Potentate's Message

Greetings Noble and Ladies:

I hope you are doing well as our fall season is fast approaching. This year started out a bit slow but is now on the move, we have a lot of work, fish fry's, parades and Fun and Fellowship to be completed during our "7th Inning Stretch".

Sudan's "One Day Ceremony" at South

Brunswick Islands Shrine Club was a huge success this year. We were treated to great fellowship and food on Friday night and blessed to have 16 new Nobles on Saturday morning. The Ritualistic Cast looked sharper than ever and debuted their new costumes, great job! We were honored to have the Most Worshipful Grand Master David Wicker and Imperial Sir Kenny Craven, Imperial Chief Rabban address us during our morning business meeting. The day was topped off with a delicious seafood buffet catered by Jerome Walker. Thanks to Jerome's Seafood and his staff.

Sudan's parade units really Shined at SASA in Myrtle Beach this year, we won 20 awards and swept 3 categories all in Sudan Style. Lady Sheryl and I would like to say a special thanks to the Nobles and Ladies from Robeson County, Sudan Pirates and Sudan Desert Rats for a great job on hospitality all weekend! "A good time was had by All". I know the parade was shortened and changed a few times this year but I wanted to let everyone know I had several compliments from other temples about our units after the parade Saturday. Thank you "Sudan Rocked SASA"!

As we enter into the 4th quarter of this year, I still challenge you to stay active in your Blue Lodge, they are our Family. Share our story of fun and fellowship all the while making a difference in a Kid's life. Membership has been and still is a major goal that we must all work towards. Whether it be creating a new Shriner, restoring Shriners, helping with our NPD list or just sharing our story and introducing them to Masonry, every Noble is on our Membership Team and can make a difference. Together we can make a difference.

The Temple Building Committee has received the report back from the engineering firm with the assessment of our building and they are preparing their

presentations for our upcoming town hall meetings. The Divan apologizes for the delay but like a lot of situations today due to Covid the final report was delayed about 30 days. The schedule for these meetings will be posted on our website and emailed to all the nobility shortly. They are planning on at least 3 central locations through Sudan Land, in hopes that you will plan on attending. They have worked very hard on this presentation and hope to share all of the facts, figures, along with some hopes and dreams of our future. Please keep a check for the schedule soon and plan on attending.

As our fall season for Parades is upon us, I regret to inform you that due to Covid and our current situation today, Oxford Homecoming Celebration and The Shrine Bowl of the Carolinas has been cancelled this year. On a brighter note, plans for the Fall Ceremonial in Lumberton are still in full force for November 19th and 20th in conjunction with our Christmas parade, please mark your calendar. We are planning on our casual Friday Night, huge parade Saturday morning and our dance Saturday night. I'm sure everyone knows a Mason that would be a great Shriner, reach out to them and let's have a big class of Nobles in November.

In closing, I would like to encourage you to share your story of Fun, Fellowship and Family every where you go and during everything you do. You are Sudan Shriners' and the best resource in procuring a new Shrine Mason. Lady Sheryl and I would like to say Thank you for all you do for Sudan and Shriners Hospitals for Children. God Bless you all.

Read Our Sudan Resolution on
Pages 6 & 7.

Our Divan Building Committee has developed a Power Point Presentation on the building for "Town Hall Meetings" in Sudan. The presentation has been designed to inform nobles in Sudan of what is realistically available for our future home in New Bern. Those dates and locations will be released in the very near future.

SUDAN RED FEZ SEZ!

Ladies & Nobles,

Best wishes to all! Sudan Shriners has flourished and shined for the past three months! Without a doubt we have been blessed by the Great Architect of the Universe! We have accomplished a great feat getting our units, clubs and membership as a whole back on the right track with meetings

resuming and fundraising activities to help with our vital financial needs and fulfilling our obligation to the Shriners Hospitals for Children. Our One Day Ceremonial in Brunswick County proved to be outstanding, doubling our new candidate count for the year. Restorations are up! Our membership chairman has provided us a great article and thoughts on how we can get better! Sudan definitely showed the South Atlantic Shrine Association that we were most deserving as the "1st Place Divan". A congratulations to all units that participated in the parade. Our Sudan Clowns brought home to Sudan the "Traveling SASA Clown Trophy" for the 15th time.

In July, our Sudan Representatives attended the 147th Shriners Imperial Session and had a big time. The Potentate and Jace competed in the Shriners International Cornhole Tournament and went five rounds before elimination. One of the most significant items on the business agenda was a submission to increase the percapita tax per member from \$30.00 to \$50.00. That item was narrowly defeated and without a doubt will re-appear next year. The percapita tax has not increased at Shriners International since 2015 and took effect in 2016. Membership losses have been horrendous during this same period and the costs of operations has also increased dramatically. Attendance at this annual event was lower than usual with our Canadian neighbors and other International Temples unable to attend due to Covid 19.

I echo the words of our Potentate concerning our Building Committee and Divan working on our building issue. At our Board of Directors meeting at the One Day Ceremonial, a major decision was made by your Divan in our 3-year effort to move forward. Please

review the Resolution contained in this edition on pages 6 & 7. The Divan reviewed at great length a report submitted by an engineering firm. A vote was taken of all 13 members of the Divan (Elected and Appointed) with a unanimous decision by a show of hands to have it demolished.

TOWN HALL MEETINGS: Based on the recommendations of the Divan and a Power Point Presentation prepared by our Divan Building Committee we will be conducting Town Hall Meetings in the near future at various locations throughout Sudan to provide our entire membership with the facts and findings concerning our facility and the home of Sudan Shriners for the future. When determined, the locations and dates will be posted on our Website, Facebook, with other notifications made to club and unit heads and secretaries.

Our 2021 Fall Ceremonial in Lumberton is going to be another great three days feat for Sudan. The parade will be awesome as we are added to their Christmas parade!

Every one of us started at a Blue Lodge and our involvement with our Blue Lodges will fortify our future.

Be safe and thank everyone for your hard work and dedication. Keep our sick, shut-ins and distressed in your prayers.

Yours in the Faith,

George L. Raecher

RESOLUTION
TO DEMOLISH BUILDING
September 10, 2021**

WHEREAS, On September 14, 2018, Hurricane Florence ravaged and destroyed by flooding, wind and torrential downpour Sudan Shriners temple, a three-story building located at 403 E Front Street, New Bern, NC

WHEREAS, after diligent attempts with recovery efforts by a major professional disaster recovery team it was determined that the building was not safe to inhabit and was placed off limits by the Sudan Divan, Board of Directors.

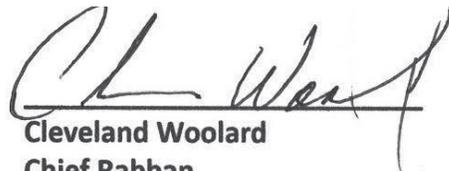

WHEREAS, On February 17, 2021, Sudan Shriners employed a certified engineering firm, Smith Engineering and Design, P.A. of Goldsboro to inspect, evaluate and prepare a report on their findings on the suitability for use of, restoration, compliance with all building codes and ADA's (American Disabilities Act) with this structure which was initially constructed in the 1951–1956-time frame.

NOW, THEREFORE, let it be resolved that on September 1, 2021 a written summary report was received from Smith Engineering and Design, P.A. and distributed to the Board of Directors. It has been thoroughly reviewed by the Sudan Shriners Divan, (Board of Directors). Their findings resulted in a unanimous vote that the building should be demolished and the property cleared.

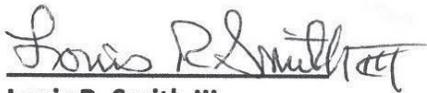

Additionally, the board recommends a phased plan for a new facility which could include (1) establishing a rental agreement for a parking lot, (2) rebuilding on the same property, waterfront lot or build at another location, (3) determine the size of a new facility needed, based on current and future membership needs, (4) and determine funds needed and how to raise those funds.

A Glimpse into The Future

Nobles, we just concluded a successful “Cold Sands Ceremonial” at South Brunswick Islands Shrine Club on September 11th. We created sixteen new Sudan Shriners. That doubled our 2021 creations from a total of sixteen prior to our “Cold Sands” to 32 Sudan Shriners year to date. We remain far below our pre-covid creations where we averaged between 75 to 100 new Nobles per year. Currently we have 3547 Sudan Shriners. We have created thirty-two, affiliated four, restored forty-two, with two associations, six demits, three suspensions. The Black Camel has taken ninety-eight of our Nobles, with two associate drops, for a net loss of twenty-nine Nobles for 2021. We still have 175 Nobles remaining on our NPD list. This is our albatross, and the primary reason for our declining membership. We are decreasing membership by around 175 Nobles per year. We must address this re-occurring issue and reverse this downward trend. We will be sending the NPD list to all of Sudan in case there is someone on the list that has not received a contact from the club. When you receive the list, please contact those on the list that you know and urge them to become current.

Using South Brunswick Islands Shrine Club as an example, I have had conversations with those who feel our “Cold Sands” could be a membership opportunity for the future of Sudan. Half of our new Nobles from our “Cold Sands” were from the Southeastern part of Sudan Land. Incorporating more “Cold Sands” throughout Sudan annually could capitalize on those local Master Masons who would rather not endure a traditional Ceremonial weekend. These “Cold Sands” would be chosen within Sudan locations that are remote to the locations where Ceremonials are normally held.

Another idea is if a Shrine Club has several Master Masons that would like to become a Shriner, the club could let it be known and a spontaneous “Cold Sands” could be arranged with the premise those Nobles would participate in the next Ceremonial so they would understand the history and logic of our Sudan Shrine.

Our next opportunity to create new Nobles will be our Fall Ceremonial, November 19th and 20th in Lumberton. Robeson County Shrine Club has been working feverishly preparing for this Ceremonial. Based on the number of Master Masons being raised, we are anticipating a large class of candidates. Please, when you have a Master Mason raised in your Lodge, please solicit him to join the Shrine. We would love to see them become a Sudan Shriner in Lumberton.

Once again, please remind those who are former members who have drifted away from the Shrine for over two years and in good standing they can re-instate their membership for only \$110 and become current and enjoy the benefits of being a Sudan Shriner.

I look forward to seeing in Lumberton. The future of Sudan depends on every one of us.

Fraternally,
Boyce Lennon

Noble Tony Brown was presented his 25th service award on Father's Day weekend at an outside venue hosted by several members of the Harnett County Shrine Club. Noble Brown has been battling cancer for some time and was not available for a formal presentation at our shrine club, so we decided on another way to recognize him. To honor him, we also put his name on a local winning race car with the hopes of Tony winning his battle with cancer. Thank you Tony for your service to Sudan Shriners and the Harnett County Shrine Club.

TEMPORARY WARD FOR BOYS

BUFORD, FIRST CASE

TEMPORARY WARD FOR GIRLS

"THANK YOU, SHRINERS"

DOROTHEY

BLANCHE, AGE 13

DR. GUY A. CALDWELL

HERE is the evidence that the Shriners' Hospitals for Crippled Children are actually at work—mending twisted limbs and straightening crooked bodies of little, helpless children.

It is the answer to the question: "What is being done with my money?"

The pictures show the temporary quarters in use at the Shreveport, La., Hospital and some of the patients who have been admitted.

Buford, the lad on the left of the picture is the "tobacco-chewing" boy, who was first operated on by Dr. Guy A. Caldwell; maybe Buford does not "chew," but he is the youngster who wished he "had a chew" when the little chap up in the right hand corner of the page was bemoaning the fact he was not allowed to smoke a cigarette.

Because Buford was the first child to receive the magic touch of orthopaedic surgery as a result of the benevolence the Order is sponsoring, there is little doubt that the boy will always be of interest to Shriners, especially in the South.

FIRST pictures ever printed of children who are receiving aid in wonderful benevolence founded by Shriners.

The 147th Imperial Session of Shriners International The Fraternity's Largest and Most Important Event of the Year

The highly-anticipated 2021 Imperial Session took place in Houston, Texas, Sunday, July 4, through Thursday, July 8. Thousands of nobles, ladies and family members from all of the world joined Imperial Sir Jim Smith and Lady Alice in Houston for the five-day event, celebrating the fun, fellowship and philanthropy that connects us all.

This was the first "in-person" Session since 2019, and our entire Shriners family was so glad to finally be able to be together in person again after a very tough couple of years apart. The whole event was a great success, and we are already looking forward to next year's Imperial Session, which will take place July 3-7, 2022, in Minneapolis, Minnesota.

Imperial Session is a very special time for Shriners. In addition to all the important business meetings you expect, the five-day convention also provides a chance for Shriners and their families from all over the world to gather, share their stories and showcase their pride in our two great organizations. Guests of the annual event have the opportunity to attend a variety of social events, friendly unit competitions and performances, and of course, the biggest Shriners parade of the year.

To enjoy some highlights from the 2021 Imperial Session, go to www.shrinersvillage.com and click on this event and review the audio reviews of the 147th Imperial Session.
