Potentate's Message

Nobles and Ladies,

It is hard to believe how quickly time passes and we are already in the 4th quarter of the year. Danette and I hope everyone had a wonderful summer and are looking forward to the fall of the year when the Shrine gets extremely busy with parades and our charitable and fraternal fundraisers.

On September 9th our one day Ceremonial was held in New Bern and we obligated 13 new candidates and received 1 associate and 4 affiliates. We would like to welcome each of you and your lady to the family of Sudan Shriners supporting the world's greatest philanthropy Shriners Hospitals for Children. I encourage each of you to stay active and join one of our great clubs or units.

Very unusual, SASA was cancelled this year due to Hurricane Irma. I will have to leave this paragraph blank.....just know your Potentate and Divan think Sudan is still the "best overall temple". We don't need a trophy to prove it either.

Our Fall Ceremonial will be held in Dunn, NC on November 17-18, 2017 and is just around the corner. We all know we will have "Fun in Dunn". Please make plans to attend. The Nobles and Ladies in Dunn are working very hard to make it a great weekend for all of you.

Please continue to support our fundraisers that help support our budget. The \$5000 cash giveaway and the golf cart fundraiser winners will be announced on November 18.

As 2017 is quickly coming to a close, your membership team is doing a great job and always focused for it to remain a top priority, thus benefitting our cause, Shriners Hospitals for Children. Our NPD's as I am writing this are at 208, the lowest since 2006. We still have a lot of work left to do. Our creations for the year are 58 and our goal is 100. Let's all work hard to bring 42 candidates to the Fall Ceremonial in Dunn, NC.

We have a wonderful temple staff and we thank you for all your hard work and dedication.

Let's Roll.....
Yours in the Faith,

Stacey Pugh
Potentate

Recorders Message

Nobles & Ladies,

Our 2017 has been a super Anniversary Year for Sudan Shriners! At the time you receive this edition we will be right on the heels of having our 2017 Fall Ceremonial in Dunn, NC. As usual, the Dunn Shrine Club has a fantastic weekend lined up. We have not had a quiet month all year and by the looks of the schedule it will be getting busier for everyone. Our 100th Anniversary Book is coming along in fairly good shape. We still have some units and clubs who have not contributed for the 100th Anniversary publication. We will be doing our final coordination immediately following the Fall Ceremonial. Morgan Printers is ready to make it a great book of memories of the last 100 years.

We are still preaching MEMBERSHIP. You will find the Imperial Potentate, Imperial Sir Gary Bergenske membership initiative with "I AM COMMITTED NOW, R U". The overall membership goal of Shriners International for new nobles for the year 2017-2018 is 12,000. Our Membership Team has worked extremely hard this year and we anticipate one of the lowest list of suspended nobles in years. We have the opportunity to get it below 50 if everyone would chip in.

This was the first year ever that the South Atlantic Shrine Association had to cancel the event. The destruction and devastation is unreal. Please keep our Masonic Brothers and their families in your prayers in those areas affected by the recent hurricanes. Sudan Shriners did have 500 Nobles registered for the event which included 34 units for the annual parade.

Fundraisers still need some help and work. We have approximately 200 Anniversary Coins available for sale. Contact any Divan member or the office if you are interested. The \$5000.00 Cash Giveaway and Golf Cart tickets will be sold right up to the night it is drawn at our Fall Ceremonial in Dunn on November 18th.

Hospital patient numbers continue to go up which means that Shriners Hospitals for Children has made a difference in the lives of many more young children. Sudan still has over 540 children within our jurisdiction receiving the treatments and care. We recently replaced our 2006 15-passenger hospital van with a 2016 15-passenger van thanks to the hard work of many nobles and contributions to the Transportation Fund.

Hopefully we are providing more Public Relations information to your clubs and units as we receive it from the various hospitals and Shriners International. Speaking of Public Relations, we will be gearing up for the upcoming 2017 Christmas season with our units participating, pleasing the crowds and spreading the word of what we as Masons/Shriners are about and our Shriners Hospitals for Children. Be safe in your travels!

As always, thanks to each of you for what you do with the many sacrifices you make for this fraternity. Let's offer some extra prayers and thoughts for the sick, distressed and the many victims of the recent hurricanes. God Bless!

Yours in Faith,

George Raecher, Recorder

143rd Annual Session of Shriners International

The 143rd Annual Session of Shriners International was held in Daytona Beach, Florida over the dates of July 9-12, 2017. Thousands of Shriners, their families and friends from around the world gathered for the purposes of conducting business and sharing brotherly love and friendship for the oldest philanthropy in the world. Imperial Sir Gary Berken-ske from Bahia Shriners was elected as the Imperial Potentate for the 2017-2018 term. An action packed week with outstanding weather conditions made the session most enjoyable. There were fifty (50) items on the call for the representatives to assess and rule on. The annual parade was conducted with Sudan being represented by the always popular and famous Sudan Horse Patrol from Wilson. Another dedicated Shriner from Sudan made an outstanding effort to participate in the parade. That was Capt. Eric Pate, a noble from the Carteret County Shrine Club and Sudan Mariner. Noble Eric and his lady made the long trip to the event only to be confronted with vehicle problems on the way. He arrived late for entry into the parade and was denied participation. During the last day of formal business session, Sudan was recognized for its Red Fez Magazine, Honorable Mention in the annual Dromedary Awards competition where nearly 200 Shrine Centers compete. This was third time in five years (2013, 2015, and 2017) the Red Fez has been a winner. Three Sudan Shriners were appointed to various committees. Illustrious Sir Stacey Pugh was appointed as an Aide to the Imperial Outer Guard; PP Steve Norris was re-appointed as the Chairman for the Southeast Region 8, Membership Committee, and Recorder Emeritus Noble Benny Smith was appointed to the Imperial Potentates Aide Committee.

Hillbilly Reunion 5

It sho nuf rained on this year's Hillbilly Reunion. But you know what, it wernt bad. We got some of our degree work done by mid-morning, the rain came in and moved on out. We had enough shelter that the Cuzzins didn't get too wet. Then we went on completed the remainder of our degree work. After the rain, ole Lake Waccamaw was smooth as glass.

It was a good year for degree work. We made nine new Hillbillies, six new Hillbilly Gals, three new Turtles and twelve new Master Hillbillies. Shucks, we even had two more members of the Sudan Divan become Master Hillbillies. They're good fellas.

For lunch, we had some mighty good vitals. After everybody ate, we were treated to a live Blue Grass concert. Them boys did a mighty fine job with their pickin. When the concert was over we loaded up on pontoon boats and cruised around the lake. I'm always impressed by the way this group is so congenial when they are together. It doesn't matter what Temple, Club or State. There is always a lot of chatter and everyone has a good time.

Go ahead and mark your calendars for next year. We always hole the Hillbilly Reunion on the last Saturday in July and all Hillbillies are welcome.

Ya'll come see us!

Dinner With Grand Master

The photo above shows the Sudan Shriners Divan members and their ladies with the Most Worshipful Grand Master of Masons of North Carolina and his lady in Daytona Beach at the One Hundred Forty-Third Annual Session of Shriners International. A great night of Masonic fellowship was shared by all. Sudan served as host for the annual dinner event with the Grand Master. Nobles from Amran and Oasis Shriners also attended the event.

Imperial Sir Gary Bergenske called all Shriners to action at Imperial Session, establishing a goal of 12,000 new Nobles to be created before Imperial Session 2018!

Help make this goal a reality!

Roanoke Valley Shrine Club - Poker Run

Roanoke Valley Shrine Club's Poker Run was a big success, considering it was their first year. Over 30 riders and more than 50 card players took part in the fun. Ledonna Hitt of Rocky Mount won the poker run with three 6's and an ace and Jason Cotton of Lake Gaston won the 50/50 drawing. Ledonna wasn't there so her husband Richard (President Rocky Mount Shrine Club) stood in for her.

Sudan Camping Club

Some of the Sudan Camping Club attended the Sudan Wrecking Crew Reverse Drawing held on June 24, 2017. We spent the weekend sharing food, fellowship and fun and assisted Crew with drawing. There is room for more and can make a small rally for those that can dry camp. We could even play a lil baseball on Friday afternoon! Just ask those that attended – we had a wonderful time. Closed out weekend with breakfast and eye openers provided by the Crew and food prepared by Chef Charles Davis.

The Story Behind the Shoe

Serena Grace Chape

My daughter Serena "Grace" Chape was diagnosed with cerebral palsy when she was a year old. We were put in touch with Shriners Hospitals for Children as soon as the diagnosis was made.

Grace has moderate spastic hemiplegia cerebral palsy and it affects the left side of her body, her speech, left arm and left leg. Grace did not speak until she was five-years old and she did

not walk until she was three-years old. She was two-years old before she could sit up by herself and has had seven surgeries at Shriner Hospitals for Children and countless therapies.

I honestly do not know what we would have done without Shriner Hospital for Children. The level of care and understanding they have given her is above and beyond any other hospital I have ever been too and Grace has been seen at other Hospitals for second opinions. The physicians even referred me back to Shriner Hospital. There are no words that can adequately express my appreciation and love for the Shriners from the hospital and staff, to the drivers who transport Grace and myself to all her appointments. We will forever be grateful and humbled by the care and love shown to us.

Anything Grace has needed equipment or braces the Shriners have always provided. If any therapy or help was needed getting these services, the Shriner have always gone above and beyond the call of duty to help her. They have changed my daughter's life, and given us hope when we had none.

Shriner's Hospital is what all hospitals should strive to be.

Thank you and God bless,
Rebecca Chape

"Action Jackson"

2007 summer vacation took Jackson and family to Po Folks in Panama City, Florida, to eat supper with his great grandfather, Bill Clanton, Past Potentate of Shaddai Shriners. Jackson reached for a sip of sweet tea from Bill's glass and upon standing, Bill proclaimed the baby's feet didn't look quite right and encouraged his mother to take him to Shriners Hospitals for Children in Green-

ville, SC.

That first evaluation was a starting point for a now ten-year journey. Jackson was in constant pain and reverted back to crawling and scooting instead of walking. Jackson wore ankle foot orthotics (AFO) for several years and Dr. Gibson, recommended surgical intervention to add the missing bone and tighten tendons. Jackson had each foot and leg corrected during a two-year period and spent 12 weeks non-weight bearing, twice. He was a master in the wheelchair and gained upper body power by scooting across the floor.

Sudan Road Runners provided transportation to and from the hospitals. When he became school age, Angel Medical Flight stepped in and flew him back and forth. He missed very little school and none of the cost was felt by his mother. All of the Shriners were very kind and took him to eat gluten free at Red Robin which was always a special treat.

Jackson is a happy young man of ten years living on the family farm and surrounded by love and support he has flourished. He enjoys driving his new go-cart and his cousins are still very much at his side. He is in fourth grade at his school in Aurora, NC where he is affectionately known as "Action Jackson".

Omarion Drake

Hi, my name is Charita Cherry and three years ago three of my kids and their dad were in a house fire. My two daughters Angel age 13 and Aaliyah age 12 was killed in the fire but their dad survived although he was burned. My son Omarion age eight was badly burned and he was flown from Ahoskie, NC to Shriners Hospitals for Children in Cincinnati, Ohio.

From day one when the fire happened until now Shriners have been awesome! I wasn't able to be by Omarion's side at first because I had to bury my two daughters but they kept me posted every step of the way and his privacy was protected. When it was time for me to go Sudan's Transportation vans transported me. They took good care of me and my son and I didn't have to worry about anything. Any questions I had were answered to where I understood everything. I would definitely recommend them if anyone wants the best care for their child.

As for my son, Omarion, he's back to his normal self and you can hardly tell how badly he was burned. Shriners Hospitals for Children has given him his confidence back and taught him not to be ashamed of his scars. They told him that he's the same person inside but his skin is just a little different.

When Omarion returned home the Shriners came all the way from Cincinnati, Ohio to Ahoskie, NC to talk with all the children and adults at school about his situation. They told them about the garments he would wear and answered questions so that he wouldn't be bothered with a lot of questions.

I want to say from the bottom of my heart as well as my families heart THANK ALL OF YOU at SHRINERS!

Jesse Lu Sykes

My name is Jesse Lu Sykes, and I am currently 26 years-old. I was born prematurely on Sunday January 27, 1991 weighing in at one pound and 14 ounces. As my mom Donna wrote in a 2008 article for the Sudan Shriners Newspaper, two miracles happened the day I was born: the NY Giants won the Super bowl and I defied the odds of

survival since the medical staff caring for me believed I would not make it. Defying the odds has become a common theme of my life it seems.

Shortly after my birth I was diagnosed with cerebral palsy and received my first walker at the age of two. Since then, I have used a walker throughout my life. I was referred to Shriners Hospitals for Children by my school therapist at the age of eight and had many doctors' appointments until I was released at age 21. I received phenomenal care while I was a Shriners Kid - Botox muscle injections, new foot braces, physical therapy, x-rays and above all life changing surgeries. In 2007 the femur and tibia of my left leg and the tibia in my right leg were cut and rotated to correct my bone structure and improve my walking. I was in leg casts for six weeks and the finished results showed that my right leg was 100% straight and my left was 90% straight. In 2009 they operated again to remove the hardware from my first surgery and to finish straightening my left leg and the surgery was successful.

While all of this was happening, I was enrolled in Nash-Rocky Mount Early College. This rigorous program is five-years long and each student receives a high school diploma and a two-year degree upon graduation. Many did not think I would finish on time, however, I defied the odds set before me yet again. Not only did I finish on time, but I was the valedictorian of both my high school and community college classes. This achievement remains as one of my proudest accomplishments.

After graduation, I set off for college at UNC-Chapel Hill, more affectionately known as Carolina. I thought things would be okay since my mobility was much better and my mom was going to help me settle in. Sadly,

Continued on page 14

it did not work out as planned since my mother passed away on my first night at UNC. Due to this devastation, I was faced with staggering odds that I would not be able to finish what I had started but I persevered mainly because I knew that was what my mom would have wanted. I graduated with my bachelor's degree in psychology and the knowledge I could do anything I set my mind to. Near the end of college, I applied to graduate school at UNC and I proudly graduated from UNC in May 2017 with my Masters of Science degree.

When I visited Shriners Hospitals for Children in Greenville, SC many years ago, there was a banner over the big fountain that read "Helping Kids Defy the Odds," and that is exactly what Shriners do. I cannot say thank you enough. Their care provided me with increased independence, confidence, and above all love while I was a Shriners Kid. I would not be where I am today without the Shriners and the good work that they do. Anything is possible. Shriners Kids can continue to defy the odds too as long as they never give up. I'm proof of that.

Marley Wiseman's Story

On June 9, 2017 Marley Wiseman got out of her wheelchair and walked across the stage to receive her diploma at First Flight High School in Nags Head, NC.

Marley & her twin sister Sydney, were born May 25, 1999 at King's Daughters Children's Hospital in Norfolk Virginia. Marley had 14 fractures from the delivery and within a few hours she was diagnosed with Osteogenesis Imperfecta (OI-Brittle Bone Disease). At that time her prognosis was frightening to her family as they said she would probably never sit up, let alone walk.

Soon the family was referred to Sudan Shrine Center. Within weeks, Marley began 17 years of treatment at the Shriners Hospital for Children in Montreal, Canada that specializes in orthopedics and in particular the study of OI. Sudan arranged transportation, including several "Angel Flights" and provided lodging for Marley in Montreal. She had to go every four months to receive IV treatments to help increase the density of her bones.

Over 17 years Marley had 25 fractures. She has had many surgeries at Shriners Hospitals for Children in Montreal to insert rods in her legs, properly align her hips and eventually she had spinal fusion. During her long stays at the hospital they had a school teacher who arranged daily computer interaction with her classes in Nags Head.

The hospital also arranged for Marley to see a dental specialist who treated OI patients for soft teeth. Like most teenagers she is proud of her smile after her dental braces.

Summer 2017 she drove to work at an OBX surf shop in a car with adaptive controls and wheelchair lift. It is her cool car!

In September she started studying Professional Esthetics at the American Spirit Institute in Williamsburg, Virginia. In 2012 Marley was crowned Queen of the Shrine Bowl of the Carolinas but today is just an ordinary day for a very happy, grateful teenager, patient and friend to all Shriners.

Thank you.
Marley and family

SHRINE FUNDRAISING

Policies & Procedures Shrine Fundraising

INTRODUCTION

Because Shriners have been the driving force behind Shriners Hospitals for Children, it has become natural to associate the Fez with this charity. However, the Shrine of North America and Shriners Hospitals are separate and distinct legal corporations.

Shriners Hospitals for Children is incorporated in the state of Colorado, and it operates 22 hospitals. Its purpose is to provide medical care to children with disabilities without regard to race, creed, sect or nationality. This is the Charitable corporation.

The Shrine of North America is incorporated in the state of Iowa, and it presently has 195 unincorporated fraternal associations in Canada, Mexico, the United States and Republic of Panama. We know them as Shrine Temples. This is the Fraternal corporation.

A study done by Shriners International Headquarters found that Shrine Temples conduct more than 2,000 fundraising activities annually. Many of these fundraisers are strictly for the Temples – and this is perfectly acceptable. Other fundraising activities are for the benefit of Shriners Hospitals for Children – and this is also perfectly acceptable.

However, the individual purchasing a ticket, product, etc., or the donor, should be advised, in advance, how the proceeds will be used. This pamphlet is intended to provide guidance to the Temples, units, clubs and Nobles in their fundraising activities so there can be no criticism directed at them that the solicitation did not conform to the requirements of the law or was deceptive or misleading.

TYPES OF FUNDRAISERS

There are two types of Shrine fundraisers – Charitable and Fraternal.

CHARITABLE FUNDRAISERS – Where 100 percent of the net proceeds benefit Shriners Hospitals for Children.

FRATERNAL FUNDRAISERS – Where the net proceeds benefit the Temple, which in turn may distribute them as it sees fit. For example, profits may be disbursed to the Temple general fund, a building fund, to clubs and/or units, to Shriners Hospitals for Children, to local community or Masonic related projects (DeMolay, Masonic Home, etc.) or any combination thereof.

PROCEDURES THAT APPLY TO ALL SHRINE FUNDRAISING ACTIVITIES

All fundraising must comply with the law of the land; that is, the law of the jurisdiction where the activity takes place. This includes national, state or province, and local laws.

The use of the name Shriners Hospitals is governed by §503.10 of the bylaws of Shriners Hospitals.

All fundraising is governed by General Orders as may be issued on that subject by the Imperial Potentate.

Insurance. Your attention is particularly called to that portion of the existing General Order #1 pertaining to insurance. Strict compliance is required. All contracts must be reviewed and approved by the Temple Potentate after receiving the advice of the Temple attorney.

All fundraising promotional materials (including Temple publications) must include a statement indicating the major entity benefited by the funds [Statement of Purpose].

STATEMENTS OF PURPOSE

All fundraising promotional materials must contain a STATEMENT OF PURPOSE. Below are examples for each type of fundraising activity.

FOR CHARITABLE FUNDRAISERS:

“Net proceeds from this (activity, event, etc.) are for the benefit of Shriners Hospitals for Children.”

FOR FRATERNAL FUNDRAISERS:

“Net proceeds from this (activity, event, etc.) are for the benefit of XYZ Temple/Unit/Shrine Club.”

DISCLOSURE (for Fraternal fundraisers) “Payments are not deductible as charitable contributions.”

NOTE: All *fraternal* fundraising materials must include both the statement of purpose and disclosure.

CHARITABLE FUNDRAISERS

It should be emphasized at this point that a Noble (in his capacity as a Shriner), a Shrine Temple/club/unit, an organization of Nobles, or affiliated/appendant corporations SHALL NOT engage in any charitable fundraising effort other than for the benefit of Shriners Hospitals for Children.

When a decision is made to conduct a charitable fundraiser, the responsible Noble (club/unit president, committee chairman, etc...) must submit a written request to the Temple Potentate having jurisdiction thereof. If he approves, the Potentate must then obtain the written consent of the Imperial Potentate and Chairman of the Board of Trustees. This request shall be sent to the Executive Vice President – Imperial Council, Shriners International Headquarters, P.O. Box 31356, Tampa, Florida 33631-3356. Final approval for a charitable fundraising activity is effective upon the Temple's receipt of a Charity Activity Form. If a request is denied by the Imperial Potentate and Chairman of the Board of Trustees, the Temple Potentate will receive a full explanation in writing.

One hundred percent of the net proceeds from charitable fundraisers must be given to Shriners Hospitals for Children.

Expenses for operating the event must be actual, and no labor charges can be made for volunteer work by Shriners and/or their families.

Under certain conditions, existing General Orders allow the use of a portion of funds raised for the hospitals to be used for patient transportation.

All solicitation materials, tickets, programs and documents must include factual information (Statement of Purpose) regarding use of the proceeds.

Information about our hospitals (obtainable from the Imperial Public Relations Department), such as patient success stories, facts and figures, photos or other appropriate material, may be used in programs for **charitable** fundraisers.

The Temple shall report the results of each charitable fundraising activity within 60 days of the activity to Shriners Hospitals for Children on the Charity Activity Form provided to the Temple. A Temple that fails to remit the net proceeds within 60 days of the activity shall be assessed interest retroactive to the date of the activity.

The Temple shall maintain detailed financial records of all fundraising activities involving Nobles, clubs, units, organizations of Nobles or affiliated / appendant corporations for a period of seven years. Details of all revenues and disbursements shall be maintained in such financial records.

State Solicitation Laws: Some states have solicitation laws that may require Shrine compliance. Temples must have their attorney review such laws. By way of example, the State of Florida requires that the following statement be included in all printed solicitation materials, receipts, written confirmation, or reminders of contributions soliciting charitable contributions for Shriners Hospitals. The statement must be conspicuously displayed in all capital letters.

Sudan Needs A Marching Band

It has been a few years but the Sudan Shriners used to have the sharpest Marching Band in all Shrinedom. Are there any nobles out there that believe this might be another way to attract a certain group to form and enjoy yet another unit? If you have a trombone, trumpet, sax, cymbals or clarinet, snare drum or whatever, get it out put your Fez on and let's march!

CHILDREN AT OXFORD
Growing hearts together

Dear Worshipful Master and Brethren:

Your Masonic Home for Children at Oxford is inviting you, your family, and friends to join us for a wonderful celebration of fellowship, food, and fun at North Carolina's first home for Children. Over the past six years this gathering of Masons, Alumni, friends, and neighbors around the state and country has grown to become a truly special and memorable weekend. Bringing together those that have brought this 144 year-old Home to its prominence today is a testament to the support and success of the past and the promise of the future. Our 7th Annual Masonic Homecoming Festival is an important part of that future.

In 2015, we saw our crowds, our participation and our enjoyment swell to nearly 3,500 visitors for the weekend. Hurricane Matthew was not kind to us in 2016 as we had to scale the event back to a few activities that were held indoors, with the exception of some dedicated and brave cook teams who participated in the BBQ contest, providing delicious food for the guest in attendance. ***We are looking forward to getting the celebration back on track in 2017 and want you, your Lodge, and your families to be a part of it! Please plan to join your Masonic Home for Children in Oxford, this fall, for the 7th Annual Masonic Homecoming Festival, October 13-15, 2017.*** We ask that you announce this celebration of Masonry frequently throughout the year and make it part of your Lodge's calendar of events in 2017. This celebration of North Carolina's first Home for children honors those who have lived here and those who have made it possible – you, our Masons. The weekend kicks off Friday Night with a Yard party featuring music from Tim Cifers. Join us again on Saturday to enjoy the state's best Shrine parade, dance to the music of Jim Quick & Coastline while enjoying delicious BBQ and chicken on campus, courtesy of our cooking teams or participate as your own BBQ Team. While at your Home, celebrate our Masonic history of charity and visit the Oxford Orphanage/MHCO museum and archives, take a tour of the children's cottages, and the School of Graphic Arts. ***Make this a weekend trip, promoting fellowship for your Lodge and support of our Masonic Home for Children at Oxford.***

It's Important to Use the Correct Terminology

It is important that we all work together to build a powerful brand, and one way to do so is to ensure we are consistently communicating with One Look, One Voice. Below are a few tips that will help us in that effort.

Remember to Use Approved Statements

When referring to our organizations, please remember to use one of the official, approved boilerplates to ensure you are using accurate verbiage

Boilerplate for Shriners International: Shriners International, a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth, founded Shriners Hospitals for Children as its official philanthropy in 1922. What began as one hospital, is now a world-renowned health care system with 22 locations in three countries. The fraternity, which has nearly 200 chapters in several countries and thousands of clubs around the world, continues to support this unique health care system. Please visit shrinersinternational.org to learn more.

Boilerplate for Shriners Hospitals for Children: Shriners Hospitals for Children provides specialized care to children with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate, regardless of the families' ability to pay. Generally, care is provided until age 18, although, in some cases, it may be extended to age 21. All care and services are provided in a family-centered environment. For more information, please visit shrinershospitalsforchildren.org.

A Few Other Points to Remember

Don't indicate that Shriners Hospitals for Children provides care "for free" or "at no cost."

- Remember to use the correct name for the fraternity, which is Shriners International, and to no longer use the AAONMS designation.
- It's OK to use the scimitar logo, but please also consider incorporating the official Shriners International logo into your materials – the one with the fez and Shriners International text.

Shriners International

- Please remember that the name of our health care system is Shriners Hospitals for Children (and not Shriners Children's Hospital, for example).

News from Cincinnati

Meet Max!

When Max was born on September 22, 2012, Becky remembers seeing the faces of the delivery staff and knew something wasn't right. Then she heard the doctor say, "Baby boy has a cleft lip." After that everything was so rushed; they had to transfer him to another Florida hospital more equipped to handle his serious condition.

Becky and her husband, Hunter, spent time learning about cleft lip and palate while Max was in the hospital; when he came home later that month, they educated friends and family about his condition.

In February of 2013, Max had surgery to correct his cleft lip. Though the surgery went well, "the stress and financial burden it placed on our family made our anxiety even worse," Becky said. They joined a support group to stay educated and make friends who understood what they were going through. It was there where they learned about Shriners Hospital for Children® — Cincinnati.

Shortly after reaching out to Cincinnati Shriners Hospital, Becky received a call back and felt a huge weight lift from her shoulders. "They told me what Shriners does and how they can help our family," Becky recalled. From the moment she and Max arrived for their first appointment at Cincinnati Shriners Hospital, Becky knew this was where they belonged. "It didn't feel like we were just being cycled through a system," she said. "Everyone was great, from security to the doctors, nurses and even the cafeteria staff."

They met with Dr. Brian Pan, who created a plan for Max's continued care, including surgery to repair his cleft palate. Becky immediately knew she could trust him. "During this process we've met a lot of doctors," she said. "Dr. Pan is the most genuine and caring doctor we have encountered."

Max will continue to visit Cincinnati Shriners Hospital for treatment as he grows. "The care that they provide at Shriners Hospital for Children — Cincinnati is fantastic, for Max and all the children. It's just an amazing organization."

Shriners Play a Big Role in Referrals

When it comes to finding medical help for children, Shriners are now more important than ever. Members of the fraternity have always played a critical role in helping families in their communities get connected with Shriners Hospitals for Children — Cincinnati, and now it has become even easier with a website and referral cards.

Website

Shriners Hospitals for Children — Cincinnati continues to make referring a patient and obtaining an appointment for care easier than ever through the **www.shrinershospitalcincinnati.org** website.

Referral Cards

Referral cards are also a great resource that Nobles can use. These cards allow families easy access to hospital information and services. The cards provide hospital contact information to assist in scheduling appointments. On the back of each card is space for the Shriner's name and Temple. Please stop by the Business Development office to pick cards up, or call 513-872-6391 to have them mailed to your Temple.

Sudan Shriners of New Bern, NC
Website: www.sudanshriners.com

THE "RED FEZ" MAGAZINE

The Sudan Shriners "Red Fez" magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at www.sudanshriners.com in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the "Red Fez". Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!
