Potentate's Message

Nobles and Ladies,

It is amazing to see how quickly time passes as we enter the fourth quarter of 2018. Lady Becky and I have enjoyed our visits with many of you and greatly appreciate the warmth and support we have received.

We began the year on a very positive note and have continued so by increasing our membership and lowering our NPD's. Our membership teams and Nobles have done an excellent job in recruiting quality candidates to be Nobles of our Fraternity. We have initiated ninety plus new Nobles thru our One Day Ceremony which, was held in New Bern on September 8, 2018. We hope that each of these new nobles will become active in our clubs and units to further solidify Sudan Shriners.

As unusual for SASA to be cancelled in 2017 we experienced the same fate this year by Hurricane Florence which, has been labeled as one of the most destructive hurricanes since Hurricane Hazel. The storm took a direct path on eighty percent of our Nobility as well as our Headquarters in New Bern. Many Nobles and their families have experienced major damage to their homes and businesses while today are trying to get their lives back to normal as possible. Our office received major destruction with over four feet of water on the ground floor resulting in a loss of computers, phones, supplies and furniture. We also had many windows blown out as well as severe roof leakage. Fortunately while preparing for the storm we were able to back up our computers and secure many documents. We are working daily with our insurance carrier and have professional storm mitigation teams working at the property. This week we rented an office for our staff and have ordered a new phone system, replacement computers and furniture. Hopefully, we will be back in operation very shortly. Please continue to pray for the families that have been affected by this massive and destructive hurricane.

Oxford Homecoming is scheduled for Saturday, October 13th and we hope for a good turnout from our nobility. The parade steps off at 11am on a shorter route than in the past and will be followed by the Barbeque luncheon that is prepared by our Masonic Teams. Immediately following will be a free concert....please try to come and spend some time in Oxford.

The Fall Ceremony will be held in Wilson on November 16, 17 and we encourage everyone to attend. Hotel sign-ups will be forwarded to you shortly due to our computers being lost by the hurricane. The Nobles and Ladies have been working very hard to make this an enjoyable and fun weekend for everyone.

Please continue to support our fundraisers and remember we will be drawing for the golf cart and cash giveaway at the Fall Ceremony.

As 2018 is drawing to a close I would like to thank everyone for their dedication and hard work by making Sudan Shriners who we are. Let's always remember our philanthropy and why we do what we do....supporting Shriners Hospitals for Children.

Yours in the Faith,

Edwin "Teeney" Jones

Nobles & Ladies

This message has to be the hardest to compose and reflect on what Sudan Shriners are facing with the results of Hurricane Florence. Not only has our facility in New Bern been hit, we have numerous Nobles who have lost their homes. However, we are going to bounce back and remain as a strong group of Masons and

Shriners and do whatever it takes to keep working and doing our individual part to support Shriners Hospitals for Children. I have placed an article in this edition the same as what was emailed to the Sudan membership by email on September 19th and another one on September 27th. Unfortunately we were not able to mail letters since our mailing data was lost with the computers being damaged. As noted in the photos in this edition, the destruction to our temple is unbelievable. We have several inquiries from other temples as far as Louisiana and Texas with their willingness to assist us during this time.

We have our Fall Ceremonial right around the corner. As usual we need candidates and ask that you continue to work hard on our membership growth efforts. Thus far we have 91 new Nobles in 2018 with 35 Restorations which is really good.

We have acquired a temporary location as noted in the hurricane update messages. New office furniture has been obtained. New computers are being programmed and uploaded with the necessary software packages. All of this is going to take time for the ladies to get back to normal business operations.

Although in the edition, I want to mention that the 2019 Winter Ceremonial will not be held in New Bern. We will have that information provided to you as soon as the plans are completed. Another article of interest is that of the Sudan Widows Fund being dissolved.

Thanks again to all for your hard work and dedication. In closing, I would ask everyone to take time to offer prayers for our sick and distressed. God Bless you all.

Yours in the Faith

George L. Raecher

Sudan Widows Fund to be Dissolved

The Board of Directors of Sudan Widows Fund at a recent meeting decided to dissolve the Widows Fund as of January 1, 2019 and to pay the benefit set forth in the bylaws to all active members when the Fund is dissolved. This simply means that once the dissolution is complete and you have received your check for the benefit set forth in the bylaws, the Widows Fund will no longer exist. You will receive a letter giving details of this decision and approximate time line just as soon as the Sudan Office is up and running in new rented office space following the destruction left by Hurricane Florence.

2019 Sudan Shriners Winter Ceremonial

The 2019 Sudan Shriners Annual Winter Ceremonial and election of officers scheduled for January 25-26, 2019 will not be held in New Bern, North Carolina. Noble Carl Smith, Sudan Chief Rabban made this announcement on September 26, 2018. The new location will be announced as soon as plans are completed.

Six nobles from the Lenoir County Shrine Club are shown above having received their 25 Year Shriners International Service Awards at the club's monthly meeting on August 1, 2018. Area Governor, 1st Ceremonial Master Lou Smith, announced the names with Ill. Sir Edwin "Teeny" Jones presenting the certificates and pins. Nearly 100 nobles, ladies and their guests gathered at the club for a great covered dish dinner, fellowship and recognition ceremony for these six devoted Shriners.

Crystal Coast Shrine Club Service Awards

L to R: 1st Ceremonial Master Lou Smith; Nobles Walter "Dennis" Hill, Tony M. Frost, Illustrious Sir Edwin "Teeny" Jones, and Noble James E. Barnett.

Nobles Walter "Dennis" Hill, Tony M. Frost, and James E. Barnett received their 25 Year Shriners International Awards and certificates at the June 2018 monthly shrine club meeting. A great night of friendship, brotherly love and sharing was enjoyed by all in attendance. A special thanks to these Sudan Nobles for their dedication and service to our fraternity and the Shriners Hospitals for Children.

Elizabeth City Shrine Club Service Awards

Left to Right: Capt. of the Guard Jeff Taylor, Lady Virginia Bick, Noble Edward Bick, and Club President John S. Gebbia III.

Nobles gathered at the Elizabeth City Shrine Club on July 21, 2018 during the club's fraternal fundraiser, "Shrimp-A-Roo" to recognize and honor Noble Edward Bick for his 25 Year Shriners International Service Award. Capt. of the Guard Jeff Taylor presented Noble Bick his certificate and pin. Congratulations and thanks to Noble Bick for his dedication to our fraternity and the Shriners Hospitals for Children.

50 Year Service Award

On July 17th, 2018, Noble & Brother John Lilly received his 50 Year Shriners International Service Award and pin from Oriental Guide Cleve Woolard. The presentation was made at a meeting of Brother John Lilly's Blue Lodge at Vanceboro #433 in Vanceboro, NC. Noble Lilly was unable to attend the New Bern Shrine Club service awards presentations made earlier this year. He requested that Noble Cleve make the presentation at his (Lilly's) monthly lodge meeting. I believe this was a great idea for a "Quality Shriener" to receive an award in his Blue Lodge where he has served as a "Quality Mason". Congratulations!

Grand Master - Shriners Imperial Session

Photo above shows the Most Worshipful Grand Master of Masons in North Carolina, Speed Hallman with the Sudan Dunn Clowns at the Imperial Session of Shriners International at Daytona Beach, Florida from July 15-19, 2018. The Dunn Clowns attended and competed in the Clown Competition. They had the opportunity to share a lunch with the Grand Master and our Sudan Potentate, Illustrious Sir Edwin "Teeny" Jones (w/o the Red Nose).

The bottom photo captures the Grand Master with our Sudan Shriner's Representatives at a dinner event at Daytona Speedway on July 17th honoring our Grand Master. The dinner is an annual event whereby all three Shrine Temples (Amran, Oasis & Sudan) in North Carolina share that evening with our Grand Master.

Khedive Annual Dinner – Suffolk Shrine Club

(l to R) Illustrious Sir's: Khedive- Michael Coffman; Acca- Dennis Berry; and Sudan-Edwin "Teeny" Jones

SUDAN CONTINGENT

THREE TEMPLE'S DIVAN MEMBERS

Our Divan traveled to the annual Khedive, Suffolk County Shrine Club dinner on July 25, 2018 for an evening of good food, brotherly love and great Masonic Unity. The gathering included Khedive, Acca and Sudan Shriners. As noted in the photograph above, Sudan had a great turnout in support of this gathering.

Wilmington Shrine Club's Night with the Wilmington Sharks

On August 2, approximately 160 Wilmington Shrine Club members; along with their families and friends, attended the final game of the season of the Wilmington Sharks, a Coastal Plain League baseball team. The team is comprised of college baseball players seeking summer playing time while honing in on their skill levels, the Sharks provided more than an evening of fun! They engaged with our Shriners and their families and invited us to join them on the field for the National Anthem followed by "a pass by" of the players and hand slaps for our Shriners.

The Sudan Choo Choo generously provided complimentary train rides prior to the game and the Sudan Drum and Bugle Corps were represented in their corps shirts and their Fez. Noble Tommy Cox, a Drum and Bugle Corps member, was honored by throwing out the first pitch of the game. Tommy signed with the Atlanta Braves in 1970 and played center field. A dream for many young baseball enthusiasts. He played predominately in the Atlanta Braves Minor Leagues until 1974. On January 4, 2018 he received a double lung transplant and while on his way to recovery he remains as active as he can with Sudan Shriners, always having "Shriner Children" first in his mind.

The Fayetteville Swampdogs were the victors that evening on the field but our Shriners and their guests helped fill the stands while enjoying a Wilmington Shrine Club family event that will be remembered! A Shriner thank you to the heroic club effort to ensure its success.

Hillbilly Reunion

Woowe did we ever have a good time at this years Hillbilly Reunion! If you looked at the weather map it was raining all over. But honest, the weather at Lake Waccamaw was perfect. The sun was bright, the sky was blue and the big ole lake was like a mirror. This year we were fortunate enough to have a big group of folks who wanted to become Hillbillies and Hillbilly Gals. We initiated nineteen new Hillbillies. Of that number sixteen sought the wonderful achievement of becoming Master Hillbillies. We also initiated twelve Hillbilly Gals. I tell you what, them Gals is gonna remember that day. Take a minute and see who can recognize in the accompanying photographs. Congratulations to the new Hillbilly's and Hillbilly Gals. We are very proud to call you kin folks.

As usual we enjoyed some mighty fine vitals. After we filled our bellies, we took a little cruise around the lake, to enjoy that fabulous day. Everyone always has a great time, but you know, Hillbillies do know how to have a good time.

If youins ever think about becoming a Hillbilly, you are welcome to join us next July. Remember, the reunion is always on the last weekend in July. If you have any questions, please contact Bob Gunter at 910-754-7388 or bobbyg730@hotmail.com. Please also remember that it is not our intent to pull any Shriner away from his current sub club. You will enjoy a membership in the Hillbillies along with your current sub club.

A Century of Service in Hope Mills

L to Rt: Asst. Director Dean West; High Priest & Prophet Coble Wilson III; Noble Don Talbot; Ill. Sir Edwin "Teeny" Jones; Noble Louis Larson, Jr.; Marshal Tom Ferrell; and Capt. of the Guard Jeff Taylor

The two nobles shown above were recognized at the June 2018 Hope Mills Shrine Club meeting for a combined 100 years of dedication and service to the fraternity and Shriners Hospitals for Children. Sudan Marshal Tom Ferrell made the presentations and was assisted by Illustrious Sir Edwin "Teeny" Jones. Each noble received the Shriners International, 50 Year Service Award along with the 50 year pin. Congratulations to both and "Thank You" from the children.

DeMOLAY INTERNATIONAL

DeMolay International is proud to launch our largest community campaign ever, **Charity enShrined - A Centennial Courtyard**, commemorating 100 years of volunteerism for the betterment of youth.

This venture celebrates 100 years of DeMolay, and is embellished with symbols of DeMolay's commitment to the rich history and tradition of our Order: The Frank S. Land Memorial Fountain; a statue of Dad Land seated in his iconic embrace; a statue of Louis Lower, the first DeMolay; and the "Silent Messenger" statue, showing our special relationship with Shriners International. As you approach the courtyard, you will see the four historical emblems of DeMolay. Brightening the space are seven lights representing DeMolay's Seven Cardinal Virtues, and standing tall are three flag poles demonstrating the 7th Cardinal Virtue of our Order-Patriotism.

The Courtyard is enriched with red bricks throughout which can be customized in a multitude of ways. As you draw closer to the center of the Courtyard, large gray bricks can be customized for a Chapter, a Jurisdiction, a Lodge, a Shrine Center, a Scottish Rite Valley, and more.

SUBJECT: Hurricane Damage Update & New Mailing Address

TO: Sudan Shriner's Membership

On September 19, 2018 we reported to all Nobles with email addresses a brief update of the damages and situation at your Sudan Temple from Hurricane Florence. The damages assessed at this time indicate a long term displacement of our office operations. Therefore, we have obtained a temporary office to establish and work our Sudan office and activities.

Several clubs, units and members have wanted to volunteer to help clean up. The ground floor had nearly four feet of water. Due to the destruction and damages, cleanup and restoration of the temple is being completed by contracted professionals who have experience and training to complete the job. Basically, the bottom floor has been gutted. All services (electrical, water, phone etc.) have been discontinued and will not be restored any time soon. The temple is still off limits to all.

The hard drives from the computers were located and the data stored on two of our office hard drives have been retrieved. Hopefully we will have internet and phone services established soon. Our email addresses and phone numbers will remain the same.

Our Area Governors and Divan members are attempting to identify clubs, units and membership who may have suffered losses. Please help us with this effort as we want to make a good report to those agencies that may be able to assist and provide relief. The Masonic Services Association (MSA) has announced a Disaster Relief Appeal for the Grand Lodge of North Carolina. The Most Worshipful Grand Master of Masons in North Carolina is heavily involved in these efforts. Donations to MSA are tax deductible.

We have received inquiries about donations to help with the costs of recovery. We do have insurance for our facilities and property but it will not cover all our losses.

Our new mailing address is contained in the new letterhead of this letter. Please send all mail or correspondence to the new address listed above. The US Postal Services will forward mail from our old address. Our temporary offices are located at 1425 S Glenburnie Road, Suite 4, New Bern, NC 28562. Mailing address is listed in this letterhead.

Brooke Thomas

My name is Brooke and I've been going to Shriners Hospitals for Children in Greenville SC since I was nine years-old. The Shriners have done so much for me and they found my problem. I would have never know what was wrong without their help. The van drivers are great people and my two favorite drivers are Ben & Peggy Grady. I call them Grandpa and Grandma and they are family to me. They have driv-

en many hours to take us to Shriners Hospitals for Children and back home. I would also like to thank the ones who make my prosthetics. It means a lot to me.

I had my first foot surgery this past June and everyone treated me so kindly. My favorite doctor is Dr. Mendelow and he has been caring for me for six years. I am glad he did my surgery and he did a great job. Right now I am looking forward to walking again. Thank you to everyone who has helped me.

Kennedy

Kennedy was three and a half when we adopted her from China. When we got her she was referred to a pediatric orthotic surgeon at Duke where they diagnosed her with arthrogryposis and told us Kennedy was facing multiple orthopedic surgeries of her hips, legs and feet. I felt like we needed a second opinion and we had heard of Shriners Hospitals for Children from other adoptive families. Shriners had a cancellation and was able to see

Kennedy the next week. We drove 6 hours to Greenville, SC and met Dr. Pete Stasikelis. We immediately fell in love with the entire hospital and staff. It was so child oriented from the décor to the toys and games in the waiting areas, and the way kids and family were treated like family. Dr. Pete was amazing and we felt confident with his recommendations. He said she was rare not to have been treated before the age of 4 and the whole team poured over her file to decide on a treatment plan. In 2017 she had hip and femur surgery to repair her dislocated hip that had caused her leg to stop growing. We spent three nights in the hospital and the care was all we could have asked for. She returned home in a spica cast for 6 weeks and then had 6 weeks of intensive physical therapy. At one year post op her hip had healed and her leg was beginning to catchup in growth. We are now beginning to address her vertical talus of both feet. Dr. Pete was very honest by telling that surgery is risky. If she has the surgery it could lead to debility and pain in early adulthood. If she does not, the same could happen. She had casts on both legs for 6 weeks and the casting improved the feet some but not enough to avoid the need for surgery. She will return in 6 months to reevaluate and decide upon further treatment. We are so very thankful that they have been upfront with us about the risks of each option and keeping us in the decision making process. We could not ask for a better experience with Shriners. In addition the assistance offered by Sudan Shriners has been such a blessing. Driving 6 hours for care will take its toll physically, emotionally and financially, especially when you have to do it weekly. I don't know how we could have afforded the trips if we had to pay for gas and lodging each week. Shriners Hospitals for Children and Sudan Shriners have made it possible for us to concentrate on our daughter and not how we were going to make it all happen. I tell everyone who will listen about Shriners and the blessing they have been to our family.

Lily Mae

This is Lily Mae! She is 3 years old and precious to us. Lily was diagnosed with Spina Bifida when she was only 20 week gestation. We had a lot to think about and prepare for. As her parents we were offered a surgery to repair her spine and untether her spinal cord in efforts to improve her condition. After much prayer and research we decided this would be her path. The surgery was very

successful and she came through it like a champ with some unanswered question as to how much function she would have. Lily was born with some physical problems like bilateral clubbed foot and neurogenic bowel and bladder problems. She has endured many procedures for foot correction and managing her other problems. Lily (like in the picture) always has a smile on her face and has such a high spirit. She faces her adversaries head on and always wants to join in with the other kids as though she sees no difference in herself. We are so thankful for the intervention of her doctors and both Shriners Hospitals for Children in Philadelphia and South Carolina and all the staff at UNC Chapel Hill that have been so dedicated to Lily's success. She attends physical therapy weekly with an amazing therapist that challenges her and for all these things we are so thankful. Lily does have some more obstacles to climb but my prayer is that she always keep her positive attitude and knows that she can be and do anything she wants in this life. She is a true blessing to her family and we love and cherish her dearly. God knew who Lily needed. But we didn't know that we also needed her!

Ja'Mez King

My name is Ja'Mez King and I'm 4 years old. I live in Tarboro NC with my Mom Josephine, my dad James and my brother Ja'Quavious. I have been a Shriner's kid since I was one and a half years old. I was six months old for my very first visit due to the fact my right leg tibia and

fibia hadn't developed because I was born early at 7 months. On my first trip Mr. Bill was my driver and I can't remember the other drivers name but they were so nice to me and my family the entire time. I have been to Shriners Hospitals for Children several times and I want to thank everyone who has had a part in it and also Ms Donna for scheduling my appointments so I can get there and back. All the van drivers made sure we had a place to lay our head and plenty to eat the entire time we were away from home. They made me feel as comfortable as possible and Shriners Hospitals for Children made me feel special. Dr. Westberry was the surgeon and I appreciate the prosthetic department and Mr. Ed who was the first one to make my prosthetic leg for me. After my surgery I had to stay at the Ronald McDonald house for 2 days. I will never forget the ones who have helped me throughout my life at a very young age and I would like to meet other kids who are just like me that live close to me.

INCREASING OUTREACH EFFORTS

Today, our world is more and more like one large community – we can pretty much reach anyone anywhere, at any time. Our “smaller” world and the possibilities provided by modern communications technology give us a tremendous opportunity to reach many more kids in need of help, in many more places. We want to expand our efforts to improve the lives of children by providing care far beyond the walls of our hospitals and clinics, and past the borders of our traditional locations.

One way to do this is to expand our outreach programs. These efforts allow Shriners Hospitals for Children to serve a significant number of children who, otherwise, would likely never experience the special brand of hope and healing that is the hallmark of our health care system. Despite the fact that we have buildings in just three countries, we have, over time, cared for children from more than 170 countries. That is something we can all be extremely proud of, and an example of how we can serve more kids in more places.

In 2017, international outreach clinics were held in several countries, including Cyprus, the Dominican Republic, Honduras, Panama, and some of the Caribbean islands. Our physicians also worked with other relief organizations and cared for patients in additional international locations.

Our primary locations also hold outreach clinics within their local areas. For example, Shriners Hospitals for Children — Honolulu, which has the largest catchment area for outreach in our health care system and serves a geographical area at least as large as the continental United States, holds outreach clinics on its neighboring Hawaiian islands and serves the South Pacific, including Guam (their largest outreach clinic with the most patients), Tinian, Saipan, Fiji, Tonga, American Samoa, Western Samoa, the Federated States of Micronesia and the Republic of the Marshall Islands.

Overall, in 2017, our health care system held more than 400 outreach clinics.

MAKING DECISIONS FOR THE FUTURE

After Much Discussion,
Important Legislation
was Passed During
Imperial Session

LEGISLATION

THE CALL FOR THE 2018 Imperial Session was very large and included a number of important substantive items. The number of health care system-related items considered was considerably more than in prior years.

Therefore, in order to reduce the amount of time required for counting votes, the Iowa Representatives and Colorado Members changed the bylaws to permit electronic voting, which was used for the first time at the 2018 Imperial Session. Even though electronic voting was utilized, the votes casts by individual Representatives or Members remained secret.

Health Care System Legislation

Our commitment to serving more kids in more places while being good stewards of the funds entrusted to our care was discussed in detail. The ability and need to substantially improve the cost effectiveness of the care provided also was thoroughly explored. In addition, the role of the Joint Boards, including the importance of the Joint Board's ability to make changes in the care and delivery models of our hospitals, was explained with great clarity.

As the discussion of each of several pieces of proposed legislation took place, the voting representatives gained a greater understanding of the overall process and goals, including the fact that, while it is critically important for the Joint Boards to retain authority, these individuals work closely and extensively with executive teams and hospital leadership to both refine and implement decisions. Many proposals were withdrawn or failed to pass.

Ultimately, the health care system legislation adopted at the 2018 Imperial Session authorizes the Boards of Governors of the Twin Cities, Cincinnati and Tampa hospitals and the Boards of Directors and Trustees of Shriners Hospitals for Children to reach decisions on relocating these hospitals.

Leadership will continue to work with the Boston hospital as it moves forward with a plan to reduce space, use resources more effectively and strengthen community relationships. In addition, the Oversight Committee will continue with the Chairman of the Board of Directors of Shriners Hospitals for Children appointing the chairman and four additional members of the committee for the succeeding year.

Fraternal Legislation

A large number and variety of items were presented to the Iowa Representatives for consideration at the 2018 Imperial Session.

A number of legislative items were adopted by the Iowa Representatives. The following is a listing and brief summary of some of the Fraternal legislation that was adopted:

1. Charters were granted to Bolivia Shriners of Santa Cruz, Bolivia and Amal Shriners, of São Paulo, Brazil, making them the 197th and 198th Shriners temples, respectively. An international temple is required to have 300 members in order to obtain a charter.
2. The Imperial Potentate may now grant a special dispensation to allow more than two stated meetings of a temple during a calendar year to be held at a location other than the temple but within the exclusive or concurrent jurisdiction of the temple.
3. An associate member cannot concurrently hold elective offices in any other temples of which he is a member or concurrently hold elective offices in any of the clubs or units of the temples of which he is a member.
4. A noble who has served two years as Potentate may now serve an additional two years as Potentate if he has served at least two years subsequent to his previous term as Potentate in an office or offices on the official Divan other than as Potentate and there are no other eligible candidates offering for election to the position as Potentate.
5. Written objections prior to balloting on a candidate's petition are no longer allowed under an amendment passed at the 2018 Imperial Session. A majority vote is required in balloting on a candidate's petition.
6. Temples supporting international development can apply for reimbursement of a portion of the expenses related to the International development under limited conditions.
7. In any state outside of the United States of America, Canada, Panama and Republic of Mexico regardless of whether such state currently is within the jurisdiction of a temple, dispensation could be issued upon a petition signed by one hundred and fifty (150) nobles or Master Masons qualified by these bylaws to become nobles. A temple granted dispensation under this exception would be required, within three years, to meet the requirements of at least three hundred (300) nobles prior to being eligible for a charter.
8. In a state other than the United States and Canada, upon the request of a Shrine Club and with the approval of the Potentate of the authorizing temple, the Imperial Potentate may appoint a designee to preside at a ceremonial session.

Imperial Sir Bergenske requested and received the cooperation of the floor in considering an extremely large volume of substantive legislation in a very short time.

While important hospital legislation was required to be considered on Thursday morning, the 2018 Imperial Session was able to adjourn before noon on Thursday.

We thank all of the voting members and representatives for their attention, dedication and diligence in making these decisions that will guide and impact the future of both Shriners International and Shriners Hospitals for Children.

THE "RED FEZ" MAGAZINE

The Sudan Shriners "Red Fez" magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at www.sudanshriners.com in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the "Red Fez". Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!

Submit material for the "Red Fez" to Sudan Shriners, PO Box 12829, New Bern, NC 28561. Submit material for Sudan's website to: sevans@sudanshriners.com. Office: 252-637-5197 Fax: 252-637-9935.
