Potentate's Message

Nobles and Ladies, I am so truly humbled that you have given me the honor and privilege of serving as Potentate of so great a Fraternity as Sudan Shriners. Lady Juanita and I extend our heartfelt thanks to all that participated in making our Winter Ceremonial a wonderfully memorable and successful event. Thanks to all that came and enjoyed the festivities with us. A special

thanks to our great parade units that braved all that "Ole' Man Winter" could dish out and still warmed our hearts with their performances. Another special thanks to the United States Marine Corps Marching Band that preceded us and did a superb job representing our military.

We had a big turnout for the Annual Leadership Seminar on February 16th. Again, another winter day where snow and sleet tried to interfere, however, there were well over 100 nobles who took the day to better prepare themselves as officers of their respective units and clubs. Good job by High Priest and Prophet Cale Grady, for his preparation and agenda and those who made presentations. A lot of valuable information was distributed and there was a lot of feedback from the nobility in attendance.

Sudan Shriners is blessed to be supported by the finest clubs, units, nobles and ladies anywhere. These clubs and units are working tirelessly with their fundraisers, parades and other events, with their main objective being the support of Shriners Hospitals for Children. These nobles are making a big difference in the ability of our hospitals to provide the quality health care our children deserve and receive. They do it all with little regard to the heat, the cold, or how many hours they spend making a fish fry plate, driving to a parade route or even taking one of our kids to a shriners hospital.

I suppose we are so occupied with these duties, we fail to notice that there are fewer and fewer nobles standing beside us participating in these events. That's right nobles, in 2012, we sadly lost 165 to the Black Camel, but we lost 196 Nobles to suspension for non-payment of dues. Only The Supreme Architect can control our loss to the Black Camel, but YOU, my Brother, just may be able to prevent the loss of a good shriner for suspension from NPD. It is truly amazing that the same shriner that spends all day making fish fry plates or drives four hours to and from a parade won't spend 3 minutes to call a noble on the NPD list and see if there is any way to help him remain a shriner

in good standing. If you are that shriner that has not paid your current years dues, but you intend to do so, call or contact us and tell us we can count on your support. That will save us a stamp, an envelope and a phone call.

On a brighter note, come join us in New Bern for another great Spring Ceremonial on the waterfront. Sudan is fortunate in having the #1 Shriner in the World from Shriners International, Imperial Sir Al Madsen and his Lady Jan join us for this event. Let's make sure the Spring Ceremonial 2013 is an event that will always be cherished and remembered by all, especially by Imperial Sir Al and his Lady.

Because we Care,

Ken Bennett

STATED BUSINESS MEETING
Saturday ~ May 4, 2013

9:00 am Shrine Auditorium

Election of Candidates and to act on any other business that should regularly come before the meeting.

B. F. Smith, Jr., Recorder

Ken M. Bennett, Potentate

Recorder's Message

Sudan Shriners is off to another fine year and because of our members' outstanding service, Sudan continues as one of the largest and most prestigious of the 195 Shrine Temples. As you may know, Sudan was formed under dispensation in 1916 and already preliminary plans are being considered for our 100th year celebration.

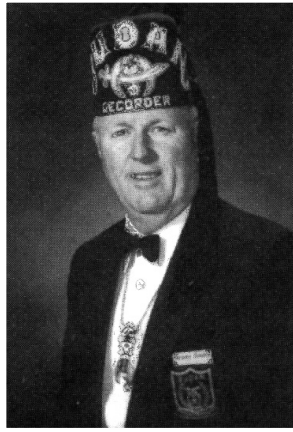

I hope you join in this year's activities as our Potentate, Illustrious Sir Ken Bennett, and First Lady Juanita execute their plans for fun, fellowship and service to the "World's Greatest Philanthropy". The Spring Ceremonial will be held the first weekend in May rather than the traditional weekend due to conflicts with obtaining adequate hotel rooms in New Bern. Another event had blocked off many hotel rooms. The ceremonial's Friday night fun is planned to take place on our beautiful riverfront property, across from the temple. Imperial Sir Al Madsen, Imperial Potentate of Shriners International, and his lady, Jan, plan to attend. Come and bring a candidate and a member who has not attended recently. You will all have fun!

I should bring to your attention a matter concerning our patient transportation vans. We have one van that is a 2003 model wheelchair lift van with over 160,000 miles on it which continues more than its share of problems; two other vans have in excess of 180,000 miles. We must replace these three vans as soon as possible. The Potentate and I appeal to all Clubs and Units and individuals to consider donations to this cause. If you wish to help just send your check to Sudan Shriners, 403 East Front Street, New Bern, N.C. 28560.

At its January meeting, the Board of Directors authorized replacement of the fire escape steps on the back of our headquarters building. Those steps have been there since 1956 and exposure to the elements has taken a severe toll and they must be replaced.

The Potentate has made a serious commitment to membership development this year. You may be called upon for your assistance in this worthy effort; if so, please do what you can. Our non-payment of dues category is far too extensive. Please take time to review the list of NPD's and make contact with those on the list and encourage them to pay their dues promptly. Failure to pay dues contributes negatively to the financial well being of Sudan. If you know of a member who is in financial distress and just cannot pay his dues, contact the Recorder's office as we have a "Relief Fund" for that purpose.

Sudan was fortunate to have a good class of new Nobles during the Winter Ceremonial. I ask that you identify

those in your area and mentor to them and help these new members and their families become more familiar with and active in the Shrine.

I encourage you to review the calendar of events on the back page of this issue of the Red Fez Magazine and participate in as many as your busy time will permit.

Yours in the Faith,

A handwritten signature in cursive script, reading 'B. Smith'.

SUDAN PROWLERS

The Sudan Prowlers were formed in 1998 in Rocky Mount, NC. The unit was formed under the direction of Past Potentate Bruce Bulluck and 2nd Ceremonial Master Carl Smith. The unit started with approximately 20 charter members of which seven are still active today. The Prowlers took the name tailoring it as the Plymouth Prowler. The original miniature vehicles were purple in color and purchased and maintained by the individual unit members. They maintained this status until 2005 when they sold their vehicles. The new vehicles were purchased as a Sudan Prowler Unit and those were colored yellow with purple striping. They now have 12 miniature cars and two recovery vehicles. This Sudan Parade unit participates in approximately 10-15 parades/events a year. The unit is funded by two fraternal reverse drawings a year, one in February and one in October. This is the fifteenth year of the unit's existence and is being led by Captain Robert Hitt with Scott Medlin as Lieutenant. If you have ever attended a Sudan Ceremonial you will have seen the Prowlers and their ladies heavy into cooking, whether it be chili or burgers and hot dogs, with all the fixings. They are serious about sharing that fellowship and brotherly love with any of the Nobility who would like to participate.

Sudan Horse Patrol's 50Th Year

Left to Right: Capt Carl B. Renfro; Lt Joe I Joyner; Sgt H.K. Smith; Cecil Boyette, and Tommie Tucker

At the May Ceremonial in 1963 held in Dunn, the Sudan Horse Patrol rode in its first Sudan parade. They rode with six horses with leather saddles. The riders were Capt. Carl B. Renfro, Lt. Joe I. Joyner, Sgt. H. K. Smith, Sect.-Treas. Emmitt Matthews, Paul Jones and Tommy Tucker. T. Bruce Boyette was the other member. Carl B. Renfro furnished the horses for the unit until 1969 when the members started purchasing their own horses.

From this humble beginning, the Horse Patrol has become one of the most active units in Sudan (In 1963 – Sudan had 6793 members). They have never missed a Sudan Ceremonial Parade. The unit has taken a leadership role in Sudan with the following serving as Potentates: Illustrious Sirs T. Bruce Boyette (1966), Cecil T. Boyette (1983), Arnold Lee Brown (1992), and Joe I. Joyner (2001). Noble Marshall Brock has served as the Director of Units.

In 1974, they attended the first SASA in Myrtle Beach and have not missed a SASA event in spite of

floods and hurricanes. That same year, they rode in their first Cherry Blossom Parade in Washington, DC and have attended this parade on numerous occasions.

Throughout the years, they have won first place in competition for mounted units in over 90% of the parades in which they have participated.

They have been to SESA (Southeastern Shrine Association) in Birmingham, New Orleans, Louisville, Savannah, Memphis and Greenville, SC.

Their first appearance at the Imperial Session was in the 1970's in Washington and Atlanta and since 1982 they have not missed an Imperial Session and have ridden in most of them on their own horses. They have also rented and borrowed horses as they travel across the county. The Sudan Horse Patrol has been a member of International Shriners Horse Patrol (ISHP) since 1974. Through the years, they have displayed a strong and effective leadership role in the ISHP. Nobles Ralph Ellis, Ron Haines (also a member of Lulu Shriners) and Allen Harper have all served as the President. Noble Bill Stuckey is currently the 5th Vice President.

The Sudan Horse Patrol hails from Wilson, North Carolina and is looking forward to another 50 years.

Noble Abe Elmore Completes SHC Board of Governor Duties

Noble Abe Elmore is someone that every Shriner should aspire to be. Abe Elmore towers over people, perhaps not in his physical stature, but rather in his service to mankind. Noble Elmore was born and lives in Dunn, North Carolina.

Abe was raised in the Blue Lodge in 1958 and was created as a Sudan Shriner in May 1963.

Abe has been very active in his 50 years as a Shriner. He spent 27 years in the Flag Unit and eight years as the Sudan Membership Chairman. He was on the Board of Trustees for ten years and in December 2012, he finished his ninth and final year as a member of the Board of Governors of the Shriners Hospitals for Children in Greenville, SC. Nine years is the maximum allowed on the Board of Governors and since he served all nine years, he will now serve as an Emeritus Member. The SHC Board of Governors takes time and dedication. They meet each month in Greenville and the members serve on multiple committees. This service requires traveling to Greenville on Sunday, meeting all day on Monday, and then traveling back home, all at the nobles own expense. Counting his six months as an apprentice member, Abe was in attendance at 97 monthly meetings, driving over 56,000 roundtrip miles!

Abe says the decision for Shriners Hospitals to accept third party payment from insurance has been the biggest challenge during his tenure. "That decision has set the hospitals on a much better financial course to continue to offer expert care. It's a change of mindset and Shriners have to know that those types of decisions are made so that we can always help the children and we never turn a child away, regardless of their ability to pay," noted Abe. At a recent meeting, Noble Elmore told the story of a young girl he observed walking across a local shopping center parking lot. The child had a very obvious limp and was struggling to walk. Being a Shriner, Abe approached the child's mother, introduced himself and gave her a card with the Shriners Hospitals for Children phone number and telling her he thought the Shriners could help her

daughter. At this point, the child spoke up and said, "I'm already a patient there, look how good I can walk." In fact the child was a patient of Shriners Hospitals and was very proud that she could now walk. Of course the mother of the child was very thankful for the continued care they receive at Shriners Hospital.

Abe is a successful business man in Dunn where he owns several local furniture stores. In addition to his business and Shrine duties, he has found time to be on the Board of Directors of Betsy Johnson Hospital in Dunn, serving multiple years as Chairman of that board. Abe has been on the Board of Directors of the Baptist Children's Home of North Carolina for 38 years. He has 54 years of perfect attendance at the Kiwanis Club and has been the Chairman of the Dunn Christmas Parade for 42 years. Abe was also the mayor of Dunn, NC for 16 years.

Abe and his wife Jackie, along with others, started a church in Dunn in 1964. Abe is a Deacon at Westfield Baptist Church where he and Jackie are the last attending founding members. He has been married to wife Jackie for 59 years who has always supported his many endeavors. They have four children, ten grandchildren, and nine great grandchildren.

When asked what he would like his legacy to be, Abe simply stated that he tried to always remain positive and to keep the mission of Shriners Hospitals for Children. He stated that he was most proud of being part of an institution that gave the best care in the world for the children that we serve. Noble Abe Elmore has certainly given much in his life to his family, his community, his church, his fellow Nobles and the scores of children that the Shriners serve. He has made a mark on mankind, and he's not finished yet.

Sudan Convertibles History

The year was 1984 and the Potentate Illustrious Sir Willis Brown, following his years on the Divan, felt strongly that a consistently dignified and impressive manner was needed to transport the Sudan Officers and Divan in Ceremonial and other Shrine parades. After much consideration and consultation Illustrious Sir Willis Brown asked Noble Mercer Johnson to form a unit, whose primary purpose would be to transport Sudan Officers and Divan in all Shrine parades, but could also represent Sudan in non-Shrine parades.

It was decided that convertible automobiles with back seats would provide a somewhat more formal method of transportation than many might expect from the usual fun loving units in Shrine parades. Noble Mercer was able to form a group that would parade for the first time in the 1984 Spring Ceremonial in Fayetteville, NC and included Mustang, Oldsmobile and Cadillac convertibles. Nobles Bill Autry, Martin V.B. Davis, Cecil L. Fisher, Sr., Mercer Johnson, Alvin Kornegay, J.T. Manning, Jr. and Billy Tripp were among the charter members of Sudan Convertibles. For his help, guidance and support Illustrious Sir Willis Brown was made an honorary member of the Sudan Convertibles and to this day remains the only honorary member of the unit. Upon becoming inactive in the 1990's Noble Mercer Johnson was made a lifetime member in grateful appreciation for his efforts and perseverance in forming the unit, serving as Unit Director for its first two years and giving valuable counsel in the years that followed.

If any readers know of Sudan Convertibles charter members not named here, please advise the Sudan office and they will get the information to the unit to be included in our permanent records. Over the years, in addition to Sudan Ceremonial parades, the Sudan Convertibles have participated in all of the South Atlantic Shrine Association parades, Tampa, Baltimore, Pigeon Forge, and Charlotte Imperial Shrine parades. Second place in the 2012 SASA parade is the latest among the many awards Sudan Convertibles Unit has received.

When the unit was formed, it became obvious that our members would come from all parts of Sudan's footprint therefore it would not be practical for Sudan Convertibles to maintain a "home base" at any one of the many fine shrine

clubs in Sudan's jurisdiction. That being the situation, permission was granted allowing Sudan Convertibles to maintain a permanent awards/picture case in the lower lever of Sudan Temple. In 2012 a custom made addition to our awards/picture case was dedicated to the late Noble "Bunk" Mizell, who was our much loved and longest serving Unit Director.

The Unit Director now is Noble Charles "Skeeter" Trott from Southport. Presently there are 25 members and they meet on Saturday morning preceding Sudan Ceremonial parades. The vehicles are all individually owned, maintained and the expenses of traveling to these many ceremonials are incurred by the Nobles themselves. Rest assured the Sudan Convertibles are not forgotten for the pageantry they have provided over the years.

Special Ceremony Provided for Newest Sudan Noble

Pictured above are members of the Sudan Divan who participated in our newest Noble, Gaspar Gonzalez being inducted into Sudan Shriners. Brother Gaspar Gonzalez filed a petition to join Sudan but was unable to attend the Winter Ceremonial festivities. Noble Gonzalez fell at his residence approximately three years ago and now suffers from the crippling injuries. He recently turned 80 and has great spirits and is a pleasure to visit. Sudan Potentate, Illustrious Sir, Ken Bennett conducted the ceremony at the assisted living facility in Mount Olive, NC where Noble Gonzalez is residing. Others present for the ceremony were: Chief Rabban, Rick Jackson; High Priest & Prophet, Noble Cale Grady; Sudan Recorder, Noble Benny Smith; Assistant Recorder and Director, Public Relations, George Raecher. The top-line signer from the Wayne Shrine Club, Noble JB Price was also in attendance. Congratulations to Noble Gonzalez and welcome to the greatest philanthropy in the world.

50 Year Certificate Presentation

On February 20, a contingent from Pamlico County Shrine Club traveled to Oriental to present a 50 year membership pin to Hally Bruce Tyson. Bruce and his wife Jeanette are residents of Oriental and Bruce is a member of Pamlico County Shrine Club and Sudan Shriners in New Bern. Bruce was born October 18, 1925 and was initiated into the Shriners May 24, 1962. The Illustrious Potentate of Sudan Shriners makes the presentation. (Left to right Darrell Sadler, Bruce Tyson, Potentate Ken Bennett and Al Broome)

Carteret County Mariners Joins Omar's Installation

Omar Shriners in Mount Pleasant, SC installation of officers' ceremony was held January 12, 2013. The Carteret County Mariners were invited by Potentate-Elect Jimmy Day to carry the shrimp trawler and tug boat to be in the ceremony. The theme was "going to the beach". Captain Eric Pake, Sr. and Eric Jr. did the honor as the boats were driven through the temple ballroom.

The photo is Ill. Sir Jimmy Day on the left, two hospital patients, Noble Eric Pake, Jr. and his Lady Vero and Ill. Steve Norris, seated is Eric Pake, Sr.

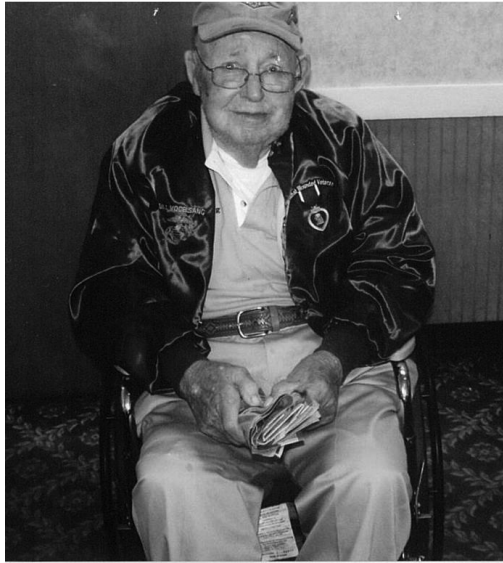

The Chair With A Lot of Years

What do you do with your canes you bought at Sudan Ceremonials for the last 36 years? If you have the abilities that Noble Johnny Rackley has, you design and construct a chair from the "Years Past". In 1976, Noble Johnny joined Sudan Shriners and began to buy three canes a year and saving them, for a total of over 100 canes. He only missed two ceremonials in that 36 year period. The standard "cane" contained the new Potentate's Name, Slogan and Year. Noble Johnny took forty-two of those canes and decided they would look good as a rocking chair. There is a cane in the rocking chair representing the 36 different Potentates with a little cherry wood for the runners and seat. It took Johnny approximately 12 days to design, fabricate and finish the chair. Johnny says he has enough canes left to make another chair, but he hasn't decided if he will or when. The chair was donated by Noble Johnny to Sudan and is a permanent fixture at the temple.

Roadrunners Given Special Recognition

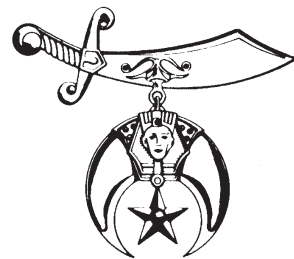

The Sudan Roadrunners showed their appreciation to its members and provided some special recognition at their Christmas breakfast meeting on December 21, 2012. In attendance was Roadrunner Emeritus Bill Vogelsang. Noble Vogelsang is the oldest member and told of taking children to the hospital in his vehicle and paying for his own expenses. Director Tim Boykin presented Honorary Memberships to five Nobles who are unable to make trips anymore. Those Nobles were Ray Barnes, Ray Potter, Frank Ormond and Peter Franco. The big event of the day was an Honorary Membership to a very special lady. Donna Horton, Sudan's Patient Services and Children's Activity Coordinator was given an Honorary Membership as a Sudan Roadrunner for her 21 years of dedicated service. Donna is responsible for coordinating with parents and care givers for appointments, making room reservations, schedules the drivers and vans, as well as completing the administrative duties. Those include keeping the records of expenses and expenditures from lodging, meals, and coordinating with the Shriners Hospitals for Children who care for our patients. She also maintains records for the vehicles that transport the patients and families.

2013 Sudan Plaque Sales

The 2013 Sudan Plaque Sales should double the amount raised in 2012 by raising \$100,000. That means every club in Sudan needs to get to work right now. This goal is one that can be easily attained with the help and work of all 38 shrine clubs. We would like to ask each club to set a goal of raising a minimum of \$500.00 more than last year. It would not be too difficult to accomplish this goal. Volunteer fire departments, churches, small and big businesses alike, when given the right approach are normally willing to contribute to our great cause. You may consider ordering some of the literature from www.ShrinersVillage.com and distributing it when making your sales approach. At our 2013 Sudan Shriners Club & Unit Leadership Seminar, we heard three Sudan Nobles volunteer their help and expertise. Nobles Johnny Albritton from Wilson County Shrine Club, Jimmy Edmundson from Wayne Shrine Club and the Sudan Plaque Chairman Allan Johnson will visit or assist your club/unit and help you get started. Someone out there in Sudanland needs to surpass both Wilson and Wayne Shrine Clubs in sales for 2013!!

Shriners Hospitals for Children Reaffirms Commitment to Burn Prevention through Annual Campaign

(Tampa, Fla) Feb 3-9, 2013 is Burn Awareness Week, and during this week Shriners Hospitals for Children will begin its annual burn prevention campaign. This year's focus is on teaching children to "Be Burn Aware" especially at home. The effort will include materials for children, as well as both general awareness and scald prevention information for parents and other concerned adults. Scald injuries are one of the most prevalent, and preventable, types of burn injuries occurring in the home. Information and materials pertaining to the effort can be found on the health care systems website dedicated to burn awareness and prevention. www.burnawareness.org Homes are the sites of thousands of burn injuries every year, including scalds and fire related injuries. Many of these incidents could have been easily prevented by following and implementing some basic safety tips.

The campaign again uses two popular and child-friendly characters to showcase and share our messages: Boots and Brewster – a caped, cuddly bear and googly-eyed teapot in the materials. In the materials, the pair leads children through the various rooms of a house,

pointing to dangers, and how to easily correct or avoid them.

"Shriners Hospitals for Children is committed to improving the lives of children", said Richard Kagan, MD., Chief of Staff, Shriners Hospitals for Children – Cincinnati and member of the physician executive team. "Many burn injuries that occur in the home are easily preventable; we hope that our ongoing awareness and prevention campaign will reduce the incidence of these injuries." Previous years efforts have emphasized prevention of gasoline and gasoline burn and scald injuries.

Retreat Transforms Lives

"I always thought that I was the only one with burn scars. I never saw anyone else like me in my school or anywhere I went," laments a young teenaged girl who is a patient at Shriners Hospitals for Children® – Cincinnati. "I felt alone and insecure. Since everyone told me I was ugly, I believed that it was true." That was before she attended the **Angel Faces Retreat** last summer in California. "From then on (after Angel Faces) I felt more confident about how I looked. The change was huge... I started seeing myself as a beautiful young lady instead of that ugly little child."

Angel Faces Retreat was founded by Lesia Cartelli in 2003 to transform the lives of adolescent girls with severe, permanent facial burns and disfigurements. Lesia herself was burned over more than 50% of her body in a natural gas explosion when she was nine. She knew what it was like to grow up with burns on her face and decided to create a retreat for other young girls with facial burns and teach them the tools that it took her 20 years to discover. The annual retreat is located in Cordova, California, about two and one-half hours north of San Diego. Over the course of the week, the girls attend sessions to learn about positive methods to respond to stares, teasing, bullying, unwanted questions and coping with uncomfortable situations. Therapeutic touch using facials, massage, hair and makeup lessons are also some of the activities the girls participate in, along with daily journaling and exercise. The attendees work in group settings to tell their stories, role play, and work together to learn how to answer and react to the uncomfortable stares and questions.

Adriana Ramirez is another Cincinnati patient who benefitted from attending an Angel Faces Retreat. She was burned in a hot oil fryer accident when she was 16 months old and was severely burned on her face, scalp, neck, chest and back. She learned about the retreat from Cincinnati employee Tracy Gaboury OTR/L, a licensed occupational therapist at the hospital. "Before I arrived at the retreat, I was very nervous. After I arrived, all that changed. I felt a sense of belonging as I walked through those doors. By the end of the first three hours, the whole group had bonded and become very close," Adriana said.

Adriana Ramirez

"This is a retreat, not a camp. This retreat focuses on situations what we girls face every day: Stares, teasing and questions. The girls focus on helping each other through the pain. We find our way how to answer questions and respond," she said. Before she went to the retreat, Adriana said that she really didn't like herself and avoided looking at herself. Adriana's parents also noticed a big change when she returned from the retreat. "Oh she was so interested in makeup and hair all the time," said her mother. "She had so much more confidence and smiled all of the time." "When I came back, everything was just different. Everything happens for a reason. Before, I never looked into the mirror, and now when I look in a mirror, I see the beauty that is there." Ongoing contact with the people from Angel Faces Retreat remains long after the girls return home. The girls and counselors use Skype once a month to continue learning and bonding. "When I need an energy boost or need help, I can call or text Lesia and she's there."

To learn more about how to support a Shriners patient desiring to attend Angel Faces Retreat, call Tracy Gaboury at Shriners Hospitals for Children – Cincinnati at 513-872-6522.

News from Cincinnati

Shriners are now more important than ever!

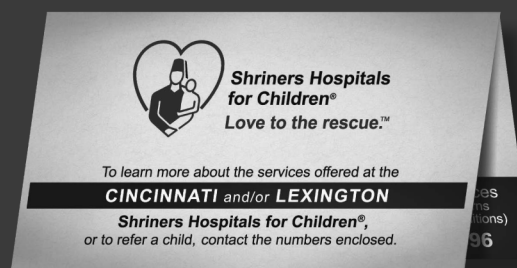

When it comes to finding medical help for children, Shriners are now more important than ever. Members of the fraternity have always played a critical role in helping families in their communities get connected with Shriners Hospitals for Children, and now, it has become even easier. Gone are the days when patients had to complete a complicated two-page application form in order to be considered for treatment at Shriners Hospitals.

It's easy for families to refer a child to Shriners Hospitals for Children

A new referral card has been developed and is a great resource that Nobles can provide families, allowing them easy access to hospital information and services. These new cards provide hospital contact information to assist families in scheduling an appointment. On the back of each card there is space for the Shriners' name and Temple. The referral cards also have the following website where patients and families can locate the phone number for a Shriners Hospital in their area:
<http://www.shrinershospitalsforchildren.org>.

We need your participation now.

This is the quickest and most convenient way for patients to get the care they need.

With the valuable work of our Shriners and the distribution of our new referral cards, we will now be able to reach even more patients and families who are searching for specialty care.

Sudan Shriners of New Bern, NC
Website: www.sudanshriners.com

THE "RED FEZ" MAGAZINE

The Sudan Shriners "Red Fez" magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at www.sudanshriners.com in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the "Red Fez". Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!
