Sudan Shriners and for which Tanya and I are deeply humbled and highly honored.

We acknowledge with great appreciation and admiration Ill. Sir Wayne Edwards and Lady Viola for reaching all the way out to the

eastern most part of our state to provide us our start on this yet unfulfilled journey. Likewise we are thankful to Randy Simpson and Lady Tammy for accepting the appointment to our great Divan and to Tim Hinnant for becoming our Chaplain, albeit somewhat reservedly. We are eternally indebted to the members of Dare Co. Shrine Club and Onslow Co. Shrine Club (a special mention to Amy, Brandi, Jamie, Tim, Neal, Brian, Steve, Joyce and others) without whom we could not have had the beautifully decorated, efficiently organized and delicious tasting accoutrements found at the special events including ladies breakfast, past potentates dinner and hospitality rooms.

Although inclement weather forced the cancellation of our first parade, the second section provided some "warmth" and fun. Immediately after the wonderful Moslem Feast, the director of the wrecking crew presented me with a challenge to raise \$1,000 or be laid before the rooster. Due to changes in scheduling, I had some reservations that \$1,000 from among those only at the second section might a bit tough. However, I should not have been surprised that the great nobility of Sudan not only met, but doubled the challenged amount. The rooster was fed anyway. It was a pleasure to see so many friends at the Saturday night Potentate's Ball. We were graced by the presence of Past Grand Masters' Leonard Safrit, Gene Jernigan and Billy Dill and most especially blessed to have Illus. Sir. M.W. P.G.M. Pete Thomas, (my Grand Lodge Masonic Grandfather, and the last living person to have completed terms as Grand Master and Potentate). The Pizazz Band, as usual, provided a lively and exciting event for all of us, including our new candidates. We are off to a great start with almost half of our goal of new candidates for this year. Randy and I were again honored to have our sons join us in this great philanthropy.

Congratulations to our Sudan members, PP Brack Wilson, elected as President of the SBOC, and Nobles Ronnie Blount and Jeff Taylor who were re-elected, as Chairman of the Board and Secretary, respectively at the February meeting. We are extremely proud to have this

type of representation.

Randy and I come from families with deep masonic and shrine roots. Randy's grandfather grew up at the Masonic Home for Children and coached many candidates including Randy. My father, a prolific coach, started my lesson on the ride home after my initiation, and served as Senior Grand Warden of the Grand Lodge at the time of his death. An unfulfilled dream of his was a parade unit from our county. While these stalwart examples were not physically present to see sons, grandsons, and great grandsons become Grand Master, Potentate, Divan or new Shriners or even a parade unit named in their honor, they were nonetheless present in other ways. Randy and I are Shriners and Masons because of our fathers and grandfathers. I know that from most of us there was someone similar, a relative, co-worker or another whom we watched and admired and wanted to be like or with whom to associate. We are likewise always on duty to help or to be an example. Someone is always watching; either a young man contemplating to which activities he will devote his valuable but ever increasingly limited time. It may also be now, with increasing frequency, a woman with a young son or a wife who is curiously scrutinizing into which direction she will urge her son or husband. We are all taught to practice outside lodges the principles taught therein, so that by amiable discrete and virtuous conduct we can convince all mankind of the goodness of our institutions. As shrine masons we are always on duty. We make a difference in our support for children and in the examples we set. We are reminded through the legend of the starfish that we can make a difference one life at a time. Our theme, slogan and logo are embodied in this year's pin depicting a life ring and a lighthouse. The lighthouse is emblematic of the way in which we spread the light of hope to families of children with special pediatric needs. The life ring is a reminder that we are Shriners to the rescue for these children. The great light provides the admonition and promise of Jesus, "whosoever receives one of these children in my name receives me; and whoever receives me receives not me but him who sent me." Mark 9:37. Working together in partnership we can help provide for these families the hope of a better life and a brighter future. TOGETHER WE CAN MAKE A DIFFERENCE. Nobles and ladies thank you for who you are. We look forward to a propitious future getting to know and working with each of you. May God continue to bless you and honor your service.

P.S. Maybe next time we'll hear about the "lost potentate jewel."

Ya'll come back now, ya hear.....

## Recorder's Message

Nobles & Ladies,

Our 2015 Sudan activities, projects and objectives are already in full swing. First and foremost in everything we do besides working for the children and our hospitals is to make a difference this year in our membership.

Illustrious Sir Jerry R. Tillett and Lady Tanya have planned an exciting

and busy year.

I would like for everyone who reads this Red Fez to look real hard at the cover and the Potentate's slogan for the year, "Making a Difference". Look at the children on the cover! Everything you do working as a Shriner helps to "Make a Difference" for these children. All of us are one of the owners of "The Greatest Philanthropy in the World".

Our 2015 Winter Ceremonial started out with some great numbers. We had four Past Grand Masters of North Carolina Masons in attendance counting our newly elected Potentate and twelve Past Potentates and their ladies were in attendance during the weekend.

We had real good news on Saturday morning when 37 new nobles and 2 affiliates became members of Sudan Shriners. Another 229 nobles assembled in Sudan's Auditorium the same morning for the annual Divan elections and appointments for 2015. These numbers definitely out shadowed the three days of rain. The Friday and Saturday night festivities saw a packed auditorium and it looked especially good with all the new YOUNG nobles in attendance. We all need to work starting right now to surpass the 37 when we go to Dunn in May.

The Dunn Shrine Club hosted the first meeting of the 2015 Shrine Bowl of the Carolinas on February 28<sup>th</sup>. PP Brack Wilson was elected President, Noble Ronnie Blount was re-elected as Chairman and Noble Jeff Taylor re-elected as Secretary. The shrine club hosted a fantastic dinner and the Awards Ceremony that evening.

**MEMBERSHIP** - In 2014, Shriners International lost 10,233 nobles. Our 2015 Membership Committee Co-Chairs, Nobles Brian Honeycutt and Chris East cannot do this by themselves. Noble Brian is already recruiting nobles from the units and clubs to help with this effort. One of the main objectives, other than working on finding some new nobles, will be to contact and restore some of our suspended members from last year. Another important key is to keep our new nobles interested and busy. We

have to think "family" when we are working to build our fraternity.

One of the best presentations I have heard on this subject was at the 2015 Recorders Seminar in San Diego by Jon Hansen from the Legal Department in Tampa. We need to network to our family, neighbors, church, associates at work as what being Masons and Shriners is all about and not about your personal agenda, goals and objectives. Our focus should be routed to what Masons and Shriners are supposed to be doing! Good statement.

We need to work our 2015 fundraisers harder than last year. They have a huge impact on our budget process. The Potentate's "Signature Gun Raffle" tickets have already been distributed to the Divan, with a few being in the temple office. We have 1000 tickets for \$10.00 each.

One of the items of interest for the Red Fez this year will be a focus more on what our nobles and ladies do for the children, working fundraisers, our unit's history and their activity participating in parades, and providing you with more information from our Shriners Hospitals for Children.

The Potentate has announced the Sudan's Fall Ceremonial has been changed from October 16 - 17, 2015 to October 23 & 24. It is still in Manteo. Please mark your calendar!!

Working your Blue Lodge will, in my opinion strengthen our entire fraternity.

God Bless you all.

Judge Tillett has said, "as we continue in our labors in the quarries of services, may we always be mindful of the tenets of

our profession; brotherly love, relief and truth, and especially of Christ's admonition 'whoever receives one of these children in My name receives Me and whoever receives Me, receives not Me but Him who sent Me' Mark 9:37. Through our working partnership we are able to help give our special children and the family a chance at a life with a better future and greater hope. Together we can make a difference, one family at a time, saving lives in 20 one five, with Sudan Shriners to the rescue."

He was appointed as Chaplain of Sudan Shriners by Ill. Sir Olen Smith in 2006, Ill. Sir Wayne Edwards in 2007, Ill. Sir Aubrey Nichols in 2009 and Ill. Sir Rick Jackson in 2014.

Randy's passion for our fraternity lies with the children we help, whether it be in the Shriners Hospitals or Oxford Home for Children, and the passion of his grandfather and grandmother both serving in the craft. His grandfather Bill was a resident of Oxford Home for Children and later joined the ranks of Master Masons and coached some 600 men through the degrees of masonry. This was just a small debt of gratitude to our fraternity.

## 2014 Sudan Roadrunners Make It Happen Again!!

The Sudan Roadrunners stepped up to the plate again in 2014, as they have for years. In 2014, they conducted 193 trips to the hospitals. Most of the trips taken were to the Greenville Shriners Hospitals for Children in Greenville SC, but several trips were taken to our Cincinnati SHC Burn Center. The remaining road trips were to Philadelphia and Boston. We did have to fly a patient to SHC in Houston, Texas. All in all, the Roadrunners again displayed professionalism in caring for the patients and their families.

In the past fifteen years, our Roadrunners have made 2636 trips. That is a lot of time on the road transporting our precious cargo.

We are currently caring for 555 patients who live within Sudan's jurisdiction. We have been blessed with the participation of our husband and wife teams. The concept of using husband and wife teams generated in 2010 and they have definitely proved valuable in many ways. Presently we have five teams and since their conception they have participated in 148 trips to the various Shriners Hospitals for Children. A great big thank you goes out to the ladies and their nobles for this outstanding display of sincere dedication for our mission.

Presently we have 31 Roadrunners in the unit. If you are interested in becoming a Roadrunner, please contact Director Noble Tony Ferrell or Donna Horton, our Patient Coordinator at the office.

## Brunswick County Shrine Clubs Annual Golf Tournament

The combined efforts of our nobles in Brunswick County resulted in a record fundraiser for their clubs, and maybe a record individual fundraiser in Sudan. The above photo depicts Nobles Gary Hamrick and James Cook making this \$56,000 check presentation to our 2014 Potentate Rick Jackson at the Friday night check presentations at the temple. An unbelievable amount of work goes into this annual event. Going back to 2005, this one fundraiser has contributed over \$417,000 to the Shriners Hospitals for Children. The two day event draws players from our neighboring Shriners in South Carolina as well. There are far too many people, agencies, civic groups to start naming names. A total community effort year in and year out is absolutely fantastic. Great job to all and God Bless.

(Illustrious Sir Jerry Tillett)

Shrine Bowl of the Carolinas 2015 kicked off the initial meeting of the year at the Dunn Shrine Club on February 28, 2015. Sudan Potentate Jerry Tillett is shown above welcoming and addressing the nobles in attendance. The day saw a lot of business conducted to include election of officers for the year 2015. Sudan Past Potentate Brack Wilson was elected President for the year. Sudan Noble Ronnie Blount was re-elected Chairman of the Board and Noble Jeff Taylor as Secretary. Sudan had an outstanding representation. One of the big events of the day was the welcomed return of the Oasis Shriners back into the program. Approximately 150 attended the dinner and awards programs in the evening. All six temples from North and South Carolina are working hand in hand to make this program bigger and better this year.

## 2015 Membership Team Ready to Work Need Nobles Help!

We are well into the 2015 year and I hope this correspondence finds each of you well. As your Membership Co-Chair (along with Noble Chris East) I would like to share with you some thoughts from our February Leadership Seminar. Membership remains of paramount importance to our organization. We continue to spiral downward with NPD's and suspensions, and we need every noble to take note of this and step in to help. I encourage every noble to reach out to our NPD's and do everything we can to get them back involved with Sudan Shriners. What we do in our communities is second to none, and it is our duty to promote the things we have to offer to these children and families. The time is now.

Secondly, as we continue to bring in new Shriners, it is important that we mentor our new nobles so they know how to get involved and remain active in our fraternity. The listing of new nobles is furnished to each and every club president a few days after each ceremonial. Communication is the key, and as long as we provide information to our new nobles we are more likely to retain them as active members. The time is now.

There are several resources available to new and current Shriners that you should check out. Shriners Village is a great place to visit. An outstanding site is [www.tobeashriner.com](http://www.tobeashriner.com). These two sites share a wealth of information that you will not want to miss out on. I will be sending out information to the clubs and units that will allow you to join our Sudan Membership Team because we need your help!

Please contact me at [wlfpack17@gmail.com](mailto:wlfpack17@gmail.com) or Noble Chris East at [easthomesinc@embarqmail.com](mailto:easthomesinc@embarqmail.com) with your new ideas of retention. I have included some figures for the last six years to show you that we need to get to work!

## Thoughts from the Speaker's Bureau

It is clear that we are living in uncertain times. Changes throughout the world and even in our own country present challenges that no generation or fraternity has endured before. It has always been our "mission" to seek out and serve children with orthopedic problems and burns. The Speaker's Bureau can serve as a bridge to the public and also a vehicle for membership and our hospitals as well.

The Speaker's Bureau is requesting nobles, comfortable with public speaking, to come forward and make themselves available for engagements where a request has been presented. We are also requesting that nobles be attentive in their daily business to the events going on around them in which a short, informative and heartfelt presentation about the efforts of the Shriners can be made. The information presented and literature distributed must be in compliance with Shriners Hospitals for Children's Public Relations programs. These presentations may include but not be limited to: churches, schools, civic organizations (i.e. Ruritan, Moose, Elks, Rotary, VFW, etc.). It will also provide generic answers to the most likely questions. Any questions about care and treatment should always be directed to the SHC or the Sudan Patient Coordinator, Donna Horton at the temple.

As stated earlier, this endeavor can provide positive results for the hospitals, as well as our own membership. After all, few people are inclined to make an investment (membership) in something that they do not understand. As many of you know, Sudan Shriners is one of 195 temples that supports the 22 treatment facilities. With some fanfare, Shriners Hospitals began accepting insurance from patients almost 4 years ago. Remember, patients are treated without regard of their ability to pay.

Please support this program by participating and being vigilant about opportunities to share the message of Shriners Hospitals for Children in your everyday lives. It has been said that our hospitals are our best kept secret. In 20 one five, let's try and share our "secret."

Fraternally,  
Noble James Carawan  
Sudan Speakers Bureau

## New Unit - Sudan Drifters

Our Sudan Board of Directors met for their quarterly meeting on January 23, 2015 and is pleased and proud to announce the formal approval of Sudan's newest unit, the "Sudan Drifters". This will be the tenth unit from the New Bern area. The unit formed under the leadership of Nobles Chris Murphy and Steve Lupton. They formed initially with five members and at the time of this writing have experienced rapid growth with approximately 11 other of our young Nobles getting involved. The chartered members of the unit are: Nobles: Captain Chris Murphy, Lieutenant Nick Armstrong, Secretary Steve Lupton, Treasurer Edward Butts, and Noble Mike Brinson. They have already displayed outstanding initiative and have some great plans for a successful future. What is really exciting is that the unit being formed gets more Shriners involved and participating. This is just another unit in Sudan to help us spread the word about Shriners Hospitals. It might even entice some Blue Lodge Masons to join this fraternity and obtain one of these "Big Kids Toys".

## 2015 Sudan Leadership Seminar

The New Bern Shrine Club was outstanding as hosts for our 2015 Leadership Seminar for new officers. Everything was very well orchestrated and made ready for the nearly 100 attendees who spent February 21 learning a little more about their duties and responsibilities. The program covered 14 different subjects with presentations being made by Committee heads, Divan members and our office staff. Name recognition isn't really necessary since there was an obvious show of teamwork throughout the day.

The most important topic of the day and it was stressed by several presentations was membership, retention of current members and restoration of members we have lost. Membership Co-Chair Brian Honeycutt has opened the door for any Noble to step up to the plate, join the Sudan Membership team and make the program work.

Noble Johnny Albritton, Sudan Plaque Chairman has put out a challenge to all clubs. He is willing to travel and assist any club who might need assistance and help. Unfortunately in 2014, we had several clubs who did not participate in this important fundraiser. Noble Johnny would like to see each shrine club themselves purchase one plaque and start working on this program for the hospital.

The Alcohol Law Enforcement Officer also made a great presentation. We are going to forward some important information from the ALE Division to every club to help with the issues associated with permits, rentals etc.

Continuing with our Public Relations Programs in making our communities aware was stressed with events such as "Fill the Fez", "Smoke on the River", Fish Frys, participation in local festivals, parades etc. It was noted to the nobility that the "Red Fez" is successful because of the inputs from all. There was a lot of good fellowship and exchange of information amongst the nobility throughout the day.

Illustrious Sir Jerry Tillett wrapped up the day with a presentation again emphasizing the need for all of us to work membership, retention and remaining active in our Blue Lodges promoting Shrinedom. In closing he thanked everyone for their hard work and dedication to our fraternity.

## Smoke On The River 2014

On the night of September 26 and 27th there were some really good odors down near the river. Sudan's 1st annual "Smoke on the River" was a total success. Eleven Teams from around Sudan competed for the honors of having the Best of the Best in Barbeque. Three impartial judges labored over the entries, tasted a lot of barbeque and made their rulings. First Place went to the Sudan Cooligans from New Bern, 2nd Place to the Van Patrol from Onslow County Shrine Club and 3rd Place to the Wilson County Shrine Club. The all night event saw some really serious work and great fellowship shared by the nobles and their ladies as they worked hard on their product. The event was very well attended and a lot of plates were sold. I would venture to say that "Smoke on the River" might just happen again next year! Thanks go out to Nobles Arthur Broome and Steve Marshburn for managing and organizing this fundraiser.

The 2014 Shrine Bowl of the Carolinas had the same flavor of excitement for everyone involved again as in past years. The coaches put these teams together to play as a team in a very short period of time and the players put on an awesome show of athletic talent. I believe most if not all will tell you the highlight of their adventure to the Shrine Bowl would be their visit to the Shriners Hospitals for Children - Greenville. By the way, the Children won again!

## News from Cincinnati

Specialty care beyond a burn

# From Trauma to Hope

### Treatment Options Following Traumatic Injury

**Almost everyone has a scar somewhere on their body** and nearly all are harmless and unnoticeable. However, in other cases, scars can significantly impact a person's life. Scars resulting from dog bites, burns, traumatic injuries, infections, prior surgery, lawn mower accidents and other injuries can cause disfigurement, hair loss, functional limitations and residual deformities.

After a child has sustained such an injury and initial treatment is complete, the experienced specialized team at **Shriners Hospitals for Children®-- Cincinnati** can provide further treatment to enhance the child's quality of life. Treatment options can range from noninvasive cosmetic consultations to multistage skin grafts and other surgical interventions.

"Our well qualified plastic surgery team has changed the lives of thousands of children who have come through our doors," said Richard Kagan, M.D., chief of staff.

#### USING LASER TECHNOLOGY

One advancement in scar treatment is the use of lasers. Laser therapy was previously used only to treat congenital birthmarks such as port wine stains and hemangiomas, however research revealed that laser therapy can be effective for burn scars. Surgeons at Cincinnati Shriners Hospital have used the laser to minimize scar thickness, change the color and appearance of old scars, reduce the color of new scars, eliminate both light and dark hair growth, and more.

#### RESEARCH TO FIND A SOLUTION

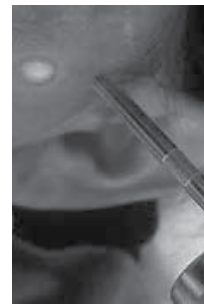

Researchers at Shriners Hospitals for Children—Cincinnati continue to investigate how keloid scars form. Keloids are thick, raised scars resulting from an excess growth of scar tissue at the site of a healed skin injury. The cause is unknown.

Dorothy Supp, Ph.D., associate investigator at Cincinnati Shriners Hospital has been studying keloids for five years. Dr. Supp's laboratory studies cells from keloids and analyzes the tissue to obtain genetic information to better understand what starts the process of keloid formation so better, more effective treatments can be developed.

Mendelow, M.D.; Peter Stasikelis, M.D.; and David Westberry, M.D. provide the highest quality care to children with orthopedic conditions and change patients’ lives every day.

The Greenville Shriners Hospital provides all care and services regardless of the families’ ability to pay. Children up to age 18 are eligible for care at Shriners Hospitals for Children, if in the opinion of our physicians, there is a reasonable possibility the child can benefit from the specialized services available. Acceptance is based solely on a child’s medical needs.

## Shriners Hospital for Children – Greenville 2014 In Review

Greetings from our Shriners Hospital for Children, Greenville South Carolina. By the time you are reading this we are well into 2015 with the Winter Ceremonial in New Bern behind us and the Spring Ceremonial in Dunn in front of us. The Winter Ceremonial once again gave us the opportunity to meet some of our patients and to hear their stories. It is always inspiring to hear of the challenges that these children overcome and the great comments about the care that they received.

2014 was a very good year for the SHC - Greenville. Once again, we had a record number of new patients and a record number of surgeries performed at our Greenville Hospital. In fact, we welcomed 2,583 new patients into the Shriners Hospital System and performed 1,247 surgeries, both numbers a 16% increase from just two years ago. Perhaps as impressive is the fact that 44% of the new patients were referred to our hospital from physicians. You may ask yourself why that is significant. These physicians are referring their patients to our Shriners Hospitals for Children because they know that we are the experts for pediatric orthopedic care. We as Shriners have always known that, but it has taken a while for the rest of the community to learn that.

There are some other very impressive numbers from our Greenville hospital. Care and services were rendered to over 13,000 outpatients in 2014. If you have ever visited the hospital you can attest to how busy they are by the number of children in the lobby. We have been blessed with the responsibility for caring for so many children that we are adding an additional physician to our hospital. Dr. J. Michael Wattenbarger, MD, joined the Greenville hospital in February. Dr. Wattenbarger comes to us from Charlotte where he has continually been recognized on the “Top Doctor” list in Charlotte Business Magazine. We are blessed to have him join the Shriner Hospital family.

We are also blessed with outstanding patient satisfaction. All of our patients and their families receive a survey from Press Ganey, a nationally known company. The survey asks them many questions regarding their visit. Our results are compared to other hospitals in the nation and for the second consecutive year, Shriners Hospitals for Children in Greenville received a national award for outstanding patient satisfaction results.

Nobles, I could go on and on regarding all of the great things happening at the Greenville hospital. Our care is exceptional and our patients and their families are happy. But we still need your help. We need you to be there to identify other children who may benefit from our care. We also need for you to continue to support our hospital in the ways that Shriners have been doing for over 93 years, and that is working within your clubs and units to provide financial stability to our Shriners Hospitals for Children system. You have done much to provide for a better life for millions of children. Thank you.

Respectfully submitted by Noble Tim Ludwig, Member  
Shriners Hospitals for Children Greenville, Board of Governors

Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!

Submit material for the “Red Fez” to Sudan Shriners, 403 E. Front St., New Bern, NC 28560. Submit material for Sudan’s website to: [sudanshriners@yahoo.com](mailto:sudanshriners@yahoo.com). Office: 252-637-5197 Fax: 252-637-9935 Toll Free: 800-697-5197.
