Potentate's Message

"The FOUNDATION of our fraternity is YOU." This was my message to you in my first Red Fez and you have certainly lived up to that this year. It seems like yesterday we were in New Bern on that cold winter day starting 2016. Our goals for the year were simple but difficult:

- **Membership** – We had 99 new candidates, and while we didn't achieve everything we wanted we have laid the foundation

for a membership team that will propel us into the coming years and get us back on track to a growing membership. Thank you to Jonathan and Brian for all their hard work this year.

- **The Temple** – We are working with UNC – Chapel Hill and the town of New Bern on an impact study to determine the best use for our building and for the best financial projection to solidify the future of Sudan Shriners. We expect their report in early 2017 and that report will be presented to you for your review, discussion, and decision on how to move forward. The building committee has done an outstanding job with getting this started and laying the foundation to make sure we can make the best-informed decision concerning our building.

Our ceremonials were incredible due the hard work of all the Shriners in New Bern, Kinston, and Robeson County. Each group worked extremely hard sometimes with huge obstacles like road construction, a hurricane, and flooding. Thank you to everyone who put forth the effort to make all the activities this year fun, enjoyable and a huge success for all who attended. Our ceremonials are known throughout Shrinedom as the best and this year certainly proved that even more.

Lao Tzu once said "The journey of a thousand miles begins with one step." My parents always taught me that no matter what you do, do it the best you can, always leave something better than the way you found it so that whoever follows has something to build on. I hope that this year we have laid that foundation – "Leading the Way – One Step at a Time" to start our next 100 years. Sudan Shriners has a great leadership team with your Divan and the best office staff of any Temple. Please support them next year and in the coming years as they continue to work to keep Sudan the best Temple in Shrinedom.

Jamie and I want to thank Past Potentate Bobby Waller and Lady Marie for the opportunity and for the confidence they showed in us to take this journey. We will forever be grateful.

To each of you we want to simply say "Thank You" for the past 8 years - for the support you have shown us, for the love and friendships you have extended. You are truly our family and you have made it a great ride for us. We wish each of you a Happy and Prosperous New Year.

May God Bless Each of You – Cale and Jamie

Recorder's Message

Nobles & Ladies

Sincere wishes that all had a great Christmas and New Year's holiday celebration. We are truly blessed in more ways than we can imagine being able to accomplish the great things we do for our Shriners Hospitals and our patients.

We are wrapping up a century of Sudan Shriners working for this great philanthropy. We are not done as we embark on a second 100! It appears we are

going to very busy in the next few months acknowledging our accomplishments, recognizing significant events and looking at our achievements since 1917.

Our 2016 Fall Ceremonial in Lumberton typifies how units and clubs over the years pull together and have made Sudan great. The nobles and ladies in the three shrine clubs put on a fabulous ceremonial. They had to cope with a lot of recovery from hurricane "Matthew" and worked extremely hard the last three weeks to pull it off and was truly outstanding to say the least, to make this happen. Our 2nd Ceremonial Master Coble Wilson III had nothing but praises for the teamwork displayed.

We need your help, nobles and ladies in making our 100th Anniversary Celebration a memorable occasion. Your contributions and inputs for the 100th Sudan Anniversary hardback book is very much needed. I have sent letters to every shrine club and unit urging your participation in this project. Please prepare a brief history and submit it with some photos as quickly as possible.

Our business for this time of year is impressive with the units spreading the word of our Shriners Hospitals for Children by participating in the many Christmas parades and holiday events. We had over 120 appearances of units in over 60 parades in the first 18 days of December. Sometimes it was one unit and sometimes it was 6 - 8 units!

Membership in 2016 was successful in that we created 99 new nobles, a lot of which were the young Mason's getting their feet wet in helping our cause. Please identify with these new nobles and their ladies and keep them interested by making them feel welcomed at your club. We have some very energetic young Masons who now are in the ranks of Shrinedom and we need them for our long term success!

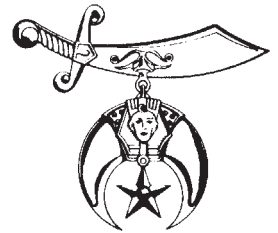

January 2017 Winter Ceremonial is fast approaching. You won't want to miss the extra events and presentations being planned to recognize our 100th Anniversary. Friday night promises to be a "Night of Remembrance". Our Anniversary Committee is working hard to make this event a memorable one. Our membership committee is pushing for a huge number in creations for the start of our second hundred years. Please work our blue lodges and help us with some quality Masons to become Quality Shriners. Hopefully we will have a standing room only crowd on hand all weekend.

As always, I wish each and every one of you, your ladies and families a very prosperous New Year. Keep our sick and distressed in your prayers and God Bless!

Membership & Masonic Relations

Greetings from Membership and Masonic Relations! Our team has just returned from the 30th Annual Shriners International Membership Seminar in Tampa, Florida. This was and will continue to be a great educational and leadership source of training for our temple. In our discussion, the following ideas and suggestions were shared: Legacy Programs, Masonic/Shrine Unity dinners, New clubs and units, Family activities for Clubs, Units and Ceremonials, Ceremonials and Mentoring, and Membership in general.

Brethren, we are all on the Membership team. We all represent Shriners International, Shriners Hospital for Children, Sudan Shriners and Freemasonry in general. Without your participation in recruiting and retaining members, our numbers will continue to decline. There is no way to control the toll that the Black Camel will have on us, but as you recruit these younger masons and keep them active, our numbers will increase. We will be putting together a list of these ideas and sending them out to our clubs and units soon. If we can work hand in hand with each other and with our local lodge, we will certainly grow.

Just think, if each club and unit in Sudan could attract 3 new members annually, we would have a gain in membership! We know that a lot of our nobles continue to recruit heavily for Sudan and it is greatly appreciated! Only 25% of masons in North Carolina are Shriners. We have a lot of potential candidates out there that have yet to join us!

As the year is coming to an end, and our clubs and units look toward new leadership, please continue to stay active in your area. Not only in the Shrine, but also in the Lodge. It has been my pleasure to serve Sudan Shriners as Masonic Relations Chairman this year! I am truly humbled and honored to be a part of this great and important undertaking.

THE SKY'S THE LIMIT

Helping Children Become Confident and Independent

Confidence. Self-assurance. Bravery. When you have these things, you can believe in yourself - and in your dreams - and do amazing things. In fact, *The Sky's the Limit*.

HOW CAN WE INSTILL THESE QUALITIES IN CHILDREN - especially children who are living with complex medical conditions? One way is through enjoyable, experiential programs - like camps.

"We all want children to be confident, self-assured and unafraid. To help make this possible, we want to ensure that more patients of Shriners Hospitals for Children have the opportunity to go to camp and have some fun, make new friends, and build their self-esteem and confidence in the process," said Ethel Smith, First Lady of Shriners International.

Building Confidence and Self-Esteem

Shriners Hospitals for Children is noted for providing excellent medical care. Our patients receive individualized treatment that may include surgeries and a variety of occupational, physical and other therapies to help them recover to the fullest extent possible.

Our concern for their well-being does not end there. Because of the nature of many of the conditions we treat, our young patients often face a long road to recovery, and must learn to adapt to new ways of managing the challenges of everyday life. Helping them develop these skills, as well as other more intangible inner strengths,

such as self-esteem and confidence, is also part of the work and mission of Shriners Hospitals for Children.

Our health care system offers a variety of programs to help our patients develop a wide range of psychosocial skills. Many of the efforts are in the forms of "camps," which may be held onsite at the hospitals, or somewhere in the local community. Activities range from therapeutic horse-back riding to skiing adventures. Some programs are designed to encourage patients coping with a specific condition, such as spina bifida; there are also camps for those with hand deficiencies, burns and spinal cord injuries.

These opportunities provide unique and valuable experiences for our patients - and, like all services and programs at Shriners Hospitals for Children - are provided regardless of the families' ability to pay. But that doesn't mean there is not a cost involved for our health care system. In fact, they can be expensive to operate, and most are funded by donations.

Ensuring More Children Experience Camp

First Lady Ethel believes that encouraging our young patients to have new

experiences will help them discover inner strengths, while having a lot of fun. Her program, *The Sky's the Limit*, will augment funding for Shriners Hospitals for Children's special camp programs, which provide these opportunities, and include a wide range of fun-filled activities.

"I've seen these children do amazing things at camp - from using ziplines to rock climbing," said Ethel. "It's clear these camps are a lot of fun - and go a long way to helping patients face challenges and overcome fears, which builds self-confidence. Ultimately, these programs can help ensure these children have lives where *The Sky's the Limit*."

For a donation of \$40, contributors will receive a beautiful bracelet with a bead representing a hot air balloon, indicative of the program's theme, or a gorgeous scarf; donors will receive an elegant gentleman's tie for \$30. To learn more or to place an order, please visit support.shrinershospitals.org/FirstLadyEthel or contact a Lady of the Divan at your temple.

Please join the First Lady's effort to ensure more children have the chance to experience going to camp by purchasing one of the program's items or making a donation.

Coastal Cruiser's Car Club Annual Fundraiser

The Coastal Cruiser's Car Club Annual Car Show "Cruise for the Kid's" in conjunction with the Wilmington Shrine Club was a huge success. The above photo depicts members of the Cruisers with members of the Sudan Divan with a check presentation of \$16,000.00 for the 2016 event conducted in Wilmington, NC. The check was presented during the July meeting of the Wilmington Shrine Club. Noble Wayne Baker informed us that the proceeds will be sent to the Greenville Shriners Hospitals for Children specifically designated for the purchase of surgical instruments for the Greenville SHC. This organization started this annual fundraiser in 2005 in support of SHC. Since its conception, the organization has donated over \$70,000.00 to SHC. By the way, "Fezzy" was there to accept the check for the kids.

Great job by all and "THANK YOU" from our children.

Sudan Hillbillies Host 2016 International Convention

The Sudan Hillbillies of Clan 58 hosted the 35th International Hillbilly Convention, August 25 - 27. The Convention was held at the beautiful Smokey Mountain Resort in Pigeon Forge, Tennessee, (you know that's close to ole Rocky Top!!). The Convention drew just over 135 Hillbillies from fifteen states and Canada. Omar Shriners had the most attendees with 21 Hillbillies present. Sudan Shriners had the second largest group of attendees, with 18 Hillbillies present. Degree work was also part of the Convention. The Hillbilly Degree along with the Master Hillbilly, Hillbilly Gal and Turtle Degrees were conducted.

The Convention coincided with the Pigeon Forge Veteran's Day Parade, in which Sudan Hillbillies participated in. A Car Show also took place with the Sudan Hillbillies taking first place with their "Outstanding" Model A. Oh yea, there was Blue Grass every day, lots of Blue Grass.

Some discussion has also taken place about hosting a Hillbilly Convention in Wilmington in the near future. As soon as we get a commitment, we'll let know.

2016 Shrine Bowl of the Carolina's King Receives Crown & Robe

Each year, the Shrine Bowl of the Carolina's is played with all-star football teams picked from North and South Carolina. Part of this annual event is the selection of a King and Queen from our hospital patients to act as the King and Queen for the game. This year Roman Rozumniy, 10 years old from Greenville, NC was selected to reign as King representing the North Carolina team.

On November 3, 2016, Potentate Cale Grady and members of the Sudan Divan travelled to the school where Roman was officially presented his crown and robe in front of the entire student body of over 400 students. Chief Rabban Stacey Pugh and Lady Danette coordinated the presentation event and have close ties with this family. Roman is definitely one excited King ready to attend and participate in the 2016 SBOC game on December 17, 2016.

Roman was born in the Ukraine on March 21, 2006. He was diagnosed with Arthrogryposis at birth. Arthrogryposis means a child is born with a condition where their joints do not move normally and may be stuck in one position. While living in the Ukraine he had 9 surgeries. Roman's family moved to the United States when he was 6 years old. He applied on April 3, 2013 to become a patient of Shriners Hospitals for Children. His first appointment at our SHC-Greenville was on May 3, 2013 and since that appointment, he has received one surgical procedure and made 19 different trips to the hospital. Our Sudan Roadrunners provide transportation for the family to and from the hospital. The family is a large part of the Pitt County Shrine Club's family. They love attending the annual Easter Egg Hunt and the Christmas party with Santa.

Roman is a fourth grader in Mrs. Bossolono's class at Chicod School in Greenville, NC. In his free time, Roman enjoys playing Minecraft, PlayStation, the Wii and with Lego's. He also enjoys spending time with his best friend, Fernando.

Hillbilly Reunion III

The Sudan Hillbillies held their third annual Reunion on Saturday July 30 at Lake Waccamaw. To say that we had a hot time at this year's Reunion, is an understatement. While the temperature was 95 degrees plus, a good time was had by all. Lake Waccamaw was beautiful and always a great place to hold the Reunion. Of course it doesn't take much for Hillbillies to have a good time.

This year's reunion drew the biggest crowd yet. Nearly 100 Hillbillies and Hillbilly Gals attended. As always the Reunion is not Temple or Club specific. We had cuzzins there from all over Sudan, Amran and our cuzzins from South Carolina made the trip. We made eighteen new Hillbillies, seven new Hillbilly Gals and seventeen new Master Hillbillies. Several cuzzins also participated in the new Turtle degree.

There was no shortage of big shots either. Ill. Sir Rick Jackson, past Sudan Potentate, Ill. Sir Harvey Ellis, Amran Potentate and Ill. Sir Charles Britt, past Amran Potentate were in attendance. All three of these Potentates are Master Hillbillies.

Next year's Hillbilly Reunion will be held on the last Saturday in July at Lake Waccamaw. All Hillbillies, Hillbilly Gals and Hillbilly want-a-bees are welcome. We are already planning next year's Reunion, it's going to be a good'en!

Y'all come see us!

Sudan Needs A Marching Band

It has been a few years but the Sudan Shriners used to have the sharpest Marching Band in all Shrinedom. Are there any nobles out there that believe this

might be another way to attract a certain group to form and enjoy yet another unit? If you have a trombone, trumpet, sax, cymbals or clarinet, snare drum or whatever, get it out put your Fez on and let's march!

Nobles & Ladies

Shriners are recognized everywhere for their funny hats, ability to have a good time, and most of all for their generosity in helping our children (patients). Thank you for taking Time to be dedicated Shriners and Shrinettes. God Bless each of you. This poem "Take Time" is dedicated to you.

Take Time to THINK...

It is the source of power.

Take Time to PLAY...

It is the secret of perpetual youth.

Take Time to READ...

It is the fountain of wisdom.

Take Time to PRAY...

It is the greatest power on earth.

Take Time to LOVE and BE LOVED...

It is a God-given privilege.

Take Time to be FRIENDLY...

It is the road to happiness.

Take Time to LAUGH...

It is the music of the soul.

Take Time to GIVE...

It is to short a day to be selfish.

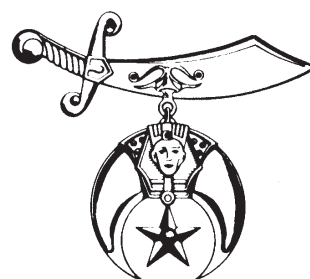

Take Time to WORK...

It is the price of success.

Take Time to DO CHARITY

It is the peace of heaven.

It's Important to Use the Correct Terminology

It is important that we all work together to build a powerful brand, and one way to do so is to ensure we are consistently communicating with One Look, One Voice. Below are a few tips that will help us in that effort.

Remember to Use Approved Statements

When referring to our organizations, please remember to use one of the official, approved boilerplates to ensure you are using accurate verbiage

Boilerplate for Shriners International: Shriners International, a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth, founded Shriners Hospitals for Children as its official philanthropy in 1922. What began as one hospital, is now a world-renowned health care system with 22 locations in three countries. The fraternity, which has nearly 200 chapters in several countries and thousands of clubs around the world, continues to support this unique health care system. Please visit shrinersinternational.org to learn more.

Boilerplate for Shriners Hospitals for Children: Shriners Hospitals for Children provides specialized care to children with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate, regardless of the families' ability to pay. Generally, care is provided until age 18, although, in some cases, it may be extended to age 21. All care and services are provided in a family-centered environment. For more information, please visit shrinershospitalsforchildren.org.

A Few Other Points to Remember

Don't indicate that Shriners Hospitals for Children provides care "for free" or "at no cost."

- Remember to use the correct name for the fraternity, which is Shriners International, and to no longer use the AAONMS designation.
- It's OK to use the scimitar logo, but please also consider incorporating the official Shriners International logo into your materials – the one with the fez and Shriners International text.

Shriners International

- Please remember that the name of our health care system is Shriners Hospitals for Children (and not Shriners Children's Hospital, for example).

SHRINE FUNDRAISING

POLICIES & PROCEDURES

SHRINE FUNDRAISING

INTRODUCTION

Because Shriners have been the driving force behind Shriners Hospitals for Children, it has become natural to associate the Fez with this charity. However, the Shrine of North America and Shriners Hospitals are separate and distinct legal corporations.

Shriners Hospitals for Children is incorporated in the state of Colorado, and it operates 22 hospitals. Its purpose is to provide medical care to children with disabilities without regard to race, creed, sect or nationality. This is the Charitable corporation.

The Shrine of North America is incorporated in the state of Iowa, and it presently has 195 unincorporated fraternal associations in Canada, Mexico, the United States and Republic of Panama. We know them as Shrine Temples. This is the Fraternal corporation.

A study done by Shriners International Headquarters found that Shrine Temples conduct more than 2,000 fundraising activities annually. Many of these fundraisers are strictly for the Temples – and this is perfectly acceptable. Other fundraising activities are for the benefit of Shriners Hospitals for Children – and this is also perfectly acceptable.

However, the individual purchasing a ticket, product, etc., or the donor, should be advised, in advance, how the proceeds will be used. This pamphlet is intended to provide guidance to the Temples, units, clubs and Nobles in their fundraising activities so there can be no criticism directed at them that the solicitation did not conform to the requirements of the law or was deceptive or misleading.

TYPES OF FUNDRAISERS

There are two types of Shrine fundraisers – Charitable and Fraternal.

CHARITABLE FUNDRAISERS – Where 100 percent of the net proceeds benefit Shriners Hospitals for Children.

FRATERNAL FUNDRAISERS – Where the net proceeds benefit the Temple, which in turn may distribute them as it sees fit. For example, profits may be disbursed to the Temple general fund, a building fund, to clubs and/or units, to Shriners Hospitals for Children, to local community or Masonic related projects (DeMolay, Masonic Home, etc.) or any combination thereof.

PROCEDURES THAT APPLY TO ALL SHRINE FUNDRAISING ACTIVITIES

All fundraising must comply with the law of the land; that is, the law of the jurisdiction where the activity takes place. This includes national, state or province, and local laws.

The use of the name Shriners Hospitals is governed by §503.10 of the bylaws of Shriners Hospitals.

All fundraising is governed by General Orders as may be issued on that subject by the Imperial Potentate.

Insurance. Your attention is particularly called to that portion of the existing General Order #1 pertaining to insurance. Strict compliance is required. All contracts must be reviewed and approved by the Temple Potentate after receiving the advice of the Temple attorney.

All fundraising promotional materials (including Temple publications) must include a statement indicating the major entity benefited by the funds [Statement of Purpose].

STATEMENTS OF PURPOSE

All fundraising promotional materials must contain a STATEMENT OF PURPOSE. Below are examples for each type of fundraising activity.

FOR CHARITABLE FUNDRAISERS:

“Net proceeds from this (activity, event, etc.) are for the benefit of Shriners Hospitals for Children.”

FOR FRATERNAL FUNDRAISERS:

“Net proceeds from this (activity, event, etc.) are for the benefit of XYZ Temple/Unit/Shrine Club.”

DISCLOSURE (for Fraternal fundraisers) “Payments are not deductible as charitable contributions.”

NOTE: All *fraternal* fundraising materials must include both the statement of purpose and disclosure.

CHARITABLE FUNDRAISERS

It should be emphasized at this point that a Noble (in his capacity as a Shriner), a Shrine Temple/club/unit, an organization of Nobles, or affiliated/appendant corporations SHALL NOT engage in any charitable fundraising effort other than for the benefit of Shriners Hospitals for Children.

When a decision is made to conduct a charitable fundraiser, the responsible Noble (club/unit president, committee chairman, etc...) must submit a written request to the Temple Potentate having jurisdiction thereof. If he approves, the Potentate must then obtain the written consent of the Imperial Potentate and Chairman of the Board of Trustees. This request shall be sent to the Executive Vice President – Imperial Council, Shriners International Headquarters, P.O. Box 31356, Tampa, Florida 33631-3356. Final approval for a charitable fundraising activity is effective upon the Temple's receipt of a Charity Activity Form. If a request is denied by the Imperial Potentate and Chairman of the Board of Trustees, the Temple Potentate will receive a full explanation in writing.

One hundred percent of the net proceeds from charitable fundraisers must be given to Shriners Hospitals for Children.

Expenses for operating the event must be actual, and no labor charges can be made for volunteer work by Shriners and/or their families.

Under certain conditions, existing General Orders allow the use of a portion of funds raised for the hospitals to be used for patient transportation.

All solicitation materials, tickets, programs and documents must include factual information (Statement of Purpose) regarding use of the proceeds.

Information about our hospitals (obtainable from the Imperial Public Relations Department), such as patient success stories, facts and figures, photos or other appropriate material, may be used in programs for **charitable** fundraisers.

The Temple shall report the results of each charitable fundraising activity within 60 days of the activity to Shriners Hospitals for Children on the Charity Activity Form provided to the Temple. A Temple that fails to remit the net proceeds within 60 days of the activity shall be assessed interest retroactive to the date of the activity.

The Temple shall maintain detailed financial records of all fundraising activities involving Nobles, clubs, units, organizations of Nobles or affiliated / appendant corporations for a period of seven years. Details of all revenues and disbursements shall be maintained in such financial records.

State Solicitation Laws: Some states have solicitation laws that may require Shrine compliance. Temples must have their attorney review such laws. By way of example, the State of Florida requires that the following statement be included in all printed solicitation materials, receipts, written confirmation, or reminders of contributions soliciting charitable contributions for Shriners Hospitals. The statement must be conspicuously displayed in all capital letters.

SHRINERS HOSPITALS FOR CHILDREN ARE DULY REGISTERED WITH THE STATE OF FLORIDA AS REQUIRED BY ITS SOLICITATION OF CONTRIBUTIONS ACT. THEIR REGISTRATION NUMBER IS CH 433. A COPY OF THE OFFICIAL REGISTRATION AND FINANCIAL INFORMATION MAY BE OBTAINED FROM THE DIVISION OF CONSUMER SERVICES BY CALLING TOLL-FREE 1-800-435-7352 WITHIN THE STATE. REGISTRATION DOES NOT IMPLY ENDORSEMENT, APPROVAL OR RECOMMENDATION BY THE STATE.

FRATERNAL FUNDRAISERS

A Noble (in his capacity as a Shriner), or a Shrine Temple/club/unit, or an organization of Nobles or affiliated/appendant corporations must obtain the prior written consent of the Temple Potentate having jurisdiction thereof before engaging in any fundraising activity.

There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children.

When the Potentate gives his written consent for a fraternal fundraising activity, a copy of the same shall be mailed to the Executive Vice President – Imperial Council. Further, any printed materials pertaining to the fundraising activity shall be sent to Executive Vice President, Imperial Council if so requested.

All promotional material, tickets, programs and documents must contain a Statement of Purpose and Disclosure.

Information about our hospitals may be used in programs for fraternal fundraisers *provided that each contains the appropriate Statement of Purpose and Disclosure.*

This information must appear in conspicuous location used lettering bold enough to be easily read. Programs and other ‘booklet’ type materials must include the Statement of Purpose and Disclosure on the front cover or the first page. The Statement of Purpose and Disclosure should also be included as a part of each fundraising activity advertised in Temple publications.

The Temple shall maintain detailed financial records of all fundraising activities involving Nobles, clubs, units, and organizations, of Nobles or affiliated/appendant corporations for a period of seven years. Details of all revenues and disbursements shall be maintained in such financial records.

Shriners Hospitals
for Children®— Cincinnati

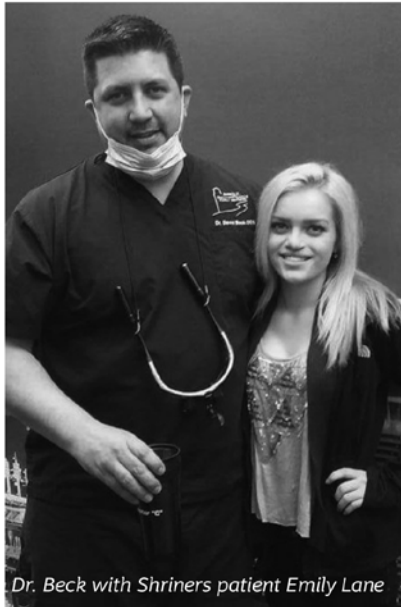

News from Cincinnati

.....

Giving the gift of a smile

That is exactly what David Beck, D.D.S. is doing. He has been volunteering his services and time to help patients at Shriners Hospitals for Children®—Cincinnati since 2012.

Dr. Beck learned about Cincinnati Shriners Hospital through one of his patients, Pam Kresser. She is an RN that works in Family Services at the hospital. "She knew we volunteered to help treat veterans and asked if I could help some of the children since there is no dentist on staff," said Dr. Beck.

Dr. Beck with Shriners patient Emily Lane

Once he found out about the conditions treated at Cincinnati Shriners Hospital he jumped at the chance to help. There are many complex cranio-facial patients in need of dental services. He knew his knowledge, time and talent could help many of Shriners patients that may not have the opportunity to receive dental care.

"I'm so amazed at the care patients and families receive at Cincinnati Shriners Hospital," said Dr. Beck. "I had no idea all of the plastic surgery conditions they treat regardless of a families ability to pay."

Dr. Beck has treated more than 30 of Shriners' patients and continues to do so. He treats them at his office in downtown Cincinnati and at the hospital. He also consults with their pediatric plastic surgeons on complicated craniofacial patients and burn survivors. Some of the procedures he performs include extractions, root canals, multiple crowns and implants.

After spending time at Cincinnati Shriners and researching Shriners International, he decided to become a Shriner. Dr. Beck said, "I wanted to be part of an organization that has a mission to help kids and do the right thing when no one is watching." He is currently a Mason and working his way up to become a Shriner.

THE "RED FEZ" MAGAZINE

The Sudan Shriners "Red Fez" magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at www.sudanshriners.com in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the "Red Fez". Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!

Submit material for the "Red Fez" to Sudan Shriners, 403 E. Front St., New Bern, NC 28560. Submit material for Sudan's website to: sudanshriners@yahoo.com. Office: 252-637-5197 Fax: 252-637-9935.
