# Potentate's Message

Nobles and Ladies,

What a great time to be a Sudan Shriner as we continue with our mission of supporting our patients by helping them to "Brighten Their Dreams". We all work very hard to support our philanthropy with the many fundraisers that we are continuously doing. Without these we could not continue to provide the exemplary services that Shriners Hospitals for Children deliver.

We have recently returned from the "beach" for our May Ceremony for the first time since 2008. The May 2018 Ceremony was in memory of Asa Bryant Buck, Jr., a very dedicated Mason and Shriner who coached many young Masonic candidates as well as being known and respected for his culinary skills (especially clam chowder). It was indeed a pleasure to have his family present for comments and a presentation on Friday night.

The weekend was spectacular with temperatures in the mid-seventies, sold out hotels and a great turnout from our nobility, ladies and new candidates. The Carteret County Shriners, Carteret County Ladies, Wrecking Crew and their Ladies provided an awesome weekend of hospitality both Friday and Saturday afternoons at the headquarters hotel, Doubletree. The Ladies did an awesome job decorating the entire weekend and especially organizing the Ladies Breakfast on Saturday morning which, was thoroughly enjoyed by all. A special thanks also to Wilson County ladies for their assistance and also to the Monster Trucks nobles for their support.

Our weekend started on Friday night with special introductions from some of our patients, check presentations, and the Asa Buck family being honored. We were then entertained throughout the remainder of the evening by DJ, Justin Rouse who kept the crowd going. Special thanks to Tim Ludwig who served as our Master of Ceremonies. The following morning began with business meeting and our new candidates (38) being registered. After a great performance by our Ritualistic Cast we all moved downtown to the parade as it traveled through the middle of Morehead City along Arendell Street. Next, we were back at the Convention Center for the Moslem Feast of fish and trimmings provided by our talented Chef Crew. We completed our candidate's initiation (great job Wrecking Crew) and headed back to the headquarters hotel for hospitality. The Saturday Night Potentate's dance was emceed by our own John Moore, who directed our new nobles and ladies in the Fez and Rose Presentation. We then were entertained by the fantastic "Backyard Groove Band" who kept the crowd until closing time.

I would like to thank all of the Shriners who have recommended and brought new Shriners to Sudan in 2018. Your work is not going unnoticed (84 in two ceremonies) and makes Sudan the only temple in Region 8 with positive growth and making goal. Thank you for all you do and for what you will continue to do. Please invite these new Shriners and Ladies to your clubs and units to show them what Shrine/Masons do. Our membership team continues to focus on retention, recruitment and restorations. A special thanks to Jonathan Johnson and his team.

I look forward to seeing ALL of our units at SASA in Myrtle Beach in September especially due to the fact that our own Past Potentate Steve Norris is President and Sudan is the first unit to step off on Saturday morning. Please remember the One Day Ceremony in New Bern at the temple on September 8th and help us by bringing new candidates. Next on deck will be Oxford Homecoming on October 13th....look forward to seeing a strong representation again from Sudan since parade time has been changed to 11am and route has been shortened. Please mark your calendar for Fall Ceremony in Wilson on November 16 - 17.

In closing, I would like to again thank you for the honor and privilege to be your Potentate this year. Lady Becky and I have been traveling and appreciate the warm welcomes we have received and experienced. We will continue to travel and look forward to visiting with you throughout the year. Thank you for helping us to "Brighten Their Dreams in 2018".

Yours in the Faith,

Edwin "Teeny" Jones

# RECORDER SEZ

Nobles & Ladies,  
 Hope all is well across Sudan for a great enjoyable summer! Congratulations to Carteret, Crystal Coast and the Wilson Shrine Clubs for an absolutely fantastic "Beach Bash" at Atlantic Beach. For those that don't know yet, we had 38 Blue Lodge Mason's step up and become Sudan Shriners. Well done by all!

We have a lot going on with SASA right around the corner.

Sudan Past Potentate, Illustrious Sir Steve Norris is leading one of the largest Shrine Associations as President in 2018. We are positioned as #1 in the Saturday parade which starts at 9:00 a.m. Hopefully, all of our parade units will maximize attendance and show the teamwork and showmanship that makes Sudan a big winner every year at the parade.

Please take a good look at this edition! We have some key events going with Noble Dana Mauldin from the South Brunswick County Shrine Club is running for the Kids in the Chicago Marathon on October 7th. Another chance for Sudan to show unity! I would also encourage all clubs and units to look at the civic events in your communities and help us with the Golf Cart Fundraiser. Call Sharon at the office or Noble Coble Wilson to get scheduled to have the Golf Cart and Trailer.

The 2019 Shriners International dues notices will be mailed from Tampa in August. With them will be our fundraiser \$5000 Giveaway Tickets for this year. This fundraiser is also another way that helps in our budget process to help with operating costs for the temple.

Sudan will receive a Silver Award for Membership at the 144th Imperial Session of Shriners International in July 2018 in Orlando, Florida. At this time we have acquired 142 new Nobles since July of 2017. We have our One Day Ceremonial on September 8th and the Fall Ceremonial in Wilson in November to add to the 2018 calendar year totals.

Put Oxford Homecoming on your calendar for Saturday, October 13. The parade route is shorter and the start time has been moved to 11:00 a.m.

Seek out and get to know our new Shriners and keep them interested. I have seen where making the new Noble and their Lady feel welcome and actively involved in our clubs and units help immensely with the retention effort.

Thanks again to all for your article submissions and sharing to make your magazine interesting. Attend and be active in your Blue Lodge whenever possible.

Don't forget to take a moment and remember our sick and distress who need our prayers, assistance and support. God Bless you all for what you do!

Yours in the Faith,  
  
 George Raecher  
 Recorder

## Shriners Hospitals for Children - Greenville Annual Hospital Days

The annual Shriners Hospitals for Children - Greenville held their annual Hospital Days event on March 10th at the hospital. The event started on Friday night with the welcome event of food, drink and socialization. A good crowd gathered again on Saturday morning to hear the updates and briefings from the staff and doctors from the hospital followed by group tours to different parts of the hospital for familiarization. When you ask those that attended, you receive the same answers year after year. "Now I know what we are working for and who." "Every Shriner should visit the hospital." "We need to take every new Shriner to the hospital when they first join." Thanks to the Sudan contingent again for your participation and interest. The photo above shows our Potentate, Illustrious Sir Teeny Jones and Lady Becky with our Sudan nobles, ladies and guests. Yes, the second photo is that of nobles with "clown noses".

## 2018 Winter SASA

The 2018 South Atlantic Shrine Association held their Winter Meeting in New Bern, in which Ill. Sir Steve Norris is a Past Potentate, on March 22-24, 2018. Over 100 Nobles accompanied by their ladies from the 20 SASA temples gathered for the three day event. Shriners International Imperial Divan Officers: Imperial Chief Rabban Jim Cain; Imperial Oriental Guide Bill Bailey; and Imperial First Ceremonial Master Kenny Craven attended and briefed the SASA contingent on several issues with major emphasis on membership and the current challenges and financial status of our 22 Shriners Hospitals for Children. Most Worshipful, Speed Hallman, the Grand Master of Masons in North Carolina, attended the meetings throughout the weekend and was the Guest Speaker for the banquet on Saturday night. Nobles Tim Ludwig from the New Bern Shrine Club was appointed as the Director General for this event and was assisted by Festival Treasurer Larry Keefover. Both nobles were lauded by the SASA attendees for their efforts, work and coordination of this event.

The photo shows our Sudan Divan members with Imperial Sir Jim Cain and the other is our Divan with NC Grand Master of Masons, Most Worshipful Speed Hallman.

## 2018 Golf Cart Fundraiser & Ian

Sudan Divan members, Recorder George Raecher and Marshal Tom Ferrell spent the majority of April 28th at the 32nd Annual Mount Olive Pickle Festival in Mt Olive selling tickets for our Sudan Golf Cart Fundraiser. Highlights of the day was repeated on six separate occasions with people attending, thanking Shriners Hospitals for Children and all Shriners for helping them when they were patients. A lady who was 47 years of age was treated for a deformity in her legs when she was 14. A young man, now thirty years old, who was born with double club feet, reported having no issues whatsoever with those feet because of the care he received. One that is extra special would have to be Ian Jordan (photo above) with his mom, Megan, from Wilmington. Ian at the age of two was severely burned when he fell into a bed of hot ashes. Now at the age of "almost 5" is full of thanks for the care he received. He has been treated on 14 separate occasions and will continue treatments as he grows. Although he lost his four fingers on his right hand he is able to give you a big "Thumbs Up for Shriners Hospitals". Super day to say the least while selling tickets on our fundraisers so we can continue to support our cause and help these children like Ian.

## Shrinettes Shine

It happened again on March 3! It's not super natural, but a group of very talented Ladies working together to help our special children. The event was the 14th Annual Ladies Luncheon sponsored by the Shrinettes of the South Brunswick Islands Shrine Club. It attracted 160 guests and is always a sellout. Individual Shrinettes take responsibility for decorating tables in the Club. The theme for each table must be based on a lady's pocket book, that's the only rule. During this event the Shrine Club is transformed in a dazzling display of color and creativity. As the event goes on the attendees have a chance to bid on their favorite pocket book on display. Along with a great meal, the ladies are treated too a fashion show sponsored by Island Breeze, a local fashion shop.

Jennifer Phipps, president of the Shrinettes said "this event makes me very proud to be a Shrinette. The way our ladies pull together on this project is always so very impressive and the Club is breathtaking". The profit from this event go to our Shriners Hospitals for Children.

Oh yea. The Shriners also get involved. They work as waiters and bus boys. We look at it as partial pay back for all the Shrinettes do for our Club.

**Imperial Sir Gary Bergenske called all Shriners to action at Imperial Session, establishing a goal of 12,000 new Nobles to be created before Imperial Session 2018!**

**Help make this goal a reality!**

## Noble Bob Nunes At 29.....

First of all, no, Noble Bob is not 29! Illustrious Sir Teeny Jones called Noble Robert “Bob” Nunes to the podium at the 2018 Spring Ceremonial on Saturday night in Atlantic Beach to recognize him for something absolutely awesome. Noble Bob Nunes has set the pace for many to follow with his dedication and outstanding membership efforts. Since September 2016, Noble Nunes has been the Top Line Signer for 29 new noble petitions. In 2017 alone, he was Top Line Signer on 13 occasions. Noble Nunes is a member of Phoenix Masonic Lodge, Hope Mills Shrine Club in Fayetteville and a member of the Sudan Convertibles. Noble Bob is 73 years old and still a ball of fire in Masonry and Shrinedom. I would think you are one of the main reasons why Sudan Shriners will receive a “Silver Award” for membership improvement in 2017 from Shriners International at the 144th Imperial Session in July at Daytona.

## Hillbillies Celebrate Ladies Night

The Sudan Hillbillies of Clan 58 treated their ladies to a special night on Valentine. The event started with a Wine and Cheese social hosted by Edwin and Emily Russ. Edwin is the Raban of Hillbilly Clan 58. After the Social, the group moved to Dale’s Restaurant on the Hillbilly Bus (of course!) for dinner. After dinner each Lady was presented with a beautiful long stem red rose. Ladies night was attended by thirty-six Hillbillies and their wives. While this was the first time Hillbillies have held Ladies night, it was a success. Edwin said “I am so pleased with how Ladies Night turned out, everyone enjoyed themselves. We will sure schedule one for next year”.

# DEMOLAY

DeMolay International is proud to launch our largest community campaign ever, **Charity enShrined - A Centennial Courtyard**, commemorating 100 years of volunteerism for the betterment of youth.

This venture celebrates 100 years of DeMolay, and is embellished with symbols of DeMolay's commitment to the rich history and tradition of our Order: The Frank S. Land Memorial Fountain; a statue of Dad Land seated in his iconic embrace; a statue of Louis Lower, the first DeMolay; and the “Silent Messenger” statue, showing our special relationship with Shriners International. As you approach the courtyard, you will see the four historical emblems of DeMolay. Brightening the space are seven lights representing DeMolay’s Seven Cardinal Virtues, and standing tall are three flag poles demonstrating the 7th Cardinal Virtue of our Order-Patriotism.

The Courtyard is enriched with red bricks throughout which can be customized in a multitude of ways. As you draw closer to the center of the Courtyard, large gray bricks can be customized for a Chapter, a Jurisdiction, a Lodge, a Shrine Center, a Scottish Rite Valley, and more.

MEMBERSHIP DUES FOR 2018*

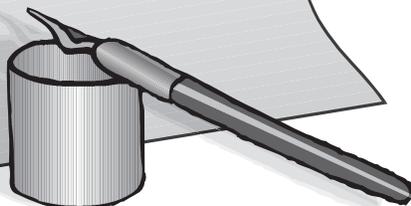

This represents a \$20,930.00 shortfall for the current Sudan Operating Budget!

Your active financial support is vitally important in order for our great temple to function on a day-to-day basis.

Illustrious Sir Teeny Jones is encouraging every noble to remit his current year dues as quickly as possible.

Thank you for your continued interest and allegiance to help Sudan, both Charitably and Fraternally.

*"BRIGHTEN THEIR DREAMS IN 2018"*

## SUDAN EXCEEDS "I AM R U MEMBERSHIP INITIATIVE GOAL"

A new initiative was established at the 2017 Shriners International Imperial Session (annual meeting) in Orlando, Florida last July. Each temple was tasked to increase their membership whereby Sudan's number was set at 118 to run from July 2017 to July 2018. The results of this initiative, for all temples will be announced at the upcoming imperial session July 8-13, 2018.

Sudan membership as a whole put this as their first priority and it paid off. We had 58 new nobles from 2017 and 45 new nobles from our 2018 Winter Ceremonial giving us a 103 of the 118 needed. We then exceeded the required number with 38 new nobles at the Spring Ceremonial, May 4-5 at Atlantic Beach.

Illustrious Sir Teeny Jones set his goal for new nobles for the year at 150 and there is a real strong possibility that we can reach that goal. Let's get out and work for the September 8th, One-Day Ceremonial and finish out the Potentate's year with big numbers at the Fall Ceremonial in Wilson.

There is an additional article about membership in this Red Fez with Noble Bob Nunes from Hope Mills Shrine Club with 29 Top Line Signers since 2016. What's the secret for success Noble Bob Nunes?

PP Steve Norris, Imperial Membership Chairman for this region for Shriners International has informed us that Sudan is the only temple in the region that has attained and surpassed the goal!

# Brighten Their Dreams in 2018

## Acsa

Hi, my name is Acsa Zavala and I'm going to tell you my experience with Shriners Hospital for Children. It all started when I was in the womb created by God and God thought "Hey, let me make another masterpiece" and I was created. My mom's pregnancy with me was complicated and risky.

Honduras is where I was born and that's where my experience of going to a Children's Hospital started. When I was four years old I went into surgery because when I was born I was diagnosed with a condition that is called Arthrogyposis which means multiplex congenital (AMC) or simply Arthrogyposis. This condition is when a person has a congenital joint contracture in two or more areas of the body. Because of that condition I also had cleft feet. A diagnosis of cleft feet means that a child's feet have a deepened space that extends toward the ankle; there may be missing toes or other abnormalities. Clefts are usually V-shaped and that is the reason why I had surgery at 4 years old. During my recovery after surgery my first steps were at four years-old while I still had casts on. Yes, I walked with casts on both feet and with long pins in my ankles! The doctors were surprised and so was my mom. After that I walked all over the place. Like the saying "A happy camper is a happy kid".

A couple years passed and I started receiving care at Shriners Hospitals for Children in Greenville, SC and I am still going to Shriners Hospital for Children.

I am now 19 years-old and am a growing teenager moving toward adulthood. My experience has always been and still is wonderful with the Shriners. I have met great people, like my drivers who take me to the hospital and have watched me grow from the age of 13 until now. It is amazingly crazy. Why, you may ask. Well, because everyone that I have met in the hospital has been wonderful and they have helped me and other kids who need surgeries. I do want to thank my doctor who is Dr. Gibson that did the surgery on my right ankle in 2013 because after that surgery I was able to walk better and I am able to wear a variety of shoes that I was not able to use as a kid because of the way my foot was shaped. Overall I thank "Shriners Hospital for Children" for making me feel better and for the wonderful experience. God's blessings to those who God has put in my footsteps.

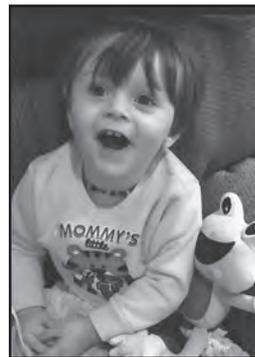

## Bre'Anna

My journey with Shriners Hospital for Children in Greenville South Carolina, has surely been an unforgettable one. I was born with Spastic Diplegia Cerebral Palsy. I started attending Shriners nearly thirteen years ago, on July 15, 2005. Before attending Shriners I couldn't walk far distances; I could stand for about five minutes then crawl the remainder of the way. Before attending Shriners doctors told my parents that I would never walk. We are very grateful to God and Dr. West-

berry that they are proven wrong. Of the seven surgeries I've had Shriners has done six of which included, cast all the way up both legs at the same time, and metal plates and screws in my right ankle and both my feet. The progress I've made on this journey has been amazing. I use to have a wheelchair, walker, braces, and crutches, all of which I no longer use. I am forever grateful to Dr. Westberry and his surgery team for helping me to walk. This experience has changed my life and helped shape me into who I am today. Each one of the staff members are very special to me. I am always greeted with a smile and made comfortable. Shriners was more than a hospital it was a home away from home. It was also a blessing to meet some of Shriners greatest Roadrunners! Mr. J.B. Price and Mr. Tony Ferrel will forever have a special place in my heart.

## David "Conner" Kelly

We found out around 28 week's gestation that our sweet little boy would be born with bilateral clubfeet. As a mother, I was completely devastated. We soon were told about Shriners Hospital and all of the wonderful things they do for children and their families. Conner started treatment by getting his first set of casts at six days old. We traveled every week for two months, followed by a procedure, and 23 hour wear for his braces which he did for three months. When Conner was six

months old, he graduated to nighttime and nap wear for his brace. He just turned two years old and will continue this until he turns four. He took part in physical therapy for a little over a year until recently. He never crawled, he scooted on his bottom. He just recently in the past few months took his first steps. Despite everything he has been through he is the happiest little boy I know. God made him special for a reason and we know that he always has a plan.

Thank you to everyone who is involved with the Shriners. You truly are such a blessing to be doing something so sweet and selfless. We will forever be grateful to not only you, but also to Dr. Westberry and all of the staff at Greenville Shriners Hospital for Children. We appreciate everything that you have done and continue to do.

Sincerely,  
Allison and Jeremy Kelly

## Cristian

I would like to share my experience with the Sudan Shriners and Shriners Hospitals for Children in Greenville, SC. My son was diagnosed with cerebral palsy just after his first birthday. I was terrified of the unknown and what the future would be. My son has been a fighter since birth. It has been a very long journey the past 17 years. In the beginning we went to several doctors and everyone had a different treatment plan in mind. At the

age of 5 we decided to do surgery to try and correct some of the issues he was having with his muscles being tight. The surgery was not successful and we were so misled. The surgery was performed at one of the most recognized hospitals in North Carolina. At that point I didn't know what to do or where to go. Then one day we were walking to our car in a parking lot and a gentlemen came up to us and asked if we had ever been to a Shriners Hospital for Children. I replied "no" but we had heard a little bit about them. Cristian has always walked with a walker since age two so he stands out in a crowd and that's why the man approached us.

So I went home and thought about what the man said and I reached out to Shriners Hospitals for Children in Greenville, SC. We made an appointment and met with the doctors. I have to say that when you go to the hospital you see children with disabilities that you don't see every day. It is very humbling and overwhelming at first. After our first appointment I knew that this was the place for Cristian to be taken care of. They understood his needs and explained what our options were and what the future would look like. We have been going to the hospital for close to twelve years now. Cristian has had several surgeries and treatments. We have always been treated like family. We see the same friendly, caring and wonderful staff every time we go back.

At the age of seventeen my son took his first steps without a walker or crutches or any assistance. We thank God for introducing us to the Shriners Hospitals for Children. The man that came up to us and told us about the Shriners is a big part of why Cristian can walk today. We share our story and try and tell anyone that we meet with disabilities about the wonderful hospitals. We appreciate and thank you for all of the help and support we've received.

Thank you.

Cristie Penland

## Another Chapter – Pitt County Shrine Club

Nobles

l to r: Robin Congleton, Janet Wingate, Danette Pugh & Jesse Giles

2018 is a big year for Pitt County Shrine Club, starting construction of their new facility on Church Street in Winterville and the 80th Anniversary of Pitt County Shrine Club.

On May 31, 2018, Sudan Potentate Edwin "Teeny" Jones, Ray Harrington, the President of the Pitt County Shrine Club and Past Potentate Stacey Pugh and several nobles from Pitt County grabbed their shovels and broke ground for the new facility. The Pitt County Shrinettes as you can see did the same as huge contributors to the success of this club over the years. The history of the club was presented by PP Pugh.

The Pitt County Shrine Club was formed as the Greenville Shrine Club in February, 1938. In 1951, it was renamed Pitt County Shrine Club. During the early years, the club members met at different restaurants in and around the Greenville, NC area. Pitt County Shrine Club purchased its former location on November 3, 1983 and occupied and dedicated it in 1986. The Shrinettes have played a huge role in the financial success of PCSC through the years assisting with every fundraiser for the club. The entire financial burden for the purchase of our former building, construction and completion was paid for by the hard work and dedication of these nobles and their ladies through fish fries and BBQ chicken plate sales as well as many other fundraisers throughout the years. Members of the Pitt County Shrine Club are grateful for their heritage and thankful for past leadership that brought them to where they are today. The nobles and ladies are excited about the future and the new facility.

## 2018 Oxford Homecoming Update!

Sudan Director, Noble Frank Long recently attended a planning meeting with the Oxford Homecoming Committee/Staff. There are two major changes for October 13, 2018 in that the parade route has been shortened and the start time has been moved from 9:00am to 11:00am. This change of times would give our units ample time to get to the event on Saturday morning. Again, the date of Oxford Homecoming is October 13, 2018. There will be more information released with maps and event information in the near future.

## "Sudan Young Shriners"

During our Sudan Spring Ceremonial Board of Directors meeting at Atlantic Beach, approval was given for a new unit to be formed in Sudan. The new unit will be called the "SUDAN YOUNG SHRINERS". The unit is being formed by Noble Devan Barbour IV from the Dunn Shrine Club and Noble Colby Pugh from the Pitt County Shrine Club.

The first requirement for membership is the member must be under the age of 40. This is a much needed unit/club in that we need to focus on keeping our younger Shriners interested. The unit will operate initially by the Sudan Unit Bylaws. An organizational meeting for interested Nobles has not been announced but will be provided to all Sudan when announced.

If you are interested in this unit please contact Noble Devan Barbour IV at (919) 909-1507 or [devanbarbour@gmail.com](mailto:devanbarbour@gmail.com) or Noble Colby Pugh at (252) 814-9771 or email at [colby@pughstireservice.com](mailto:colby@pughstireservice.com).

# The Importance of Lawn Mower Safety

## Shriners Hospitals Wants Kids to Stay Safe

Shriners Hospitals for Children® is committed to helping keep kids safe, and injury-free.

Although they may seem like a common household tool, lawn mowers are one of the most dangerous items in our homes. Thousands of people are hurt while using lawnmowers each year – these injuries can include deep cuts; loss of fingers, toes, and even limbs; burns and broken bones. However, many lawn mower-related injuries can be prevented by following some safety guidelines.

### Lawnmower Usage Safety Tips

#### Keep Children Safe

- Children under 6 years of age should be kept indoors during mowing.
- Make sure children are a safe distance away from the area you plan to mow because rocks and debris often can shoot out while the lawn mower is running.
- Keep a close eye on children when a lawn mower is in use. Make sure they do not run into the mower's path.
- Never allow children to play with the mower, even when it is turned off. A lawn mower is not a toy.
- Children should be at least 12 years old before operating a walk-behind lawn mower and at least 16 years old to operate a riding mower.
- Never allow children or any other passengers on a riding lawn mower because of the potential for falling under the mower and sustaining serious injuries.

#### Weather and Terrain

- Do not cut grass when it's wet because it can cause your feet to lose traction and slide.
- Do not use a mower on hills or slopes, to avoid having it tip over and cause injury.

#### Prior to Mowing

- Read your mower's instruction manual and familiarize yourself with the product prior to use.
- Use a mower with a control that stops it from moving forward if the handle is released.
- Clear your lawn of items such as nails, sticks, rocks, toys, sports entertainment, dog bones, wire and equipment parts, so the debris does not cause damage or hurt anyone.

#### During Usage

- Wear close-fitting long pants and long-sleeved shirts, eye protection and heavy gloves.
- Do not wear sandals or be barefoot. Wear sturdy shoes with good traction.
- Do not wear jewelry.
- Always fill and start lawn mowers outdoors.
- Never fill the tank with gasoline when the lawn mower is on or hot.
- Do not remove safety devices or guards on switches.
- Never reach underneath a mower because the blade remains engaged even when it is shut off.
- Do not mow in reverse unless absolutely necessary.
- To remove debris from mower use a stick or broom handle, not your hands.
- Always shut off the engine before leaving the mower unattended.
- Stay away from the engine cowling, as it can become very hot and burn unprotected flesh.
- Wait for blades to stop completely before crossing gravel roads, unclogging the chute, or removing the grass catcher.

To learn more, watch our animated educational video about lawn mower safety, available for viewing on our YouTube channel, [youtube.com/shrinershospitals](https://www.youtube.com/shrinershospitals), and share with your friends and family. In the video, Fezzy, our cute and cuddly Love to the rescue® ambassador and mascot, shares tips on lawn mower safety in a fun and engaging film for all ages.

Should an injury occur, the physicians and staff of Shriners Hospitals are here to help. For patient referral information, please call 800-237-5055 in the U.S. or 800-361-7256 in Canada. Both lines are staffed weekdays between 8 a.m. and 5 p.m., EST.

## THE “RED FEZ” MAGAZINE

The Sudan Shriners “Red Fez” magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at [www.sudanshriners.com](http://www.sudanshriners.com) in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can

expect to see your material published on either the Website or in the “Red Fez”. Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!

Submit material for the “Red Fez” to Sudan Shriners, 403 E. Front St., New Bern, NC 28560. Submit material for Sudan’s website to: [sevans@sudanshriners.com](mailto:sevans@sudanshriners.com). Office: 252-637-5197 Fax: 252-637-9935.
