## Potentate's Message

Nobles and Ladies,

What an awesome time to be a Shriner on this 100th Anniversary of Sudan Shriners. We are very thankful for the past, current and future nobles that continue to make Sudan one of the greatest temples in the world. Thank you for all your continued hard work and support for Sudan and Shriners Hospitals for Children.

It was an honor to name the Spring Ceremonial in memory of Edward D. Hartsell, a very dedicated Shrine - Mason who served both fraternities well. If you missed the Spring Ceremonial in Greenville, we certainly missed you and you missed a great time. Congratulations to our Outer Guard Chuck Coddington, his lady Tammy and their Ceremonial Committee for hosting a great Spring Ceremonial in Pitt County.

We could not have ordered any better weather for the entire weekend. Friday night tailgating at the Pitt County Shrine Club was a great success thanks to the ten units and clubs that provided great food, fun and fellowship. A special thank you to all who participated in the "100" formation picture taken by the drone on Friday night.

The ladies began Saturday morning at the Pitt County Shrine Club with the ladies breakfast. Lady

Danette and her team once again hosted a great ladies breakfast and all the ladies that attended had a great time. The nobles began their Saturday morning at Ayden Middle School with the business meeting and first section. Then we all came together in downtown Ayden in conjunction with the 2nd annual BBQ festival to view the greatest Shriners parade. A wonderful lunch was prepared by the Sudan's Chef Crew. Lunch was followed by second section hosted by Sudan's Wrecking Crew that promised and delivered an exciting time for our new candidates. We headed back to Greenville to the Emerald Room at the Greenville Convention Center with great hospitality once again from the 2017 Hospitality team. Our slogans for the year Their Hope-Our Cause-Let's Roll and the Story Behind the Shoe were represented well Saturday night with the five Shriner patients and families that told their story. Everybody has a story - in 2017 have fun with a purpose-it's all about the kids! The Band of Oz finished the night off with an outstanding performance that did not disappoint.

To all new nobles and their ladies, thank you for joining Sudan and I encourage you to get busy and find a shrine club or unit or even both and let's get to work for Sudan and Shriners Hospitals for Children.

Our Masonic Relations - Membership Team chaired by Jonathan Johnson and his team are working very hard on recruitment, retention, and restorations. Nobles, please remember everyone is on the membership team and your help is needed.

Nobles, once again I thank you for the opportunity to serve as your Potentate for 2017 on this 100th Anniversary of Sudan. It truly is an honor. Lady Danette and I have made a lot of visits already and are looking forward to visiting with many more of you throughout the year. We hope everyone has a great summer and are looking forward to seeing you at our one day Ceremonial on September 9, 2017 followed by Fall SASA in Myrtle Beach, SC on September 14-17, 2017.

LET'S ROLL.....

Yours in the Faith,

Stacey Pugh, Potentate

## Recorder Sez

Nobles & Ladies and Fellow Masons,

I would like to echo the Potentate's words on an outstanding Spring Ceremonial. Congrats to all who help make this happen!

I did add "Fellow Mason's" to my initial greeting in that I hope you are

sharing the Red Fez with our non-Shriner Mason's. If you would like some copies of this publication, please contact me and we can send some to share with your lodge members.

I am going to change the pace of my message and talk about our MEMBERSHIP, fundraisers and our projects in this 100<sup>th</sup> Anniversary year.

**MEMBERSHIP** is the most important issue at hand. Noble Jonathan Johnson and his Membership Team are doing a great job and as always, they need all of us to help. Please work the NPD's as you receive the listing. I am sure everyone knows of someone who can be restored! We have acquired 45 new creations thus far and have the One Day Ceremonial in September to add some more "Quality Mason's". It would be great to have 100 new Nobles in this anniversary year.

Our 100<sup>th</sup> Anniversary Book is still in need of club and unit articles. The articles don't have to be long. Unit histories should be relatively easy with all of the activities participated in each year. We can provide some samples from other clubs if necessary! Please help us make your book something of historic value to all!

In the area of fundraisers, we are still selling the 100<sup>th</sup> Anniversary Coins, a great keepsake with about 400 coins left, which are available from every Divan member! We have two golf carts available for use in the Golf Cart Fundraiser. One is located in New Bern and one in Lumberton. Contact Sharon at the office or Noble Coble Wilson in Lumberton and get on the schedule for ticket sales at civic events or Fish Fry's, etc. The annual \$5000.00 Cash Giveaway tickets have been mailed and extra tickets are available at the temple office.

Our Public Relations efforts are improving with several contacts being identified throughout Sudan. This is allowing us to provide information to our nobility on

changes, developments, and One Sheet News Releases from our Shriners Hospitals for Children.

In closing, I will again encourage Blue Lodge participation. Please remember our sick and distressed in your prayers and as always, "Thank You" to all for your hard work and dedication!

## Hillbillies Visit Nursing Home

Sudan Hillbillies from Columbus County paid a visit to Premier Living and Rehab Center at Lake Waccamaw, NC on May 17, which was National Nursing Home Week. The visit was a short notice kind of event. It was a Wednesday afternoon, which for the most, was a working day for most Hillbillies. As such, only three Hillbillies attended. The event lasted for about two hours. During that time they visited with the residents, and the residents got to look at our old truck and outhouse. They also played a little Blue Grass music and capped the afternoon off with an ice cream social. Although a short notice event, it turned out to be a very enjoyable time for everyone.

## Crystal Coast Shrine Club Visit

The Crystal Coast Shrine Club had the distinguished honor of welcoming Sudan Potentate Stacey Pugh and Lady Danette who paid a visit on May 25, 2017 at the Dunes Club, Atlantic Beach, NC. Everyone enjoyed an outstanding meal prepared by the Dunes Club Chefs. Our Illustrious Sir Stacey Pugh gave an outstanding talk on how great a time it is to be a Shriner. Pictured above are the Illustrious Sir Stacey Pugh, First Ceremonial Master Cleve Woolard, and Captain of the Guard Tom Ferrell along with members of the Crystal Coast Shrine Club.

## 2017 SASA Spring Meeting

The photo above shows Illustrious Sir Stacey Pugh and Lady Danette; Assistant Rabban Carl Smith and Lady Janet; Recorder George Raecher and Lady Jan; Director Frank Long and Lady Linda and Noble Tim Ludwig at the banquet for the Spring Meeting in Columbia, SC. We were honored with the visit of the Imperial Assistant Rabban Jim Cain who spoke at the meeting.

The 2017 South Atlantic Shrine Association 2017 Fall Festival will be held again this year in Myrtle Beach, SC, September 14-16, 2017.

We have some great news for our Sudan parade units. Sudan Director Frank Long was called upon by Illustrious Sir Stacey Pugh at the time of the drawing for parade positions. Noble Frank completed his duties in outstanding fashion by drawing the number 4. That means Sudan will start in the fourth position out of twenty temples on the morning of September 16th with the parade starting at 9:00am. Early start with an early finish and you and your guests can enjoy the rest of the parade or other festivities in Myrtle Beach. More information will be forwarded as the event draws closer. You may also visit the South Atlantic Shrine Association website where you can find the events times and schedules.

## Sudan Needs A Marching Band

It has been a few years but the Sudan Shriners used to have the sharpest Marching Band in all Shrinedom. Are there any nobles out there that believe this might be another way to attract a certain group to form and enjoy yet another unit? If you have a trombone, trumpet, sax, cymbals or clarinet, snare drum or whatever, get it out put your Fez on and let's march!

## Honoring and Remembering Imperial Sir Jack Jones

IMPERIAL SIR JACK H. JONES worked tirelessly over the past 37 years to support and serve the fraternity at the national level. He served Shriners International as Imperial Recorder for 36 years, Executive Vice President for five, Imperial Potentate for one, and received countless accolades and honors, including the Imperial Potentate's Award

of Merit, which is the highest honor in the fraternity. Jones was also known as one of the most dedicated and genuine people to work alongside - a reputation he has earned by leading the fraternity with grace and pride.

Imperial Sir Jack Jones was initially elected Imperial Recorder in 1979, and served in that position, or as Imperial Potentate, until his death.

During much of his time as Imperial Recorder, he also served as Director of Membership Development. Imperial Sir Jack Jones also served as Chairman of the Masonic Relations and DeMolay Committees during the majority of this time.

During his time as Imperial Potentate, Imperial Sir Jones focused on bringing people together, developing modern membership solutions and realizing and recognizing the fraternity's global impact and its potential. Jones' theme for the year was "Unity Wins." Imperial Sir Jack Jones did not permit this confinement to a wheelchair to confine his spirit or his travels. He was a frequent speaker at Masonic events throughout the world and was a well-known and well-respected Masonic leader.

While serving Shriners International, Jones also met many high-profile figures, including the Queen of England and President Ronald Reagan, who he had the privilege of personally making an honorary member of the fraternity. While serving as Imperial Potentate, Jones also had the pleasure of meeting the world's oldest man and 113-year-old Shriner, Walter Breuning.

"Imperial Sir Jack Jones has been a fixture on the boards of Shriners International and Shriners Hospitals for Children for decades," said Imperial Potentate Chris Smith. "With the passing of Jack Jones, all Masons and all Shriners have experienced a great loss. He was a truly great Shriner, an example to all."

## Greenville Hospital Visit

Wayne Shrine Club President Ward Kellum, has wanted to visit and see what really happens at our Shriners Hospitals for Children - Greenville, so he set up a trip to get the answers. Noble Ward planned and organized the two day trip for those thirty nobles, ladies and their guests. They made that bus trip to the Greenville, SC on March 3-4, 2017 and got the answers they wanted. The hospitals visit was extremely impressive and informative to the group and they returned with even more vigor and energy to continue their efforts in support of our hospitals. The tours and information presented to the nobles and ladies at the hospital by the hospital staff was truly outstanding.

## Fayetteville Shrine Club Golf Tourney

## Three Sons - 4 Masons Family Legacy

Without a doubt a historic event occurred at the Mount Olive Masonic Lodge #208 on May 16th when three Ferrell brothers' (Thomas IV, Samuel and Jake) were initiated as Entered Apprentice's. Brother ET "Tom" Ferrell III, PM presented his son's their white leather aprons and recited the Apron Lecture. The Ferrell family has been a regular in the Mount Olive Masonic family over the years with Tommie Ferrell II being a Mason and a Sudan Shriner. Mike Saviak, PM and District Deputy

Grand Lecturer for the 10th Masonic District conducted the 1st Degree on the three brothers. Incidentally, Brother Tom Ferrell III was serving as the Master of Mount Olive Lodge in 1993 when Brother Mike Saviak, PM was initiated as an Entered Apprentice. This may be a first in Masonic history for the Grand Lodge of North Carolina. I know I saw a extremely proud Past Master as he presented the aprons to his sons. Congratulations to both Noble Tom & Lady Milly!

### FATHER AND THREE SONS INITIATE FOURTH

Augustus B. Elkins, 32', (Master Elect) of Durham Lodge No. 352, Durham, N. C., assisted by his three sons, Joe B. Elkins, 32°, as Senior Warden, J. P. Elkins, 32°, as Junior Warden, A. Coolidge Elkins, 32°, as Senior Deacon, Sterling H. Harris, 32°, as Junior Deacon, A. B. Crew, 32°, and D. W. Griffin, 32°, as Stewards, and Hubert M. Brown, 33°, as Secretary, conferred the three Symbolic Degrees on the youngest son of Worshipful Master Elkins, Frederick Kenyon Elkins, as follows: First Degree, December 20, 1948, Second Degree, December 27, 1948, and Master Mason Degree December 31, 1948.

The Degrees were conferred in a most impressive and instructive manner by these officers. Durham Lodge is quite proud of this unique occasion and honor which to our knowledge has never happened as such in our Grand Jurisdiction.

Fred, who is a ministerial student at Brevard College, Brevard, N. C., our youngest member of the Fraternity, has the honor of receiving the Three Degrees from his father and three brothers.

The reason men don't hesitate to tell their age, is that they are proud of the fact to be alive after all they have gone through.

## Rebekah Farnham

My daughter Rebekah who has mobility issues and Down's Syndrome and I were approached by a wonderful Shriner (Neal Davis) from the Sudan Flag Unit in Dunn, NC. He saw a need and gave me a card and helped us get into see a pediatric orthopedic surgeon in Greenville, SC.

The Shriners provided us with a family room and a ride down and back during the first visit. What a wonderful experience that was!

After over 6 years of tests and poking and prodding at other hospitals, these wonderful professionals not only had figured out what was wrong, within 45 minutes they had a plan of action!

The level of professionalism is only matched by the level of CARE! This hospital has the heart of each child in their hearts. Even though there were many patients there, we never felt like "just another number" or "one of many" we felt like FAMILY! Even the kitchen staff were wonderful, offering to make anything just so Bekah would have something to eat SHE enjoyed. How many places would even care to do this?

My heart melts when I think of how caring these people are, how wonderful and I feel we are the better for having come here. Thank you for providing such a loving atmosphere to get better.

## Jaxon Sadler

Complications began very early on in our pregnancy with Jaxon, we were informed that Jaxon had a 'bell shaped' thorax and always measured behind or smaller than he should be, and that was indicative of a possible diagnosis of down syndrome or skeletal dysplasia (Dwarfism). I was referred to a specialist at ECU who dismissed both diagnoses but was unsure of the cause of the complications.

Due to the slow growth, ultrasound scans were performed often, during our last ultrasounds Jaxon was diagnosed as IUGR (Intrauterine growth restriction) which meant he had

stopped growing at approximately 34 weeks. Since this put both myself and Jaxon at risk, I was induced and Jaxon was born at 38 weeks 6 days weighing only 5lbs 2oz.

Besides his small size and poor feeding Jaxon seemed perfectly healthy during the first few hours after birth. However, the first night after his birth Jaxon began having seizures, and apneic spells in which an xray was done the following morning where a possible curve was noted.

Dr's decided it was best if Jaxon was life flighted to Vidant Medical Center's Childrens hospital in Greenville, NC where he could receive more specialized care.

Upon arrival he was diagnosed with an intracranial brain bleed which was causing the seizures, poor feeding/aspiration of his food, and scoliosis. After being stabilized and dr's deciding to place a feeding tube Jaxon was sent home 1 month later with a referral to Duke University for his scoliosis.

Jaxon had his first appointment at Duke when he was 2.5 months old where we were told he had a 16 degree curve yet due to his age we would just use the wait and see approach before treatment was discussed and follow up. 3 months later we had his follow up at Duke and were informed his curve had progressed from 16 degrees to 54 degrees which is extremely rare for children as young as Jaxon.

With little information and feeling unsure about the diagnosis we sought a second opinion from The Shriners Hospital in Greenville SC. The Shriners had us scheduled for our first appointment within 3 weeks of our initial phone call.

On January 4th 2016, our family traveled the 6 hours from our home in New Bern NC to Greenville SC. While our first appointment didn't go as we had hoped and we received news that no parent wants to receive we left feeling hopeful that we were making the right decision.

Dr. Pete at the Shriner's hospital confirmed Jaxon's diagnosis of scoliosis, but also noted Jaxon didn't just have a typical curve he also had a 'hump' or "Kyphosis" which makes our treatment even more challenging. With the diagnosis of rapidly progressive kyphoscoliosis we were given 2 options, begin treatment with a procedure known as Mehta Casting (A plaster cast applied while the child is under general anesthesia using a specialized table which allows the doctor to manipulate the spine and get optimal correction) which may or may not be successful in correcting the scoliosis or the other option was to allow Jaxon to progressively get worse and eventually allow this horrible disease to kill him. The latter was not an option so we chose to begin our casting journey.

May 10th 2016 we once again traveled to Shriners Hospital in Greenville SC for Jaxon's first cast to be applied. During this appointment we received the bad news that Jaxon's

curve had gotten worse and was now at 81.5 degrees. The staff at the hospital were there to help us through the entire difficult process. After the procedure was over we got great news that Dr. Pete was able to get Jaxon's curve from 81.5 degrees down to 40 degrees in cast. But informed us we do have a challenge on our hands as he had never seen a curve this severe in such a young child and a "cure" with casting alone may not be possible with Jaxon's other challenges that he faces as well, especially with his slow growth.

Even though this was all news we as parents dreaded hearing, it was a huge relief knowing there were drs who truly cared for their patients and we had options to make his life the best it could be without fear or worrying that we may not be able to afford the care.

We now travel every 7-8 weeks for a new cast to be applied, and as of current, Jaxon has been casting for 1 year having his 8th cast placed on May 23rd 2017.

Even through all of the casts and the scoliosis battle Jaxon is a happy, energetic 2 year old who doesn't allow anything to stop him or get in his way. He is all boy and loves all things cars and trucks (especially fire trucks!) and lives to run, climb and play on everything. None of which would be possible for him without the care he receives from the Shriner's Hospital.

For this, we are ever so thankful for The Shriner's and all that they do for our family and so many others like us.

## Isabella Ruth Rogers

Isabella was born June 11, 2007 in the state of Michigan. She was a beautiful baby girl, healthy and happy. When Bella turned 3 months old, weighing 10 pounds, she almost died at the hand of the man who was supposed to be her protector. He broke 17 of her small little bones, shook her causing brain and behind the eyes bleeding, slammed her into a door frame resulting in 3 skull fractures and sexually assaulted her. She was not supposed to live. She lay in her hospital bed hooked up to life support for 9 long

days. She is a miracle! She woke up and the sparkle had returned to her beautiful blue eyes. She had to learn once again how to suck a bottle. Mercifully she doesn't remember any of the acts of torture that were inflicted upon her tiny body.

We were told she may not be able to see, that the possibility of walking was slim, that we could expect mental damage and that she might be in a vegetative state if she survived. Our precious Bella not only survived, but she is one of the happiest children I have been blessed to have in my life. She

is in a mild learning disability classroom and has been on the A Honor Roll for the past year. She reads and does all of her work on a computer. She is very knowledgeable about a computer and iPad. Bella has such of a love for people. Wherever we go she asks people around her "how are you doing today?" She loves a Hope Mills Shrinettes known to her as "Chicken". We recently had the honor of attending a club event and she was more concerned over Chicken than she was of her own self. That's the kind of child our Bella is.

Bella was first introduced to the Shriners around the age of 3. She was diagnosed with bilateral hip dysplasia. Dr. Westberry started her in UFO's and told us we would probably know by the age of 6 if she would ever walk. We kept our hopes high and focused on therapies that would benefit her. In June 18, 2012, during a Parkton/Lumberton Shriners Meeting, Bella was presented with an Amtryke Tricycle. My Alumni Association raised some of the money, some was received by personal donations and the large balance was paid for by the Shriners. Mr. Tommy Hall of Parkton Shriners, assembled the trike for Bella. She enjoyed the trike Tuesday, June 19th, 2013 and more tragedy struck Wednesday, June 20, 2012. Bella was attending physical therapy and her therapist picked her up to proceed to the back to begin therapy and accidentally trip over a toy laying in her pathway. Both fell to the floor resulting in Bella's left femur receiving a compound fracture. The pain caused her to go in and out of consciousness. She was treated and casted at a local hospital but one week later we were sent to Shriners Hospital due to complications. Dr Westberry had to take her back to surgery and redo what had been done earlier at local hospital. What marvelous care we received at our Shriners Hospital! A couple of years later after continued monitoring of her condition of bilateral hip dysplasia Bella had to have surgery. The surgery was done once again by Dr Westberry and it was a total success. A year later she went back in to surgery to have all of the hardware removed. It was after this surgery that Bella was referred to Dr Mendelow to watch her for scoliosis. He was hoping she could wait for surgery until she reached puberty. This did not happen. At the age of 9, in October 2016 we were told Bella had to have spine surgery. She was scheduled for January 30, 2017. Dr Mendelow performed the surgery implanting growing rods along her spine. She has done great! As a result of the surgery she was 4" taller. We were only in the hospital for 5 days and Bella had a remarkable recovery at home. She is now back in school, has returned to her therapy sessions and is doing quite well. We will return to the Shriners Hospital in a couple of months for surgery to extend the rods and to do a procedure to release the muscle tightness in her left groin.

I truly do not know what we would do without our Shriners for their continued dedication and hard work to fund the hospital for all of our children. God bless our Shriners.

## My Story

By Timothy Tompkins

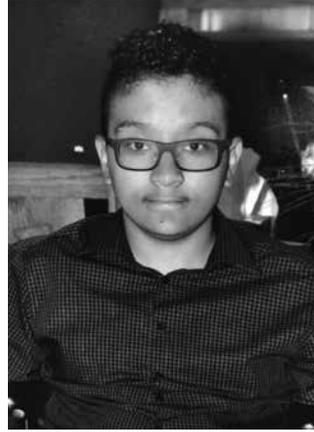

My story started when I was 6 months old, my mother started to notice something wrong with my leg. When we went for my 6-month check-up the PA we saw said, it just his bones growing and he sure nothing is wrong with my leg. Well of course over the next 4 months my mom continued to watch my leg, so when we went back for my one year old checkup she pointed it out to my doctor this time. The doctor examined me more and I was diagnosed with a genetic disorder called neurofibromatosis, and I must

be referred to an orthopedic doctor for my leg. We went to a doctor right here in Pitt County. This doctor told my mom that I had a boeing of a tibia bone and that I will have to wear a brace. This doctor told my mom that we couldn't due surgery, and we would have to wait until I broke my leg on my own to decide what we would do. My mom asked what will happen if he breaks it, and she said we will have to wait until it happens. I saw this doctor until I was 2 then we moved to Jacksonville to be closer to my dad's work. The doctor in Jacksonville referred us to Chapel Hill. The doctor there told us the something. The only thing he said different was I didn't need my brace because eventually I would break my leg. My mom asked this doctor what will happen if I break my leg, this doctor told my mom the same thing we will have to wait and see. My mom was tired of not getting any answers, so my Aunt Lucy and Uncle Tommy Brady referred us to Shriners. My first appointment was in 2003 it was like no other doctor we went to, we could tell they were all about the kids. We took x-rays which the ladies there made me feel great and I wasn't scared like I was at other doctors. Then we saw my doctor, Doctor Pete. When doctor Pete came in the first thing he did was introduce himself to me I never had a doctor do that before. Doctor Pete than told my mom that I had a boeing of the tibia bone and my fibula had a gap in it and because of this we couldn't so surgery. He also told my mom that I will have to wear a brace to protect my leg to help me not break it. My mom asked him what will happen if I break my leg, doctor Pete was straight to the point with my leg. He said If I break my leg it will be rod are amputation depending on how I break it.

I am now 17 years old and I have been a Shriners patient for 14 years and I go to Greenville South Carolina every 6 months. I haven't broken my leg and there has been no change in my leg. I have met some great people. We have always had some great drivers carry us to the doctor. I have had 2 drivers that have taken be the past couple of years and we love them like family and they are Joe Fuller and Don Davenport. I want to think all of you for what you do for us Shriners Kids.

## Ben Clark

Ben's Shiner journey began in 2004 when he was 3 years old and he is now 15 years old. Ben has spina bifida. For twelve years he has been going to Shriners Hospital and has had 4 surgeries and made over 50 trips. What a blessing the Shiner's have been to the Clark family. You and the hospital staff have addressed his health needs all these years.

The Roadrunners have been there for us anytime we needed you and provided our meals and safe transportation each time. The Roadrunners have taken us twelve times and we flew once. Thank you also to Donna Horton for always getting us hotel reservations or van drivers. One of the greatest blessings is that we have no bills to pay - "Praise God". We will never be able to thank you for the time, effort, and love you have shown us. God bless you all!

## Hope Mills Shrine Club Fish Fry

Hope Mills Shrine Club held their annual charitable fish fry on April 28, 2017 at the club. The Shrinettes provided invaluable help and support and volunteers are shown filling the bags. The work was hard, but enjoyable because of the mission of the World's Greatest Philanthropy with a donation to the hospitals to be \$7500.

## Car Sales Donation To SHC

Noble Brent Sinclair from Beaufort, NC joined Sudan Shriners in January 2017 and immediately set out helping children in need, especially Shriners Hospitals for Children and Masonic Home for Children at Oxford. Noble Brent and his Lady Tracy are the owners of Sinclair Motor's in Beaufort, NC. For every car sold they donate \$20.00 to a charity in need, especially children. The first quarter of 2017, the donations were designated to Shriners Hospitals for Children. While in Tampa on vacation, Noble Brent decided to stop at the SHC - Tampa whereupon he presented a check for \$400.00 to the hospital office manager and the lead Shiner volunteer on duty. Noble Sinclair has designated the second quarter of 2017 for charity to the Masonic Home for Children at Oxford. Noble Sinclair stated he is serious about his commitment to charity for needy children and plans to continue with this initiative. It should be noted that Lady Tracy is the President of the Carteret County Shrinettes for 2017. Great job to the Noble Brent and Lady Tracy Sinclair.

## It's Important to Use the Correct Terminology

It is important that we all work together to build a powerful brand, and one way to do so is to ensure we are consistently communicating with One Look, One Voice. Below are a few tips that will help us in that effort.

### Remember to Use Approved Statements

When referring to our organizations, please remember to use one of the official, approved boilerplates to ensure you are using accurate verbiage

**Boilerplate for Shriners International:** Shriners International, a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth, founded Shriners Hospitals for Children as its official philanthropy in 1922. What began as one hospital, is now a world-renowned health care system with 22 locations in three countries. The fraternity, which has nearly 200 chapters in several countries and thousands of clubs around the world, continues to support this unique health care system. Please visit [shrinersinternational.org](http://shrinersinternational.org) to learn more.

**Boilerplate for Shriners Hospitals for Children:** Shriners Hospitals for Children provides specialized care to children with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate, regardless of the families' ability to pay. Generally, care is provided until age 18, although, in some cases, it may be extended to age 21. All care and services are provided in a family-centered environment. For more information, please visit [shrinershospitalforchildren.org](http://shrinershospitalforchildren.org).

### A Few Other Points to Remember

Don't indicate that Shriners Hospitals for Children provides care "for free" or "at no cost."

- Remember to use the correct name for the fraternity, which is Shriners International, and to no longer use the AONMS designation.
- It's OK to use the scimitar logo, but please also consider incorporating the official Shriners International logo into your materials – the one with the fez and Shriners International text.

**Shriners International**

- Please remember that the name of our health care system is Shriners Hospitals for Children (and not Shriners Children's Hospital, for example).

## THE “RED FEZ” MAGAZINE

The Sudan Shriners “Red Fez” magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at [www.sudanshriners.com](http://www.sudanshriners.com) in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the “Red Fez”. Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!

Submit material for the “Red Fez” to Sudan Shriners, 403 E. Front St., New Bern, NC 28560. Submit material for Sudan’s website to: [sudanshriners@yahoo.com](mailto:sudanshriners@yahoo.com). Office: 252-637-5197 Fax: 252-637-9935.
