Potentate's Message

Nobles and Ladies,

It is indeed a distinct honor and privilege for me to have been installed as the 101st Potentate of Sudan Shriners. It has been a great journey for Lady Becky and myself since our appointment in 2009 and we are extremely excited for the opportunity to serve in 2018.

Our Winter Ceremonial was a tremendous success especially

due to unseasonal sixty degree weather and sunny skies that greeted us for our parade on Saturday and provided one of the largest crowds ever to witness a parade in New Bern, NC. Another "win" for Sudan was the creation of forty six new nobles and four affiliates. In the last two ceremonies, we have created eighty nine new nobles which, makes a statement to Sudan's focus on new membership and retention. Our Moslem Feast was also one of the largest ever and I would like to extend special "kudos" to our Sudan Chef Crew for an outstanding feed. Our 2nd Section provided great entertainment for the nobility and the new candidates with our Wrecking Crew making a memorable presentation for all. On Saturday night we officially installed the new Divan and Potentate as well as welcoming many dignitaries. I believe that the highlight for the evening was the fact that we had in attendance two new Sudan Shriners (Tyler Jones and Brian Nobles) who were previous patients of Shriners Hospitals for Children from our area and decided to give back to the philanthropy which changes their lives. The entertainment by The Embers featuring Craig Woolard culminated an awesome weekend as "the crowd" was still having fun at the end.

In attendance was the Most Worshipful Grand Master, Speed Hallman and his Lady Susan as well as four Past Grand Masters of North Carolina. Lady Becky and I were also honored to have our friends and counterpart Potentates attending from Khedive, Acca, Oasis and Amran.

Lady Becky and I would like to thank the members, ladies and friends from Wilson County for their dedicated work from months of preparation in making this a very successful weekend. There were many others who helped contribute and we are appreciative to all. Special thanks to the New Bern Shrine Club for their support and making everyone feel at home. I would also like to thank Past Potentate, Illustrious Sir Aubrey Nichols for his appointment of me in 2009 and for being my installing officer. Congratulations to Chris and Lou Ann Boykin for his appointment of Outer Guard.

Our mission this year is the continuation of membership and retention which, has had a positive effect in the past few

years. Our Divan made a commitment several years ago to "change" some of our methods and ideas which, is producing a very positive outcome. Our NPD's currently as compared to one year ago are significantly down and we continue to strive for more success. I would like to commend Jonathan Johnson and the Membership Team for their dedicated work and relentless pursuit of improving and growing our ranks. Our recent Leadership Seminar in New Bern, NC was well attended and the presenters provided excellent information to the new club and unit officers. A special thanks to New Bern Shrine Club for hosting and the Chef Crew for preparing lunch.

Our May Ceremony will be held at Atlantic Beach, NC on the "first weekend" in May and the DoubleTree Hotel will be the headquarters. We look forward to returning to the beach and having more new members cross the sands.

Our theme this year "BRIGHTEN THEIR DREAMS IN 2018" and Lady Becky's charm the "sun" exemplify and portray the brightness and warmth of the sun while making our kids dreams become realities. Please join with me in supporting Sudan, our philanthropy and our kids in making 2018 special.

Yours in the Faith,

Teeny Jones

Recorders Message

Nobles & Ladies,

Let's all recognize the 100th Sudan Anniversary Celebration as a year that was an exceptionally awesome year! We thank Illustrious Sir Stacey Pugh and Lady Danette for their hard work. We have already set a fast pace for 2018 starting for our 101st year with Illustrious Sir Edwin "Teeny" Jones and Lady Becky at the helm.

The Sudan Auditorium was filled to capacity on Friday and Saturday night at the 2018 Winter Ceremonial. There is an article in this edition on our guests, which included a record for attendance of Past Potentates, Potentates from other temples, and Past Grand Masters and the 2018 Grand Master. Great job to everyone from the Wilson Shrine Club who worked and contributed at the 2018 Winter Ceremonial. The entire weekend was well planned and orchestrated.

Our annual Candy Sales fundraiser is in full swing with initial reports that a lot of the candy has already been sold. The Golf Cart and Trailer Giveaway fundraiser will require all our clubs and units to make this work. Please make reservations for having the golf cart and trailer at a civic event or fish fry in your area. You can contact Sharon at the office or Noble Coble Wilson for those reservations.

The 2018 Leadership Seminar on February 17 was well attended. By looking around the room, we had a lot of new Shriners which indicates a great possibility for new ideas and involvement from our younger nobles and ladies.

As you will see in this issue we will continue with the patient stories of active and former patients from our Shriners Hospitals for Children. We have discovered over the past couple years that we have several Shriners who were shrine patients and given the "Love to the Rescue" treatment and had positive changes in their lives. Check out our cover and these nobles stories.

Please look on the inside back cover for our new insurance carrier, Bembridge Insurance Agencies Inc. There is a note on their contact information on that page.

Keep the photos and articles coming for your Red Fez magazine. We do need some more ads/sponsors to increase the number of pages and get you more information on what is going on!

As always, attend your Blue Lodge! Keep our sick and distressed in your prayers. Thanks to all for what you do. God Bless.

Yours in the Faith,

George L. Raecher

Edwin "Teeny" Jones

Illustrious Sir Edwin "Teeny"

Jones was born on September 6, 1950 in Washington, NC and was the son of the late Edwin R. Jones, Sr. and Zella J. Jones. His father and grandfather were very active members of Orr Lodge in Washington and his mother was a member of the Eastern Star. While growing up in Washington he was very involved in sports, lettering and receiving conference awards. Illustrious Sir Jones was also very active in the Boy Scouts

and achieved the rank of Eagle Scout as well as earning the coveted God and Country Award. In addition, he was also selected to be a member of the prestigious Order of the Arrow and was also selected to represent North Carolina in the first World Jamboree held in the United States.

Illustrious Sir "Teeny" recently retired from Eagle Transport Corp. after thirty two years of service, serving as the Vice President of Marketing and Sales. He and his wife Rebecca (Becky) currently reside in Wilson, NC and have two married daughters. They are Tara Brown (Jeff) and grandson Noah, Courtney Price (Ryan-Sudan member) and granddaughter Carson. They attend Milbournie Free Will Baptist Church in Wilson, NC.

Illustrious Sir was raised to the degree of Master Mason on May 9, 2000 at Wilson Lodge 712 in Wilson, NC. He then became a member of the York Rite Bodies on May 13, 2000 and crossed the sands to becoming a Shriner on May 22, 2000 in Greenville, NC. He then joined the Wilson County Shrine Club where he has held numerous positions including house committee, board of directors, second and first VP, president, golf tournament chairman, fish fry chairman and cow pie chairman.

He has been an active member of the Sudan Monster Trucks serving on the board, vice commander and commander for two terms. He is also an honorary member of the Sudan Horse Patrol and a member of International Horse patrol. On October 22, 2005, "Teeny" became a member of New Bern Court #145 Royal Order of Jesters.

During his tenure of nine years on the Divan, he has been extremely active serving as an area governor for five years, participating on many committees including building, insurance, and membership. Illustrious Sir "Teeny" is extremely excited and encouraged by our membership turn around in the past two years as well as a substantial decline in NPD's. It appears that through diligent work by a group of dedicated Divan members and new committee members we are "making a difference". Let's not ever forget our philanthropy that is dear to all of us and continue to support the Shrine and Shriners Hospitals for Children.

Wood Carved Pin Presentations

Past Potentate Jerry Tillett has for the last several years presented our Sudan Potentates a wood carved replica of their "Potentate Pins". Again in 2018, Illustrious Sir Tillett made his presentation to 2017 Potentate Stacey Pugh and 2018 Potentate Teeny Jones at the Saturday morning Stated Meeting during the installation. The hand carvings are precise in nature on one piece of wood, detailed and lettered with perfection.

Sampson County Shrine Club Service Awards

Sampson County Shrine Club started out our Service Awards presentations for 2018. Three nobles were presented their awards at the February monthly meeting on February 13th. A great meal was served to a full house. Second Ceremonial Master Randy Simpson presented 25-year service awards to Nobles Junious A. Reeves and Robert G. Strickland. A fifty-year Shriners International Service Award was then presented to Noble Robert Vann. Illustrious Sir Teeny Jones assisted with the presentations and thanked each noble for their dedicated service. He then provided his 2018 plans and agenda to the nobility present at the meeting. There were 7 Divan members and their ladies present for the meeting.

I AM R U GOALS MEMBERSHIP INITIATIVE

A new initiative was established at the 2017 Shriners International Imperial Session (annual meeting) in Orlando, Florida last July 2017. As usual, the membership issues were discussed at which time the I AM R U for membership was initiated. Each temple was tasked to increase their membership whereby Sudan's number was set at 118 to run from July 2017 to July 2018 when the next imperial session is conducted.

Sudan membership committee jumped on this from the start. Noble Jonathan Johnson has provided suggestions and directions on what we need to do to reach and exceed our goals!

As stated, we have to get 118 new nobles to reach our goal. We had 58 new nobles from 2017 and 46 new nobles from our recent 2018 Winter Ceremonial giving us a 104 of the 118 needed. We also have over 20 petitions for our upcoming Spring Ceremonial, May 4-5 at Atlantic Beach, which will give us the needed numbers to reach and exceed our goals for the Imperial Initiative.

We plan a 101% effort again this year for Sudan membership. We have our membership team identified with a noble assigned to each area to work with the clubs, units and Divan member assigned to that area. We are going to work on not only new members but on restorations. Our newly elected Potentate, Illustrious Sir Teeny Jones set his membership number at 110 for 2018. We can reach that goal as well with the continued hard work and all of us focusing on Membership. If you would like to help with this membership effort or have any questions, please contact Noble Jonathan Johnson at MasonicSudanMan@aol.com.

Brighten Their Dreams in 2018

Rusty & Bobbie Robbins

We started going to Shriners Hospital for Children at Greenville, SC in 2008. Rusty and Bobby were 10 years old.

Bobby had his first surgery on October 15, 2009 done by Dr. David's. He had to wear cast for 6 weeks on his legs with no weight bearing. He had to go for cast stretching every week. This was terrifying to him. He was scared of the little saw blade. When his cast was removed he had to be admitted for inpatient physical therapy. Bobby was scared again. He did not want to put weight on

his legs it was a funny feeling to him. Mainly we think it was a mind thing.

Bobby had his second surgery on July 30, 2013 done by Dr. Westberry. Dr. Westberry put rods and screws in his legs and ankles. He did not have to have cast this time. He had to wear knee immobilizers on his legs for 6 weeks with no weight bearing. After the 6 weeks he was admitted for inpatient therapy for a week.

Bobby had his third surgery on February 5, 2015 done by Dr. Westberry. This surgery was to remove his hardware that was placed in 2013. He got to keep the rods and screws that were removed.

Bobby continued to see Dr. Westberry yearly from 2014-2018. During his last visit with Dr. Westberry on January 22, 2018 he was told that he had aged out of Shriner's. Dr. Westberry told Bobby he was doing a good job and to keep up the good work. He also told him to stay active and not gain weight cause his ankles are weak and will not be able to hold up the weight.

Rusty was seen a couple of times at Shriner's. Rusty is not ambulatory so Shriner's could not do any surgeries for him. They did do x-rays and braces for his legs for a while.

We would like to thank Shriner's hospitals for Children for all they did for Bobby and Rusty. If Bobby had not gone to Shriner's we don't know how he would be today. Before he went there he walked with a crouch. They said he probably would have gone backwards and ended up in a wheelchair.

Thank you Dr. David's and Dr. Westberry for everything you did. Thank you to all the nurses and staff and everyone made us feel welcome. Thank you to all the Shriners who help children.

Thank you to Donna Horton for all your help through the years.

Ashley Brown

Ashley was born in 2012 and she crawled/walked later than other children with difficulty even though she tried not to let it slow her down. She was active in soccer and she loves to draw. In 2009-2010, after multiple doctor visits she visited the Shriners Hospital in Greenville, SC. Dr. Westbury and his team were wonderful! After several tests, exams, and a complete work-up they determined she had diplegic cerebral palsy.

From 2010-2015 Ashley underwent several treatment options including braces, botox injections, night splints, etc. Nevertheless, surgery was decided in the end; due to the increased pain Ashley was suffering from and her diagnosis had been upgraded to tri-plegic cerebral palsy. In December 2015, Ashley was admitted into the Shriner hospital for a week to undergo surgery on both legs. She had to wear a cast on both legs for about 1 ½ months. She then upgraded to braces and with the help of a walker and then canes could walk. All through the process she remained upbeat and happy. In December 2016 she once again had to undergo surgery to remove the plates in her right leg. Ashley is now a freshman at West Craven High School in Vanceboro, NC and you can never tell by looking at her all that she has gone through. We would like thank the Shriners, the road runners, the doctors, and all of the other helpers that have helped us with the process of getting Ashley to the point she is at now! THANK YOU!

Linwood Tyler Jones

Noble Linwood Tyler Jones history with the Sudan Shriners dates back to 1996 when he was born with polysyndactyly. Polysyndactyly was in his hands and feet where two fingers on each hand were webbed together by skin and webbing on my toes.

"I do not remember the exact circumstances but I do remember the stories that I have been told by my family. My time with the Shriners and the Shriners Hospital in Greenville South Carolina began with my sponsorship by my Grandfather Doug Furgason and a several other men. After my surgery I remember the years that followed where I would go once a year to the hospital for a checkup as I continued to grow. I was thinking about having another surgery to fix my feet but found no reason to because it did not limit me in any way. When I reached the age of nine years old I quit receiving the yearly checkups because everything seemed to be going well with no complications. I can't thank the people enough that helped me because they have made my life a little easier and I feel that there is no way in this world I could ever repay them. I do remember at a young age participating in the annual Shriners parade in New Bern riding on the Shriners child float with the other shrine patients."

"In 2017, I joined the world's greatest fraternities. In July of 2017, I became a Master Mason in Zion AF & AM, Masonic Lodge #81. Now that I have accomplished that, I want to be where it all began so that I can give and help just as many before had done for me. There is a person in my life that I will always remember and never forget. My grandfather Doug Furgason is a man of extraordinary honor, character, and integrity. Without him I don't know how I would ever have come to such noble honors that I have come to with being part of this great brotherhood. He is true to the Society of Friends and brothers. I hope and wish to carry on his great and powerful legacy that has played a tremendous role in my life."

"I have spent all my life growing up in Jones County where most of my family has been settled. I started AFJROTC my freshman year and finished my senior as Cadet Major Squadron commander of the high school. During my junior year of high school I joined the volunteer fire service at Comfort Rural Volunteer Fire and EMS Department. During my time of service there, I have been Safety officer. I am an active fire member and now Captain of EMS being the head officer of the department at Comfort Emergency Medical Service. I also serve at Trenton

EMS where I am also Captain. I am currently employed at Bosch in New Bern and am also attending Craven Community College working on an Associate's Degree in Manufacturing Technology. I plan to attend East Carolina when I complete my Associate at Craven Community College. My journey has been easy compared to many patients."

Noble Linwood Tyler Jones has expressed his gratitude to those that have made a difference in his life. He is a "go-getter" in all that he does. On January 27, 2018 he made that special step into Shrinedom and by all indications is going to excel, wear his Fez with pride and dignity.

Accident Survivor Becomes Sudan Noble

A story was published in the April 2003 Sudan Red Fez magaA zine whereby a young man by the name of Bryan Nobles was paralyzed when he broke his neck in a swimming accident. The accident happened in September 2002 when Bryan was 15 years old while he was swimming with friends. His friends pulled him from the water and saved his life. By the nature of

his initial injuries he could have been a quadriplegic for the rest of his life. He was treated first at Pitt Memorial Hospital in Greenville, NC. He was placed on a ventilator and lost a lot of weight.

Subsequently, he was sponsored as a shrine patient by Past Potentate Stacey Pugh and shortly thereafter airlifted in an air ambulance to the Shriners Hospitals for Children - Philadelphia. He returned to the SHC's on two separate occasions after the initial visit for tendon transfers and rehab as well. As the initial article read, Bryan surprised everyone with how he made others feel. He talked about his accident, how it happened and the treatment he had received. As his caregivers at the hospital described, "he was a very mature young man, many in his condition would have given up and settle in a life of being a quadriplegic, but not Bryan."

Noble Bryan graduated from New Bern High School on time and then attended Craven Community College in New Bern receiving a two-year degree in Mechanical Engineering. He then attended North Carolina State in Raleigh and graduated in 2006 with a Bachelor's Degree in Mechanical Engineering. In 2010, he started working at Marine Corps Air Station, Cherry Point working with various types of military aircraft mechanical engineering issues. He and his wife, the former Denise Priesing, have been married for 5 years and have two beautiful daughters, a two-year old and a 5 month old. Bryan's mom, Jennifer, has played a big role in his life and has nothing but praise for our hospitals and Bryan's treatment and care.

Bryan Nobles continued from page 15

He joined Grantham #725, Masonic Lodge AF & AM in New Bern and on January 10, 2017 was raised to the sublimed degree of a Master Mason. He immediately became active and interested in furthering his masonic travels. Noble Bryan made that journey complete on January 27, 2018 when he joined Sudan Shriners. He, like other patients/nobles wants to be active in the fraternity and make a difference in the lives of children who need Shriners Hospitals for Children.

Bryan talks about the many challenges he has faced and will face in the future. He is still confined to his wheelchair but exhibits an outstanding positive attitude about his individual initiatives and goals in life. He is definitely not a quitter! Without a doubt, he is a very proud man, a great husband and father and Mason - Shriner!

The 81st Edition, "Shrine Bowl of the Carolinas" kicked off in fine fashion at Wolford College on December 16, 2017. As usual, our patients were actually the focus of the event. I talked to several of the players from North and South Carolina and all spoke of their visit with the patients at the Greenville, Shriners Hospitals for Children. North Carolina prevailed for the third year in a row by a score of 55-24. The 2017 "Most Valuable Player of the Game" was Holton Ahlers, quarterback for the North Carolina squad and a senior from DH Conley in Greenville, NC. Nearly 75% of these talented all-stars will be playing on Division I college football teams in 2018. The check presented at the half time festivities by the five Shrine Centers to the Imperial Potentate, (\$2,850,820.17) is the total of charitable contributions from five Shrine Centers in North and South Carolina (Amran, Oasis, Sudan, Hejaz, and Jamil). Since the inaugural game in 1937 over \$75 million dollars has been raised for our Shriners Hospitals for Children.

2018 Shrine Bowl of the Carolinas Annual Meeting

The Shrine Bowl of the Carolinas, Board of Governors, held their annual meeting and elections of officers on February 24, 2018 in Greenville, SC. The board is composed of representatives from five temples (Amran, Hejaz, Jamil, Oasis, and Sudan). The Shrine Bowl of the Carolinas is the oldest high school all-star football game in the nation. The 82nd contest played by football all-stars, seniors from North and South Carolina will be played at Wolford University in Spartanburg, SC on December 16, 2018.

The following Sudan nobles were elected during this year's business meeting. Sudan Captain of the Guard Jeff Taylor was elected to his fifth term as the Secretary. Our Assistant Rabban Buddy Brown was elected as the 3rd Vice President and Trustee Ronnie Blount was elected to his sixth term as the Chairman of the Board. Noble Ronnie was originally appointed to the Board of Governors in 2007 by PP Wayne Edwards. In addition to Chairman, he has served as President and Vice President and also on various work groups.

The day ended with a banquet for the board members and their guests followed by an awards ceremony. Three Sudan Nobles were identified and presented special awards. Noble Tony Edwards, At Large member was presented the SBOC Dave Thomas Award and given Emeritus status for his eight years of dedication and service. Noble Steve Bembridge, an At Large member was presented the Disney Award for his continuous contributions and dedication to the bowl game. Noble Ronnie Blount received a very special award, "Shrine Bowl of the Carolinas Hall of Fame Award". This is given to those that have gone above and beyond in the support, dedication and commitment to this historic event. The photo above shows the award recipients and elected officers with our Sudan Potentate, Illustrious Sir Teeny Jones.

News from Cincinnati

50 years of Love to the Rescue

For Shriners Hospitals for Children—Cincinnati, 2018 marks 50 years of pediatric specialty health care. From our origins in burn treatment, Cincinnati Shriners Hospital has become a globally-recognized health leader and innovator. Our comprehensive, family-focused approaches to healing and groundbreaking research have changed lives for children across the country and around the world.

In the hospital's early days, survival was the primary focus after a burn injury. As advances in research and medical treatment improved outcomes, focus shifted to the child's quality of life after wounds healed—a philosophy of thriving, not just surviving. This expanded medical proficiency led to Cincinnati Shriners Hospital becoming a destination for pediatric treatment beyond burn care, including cleft lip and palate and other craniofacial disorders, specialized wound and skin conditions and plastic and reconstructive surgery.

Today, healing at Cincinnati Shriners Hospital encompasses family-centered care, with an emphasis on keeping parents and families close and actively involved in the individual needs of the child throughout treatment and beyond.

It's been an amazing 50 years and we have many upcoming plans for this year. Stay tuned to our website and social media pages and **mark your calendar for Divan Days, August 24 & 25.**

THE "RED FEZ" MAGAZINE

The Sudan Shriners "Red Fez" magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at www.sudanshriners.com in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the "Red Fez". Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!

Submit material for the "Red Fez" to Sudan Shriners, 403 E. Front St., New Bern, NC 28560. Submit material for Sudan's website to: sevans@sudanshriners.com. Office: 252-637-5197 Fax: 252-637-9935.
