## Potentate's Message

Nobles and Ladies,

I hope this message finds you doing well. As I break out my computer to start putting together my thoughts for this article, I find myself on a slippery hill with little traction to climb. I should be marveling you all with all the wonderful visits and activities that Tina and I have been able to attend and share with the nobility.

We all should be catching our breaths after just attending one of the best Spring Ceremonials that has ever been put on by some of the best Nobles and Ladies at the Johnston County Shrine Club. Our units would have been in full force entertaining all in attendance at the best parade around. The smell of the fried chicken and the twinge of salt on those delicious French fries would still be making its presence known to us all. Our membership would have jumped as we welcomed the newest Sudan Nobles and their Ladies, and some of us would still be a little sore and throats hoarse from the dancing and frivolity of the Saturday night dance with the band "Too Much Sylvia". All that I have mentioned is just my imagination since due to the COVID-19 Pandemic, all Masonic and Shrine activities including the Spring Ceremonial were cancelled or postponed. It is sometimes said in a football game when things are so bad that the game is already lost in the first half, but more times than not games are won in the second half. The second half of 2020 is yet to come, and I have all the confidence in the world that we still have time for "Having Fun-Helping Many in 2020", we're not done yet.

While writing this article I am at home recovering from a heart bypass surgery. This is just another little setback as I am doing well and eager to get back out there and get to work as your Potentate. I sincerely appreciate all the prayers, calls and texts from everyone. I am truly a lucky man to experience the love and friendship you all have shown me. I really wish everyone in the world could experience what we have in this great fraternity of ours, if they could I do not think we would have a membership problem.

Speaking of membership, I would like to commend our Membership Director, Noble Boyce Lennon who has done a great job pulling the team together with good communication and information to get us rolling. As with everything else, it is hard to accomplish a lot with member-

ship during a shutdown. What we can do is reach out to our nobles and make sure all is good and see if they need any assistance.

I do not have to tell you with the shut down our fundraisers are off to a slow start. The candy was distributed prior to the Coronavirus crisis, so a lot of it was already out in the clubs. We still have a few boxes left, but I am confident they will move, and all will be sold. We will need to really push the golf cart tickets in the second half of the year and make sure we get it out to as many festivals as possible. Please support these as well as the cash giveaway and the gun raffle the Sudan Scimitars will be having in November.

The 2020 Imperial Session in Kansas City scheduled for July 3 - 10th has been cancelled. The next big events that we can look forward to are the One-Day Ceremonial on September 12, hosted by the New Bern Shrine Club, and SASA in Myrtle Beach September 17- 20th. The SASA Officers held a Facebook Live drawing for the parade line up and Sudan was drawn out for the 18th starting position. Sudan's Headquarters will be at the Doubletree as in previous years. We look forward to seeing a large crowd representing Sudan.

Due to the COVID-19 Virus our "Smoking Hot Great Time" Cruise dates have been changed to October 12 - 16th. We still have some available spots, so I hope you will join us. This cruise will coincide with Omar and Jamil Shriners. As of this writing there are over 125 cabins with Shriners, so it promises to be a Large time.

When we were planning this year there were some things that were on the top of our list. The main thing is our homeless situation. We had some wind in our sails and some progress was being made. The hope was to have some direction to present to the nobility at the May Ceremony. Our progress on this has been stymied like everything else because of COVID-19, but I assure you that the building is thought of every day and your Divan will be working on this situation as soon as possible.

In closing, when all this COVID-19 crisis is behind us I know that we will all be stronger in the mission of Sudan Shriners and Shriners Hospitals for Children. Continue to support our Blue Lodges and each other. If I can be of service to you, please do not hesitate to contact me. We look forward to seeing you soon.

Yours in the Faith,

Allen "Buddy" Brown

Nobles & Ladies,

First things first! Keep those prayers flowing for our Potentate's recovery from his heart bypass surgery. The Supreme Architect of the Universe had a big role in this healing and recovery! Illustrious Sir is doing well and is truly ready to get back in the swing of things.

Sudan Shriners are going to follow suit with all other Masonic Fraternities in this world and survive this horrible pandemic situation. Please be safe and take those extra precautions. Unless we have not been informed our masonic families have survived this COVID-19.

Special thanks and blessings to our noble's in those units who have dedicated their time and extra efforts visiting those at the numerous rest homes and assisted living facilities.

We are already into the second half of the year and we are going to be strong willed and are determined to reach our original goals for this year that was planned in January 2020!

We have made some changes in this publication. Included on a regular basis in the future will be a message from our Sudan Membership Director, Noble Boyce Lennon. We have added the listing of the Sudan Area Governors along with the Area Membership Team Members which can be found on page 22. Please reach out and help with our membership efforts. Club and unit heads, and secretaries have been furnished lists of NPDs on a regular basis. Please help our membership team in contacting those nobles identified and offer your personal concern for them to remain a member.

I am working on a format which we can use to announce individual unit membership needs! Please let me know if your unit fits into this category. By the way, the Sudan Thunderbolts have reformed and are getting their vehicles ready for the Fall Ceremonial in Dunn!

We have an article announcing the development of the Podcast that has been produced and released on a regular basis. Three broadcasts have been released and I personally believe it is going to be a huge positive step in communicating with our membership. I think it would be very appropriate for clubs and units to share these

Podcast productions at the appropriate Board of Director and General Membership meetings. This would keep those nobles, who may not have internet capabilities, informed as well.

Our One-Day Ceremonial is right around the corner. Right now, we have 4 petitions at the office. If we can work, amidst this virus situation, it would be nice to make this 2020 One-Day Ceremonial a record number for new noble's.

The South Atlantic Shrine Association annual event follows the following weekend in Myrtle Beach. On May 27<sup>th</sup>, the parade line-up sequence was drawn on Facebook and with Sudan being 18 out of the 20 temples attending, we should probably have a near 100 percent participation. Additionally, our Sudan families could watch all the parade and then attend the picnic. Good luck to the units in bringing home the parade trophies again.

In closing, I again plead with all to be cautious and careful. This Pandemic is very much real and not over yet! Although we are limited in our masonic activities and efforts, we can still communicate with each other. Pray for our Nation and those needing healing, our fire, police, first responders and health care workers! Thanks to all for what you do!

Yours in Faith

# Shrine Membership is Everyone's Business

First, I understand in the future editions of this Red Fez we will include an article on Membership. Thank you! Secondly, let me thank our Sudan Membership Team for the hard work demonstrated in the beginning of the year prior to the outbreak of this deadly virus. Our Divan and Illustrious Sir Buddy Brown are committed to increasing our membership but it is every one of us that have to take a big bite out of the apple and help this issue! We have listed our Sudan Membership Team on the same page as our Divan Governor's beneath the Area Governor's name and this can be found on page 22 of this issue. We would love to talk with membership and listen to your comments. If you would like to be part of our team, please contact our team members.

Sudan is the fifth largest Shrine temple in Shriners International with 3782 members. We have approximately 37,000 Master Masons in North Carolina which gives us the potential and an opportunity to increase the membership. Sudan, Amran, and Oasis Shriners collectively have 9400 of Masons who are Shriners. We are also being challenged by Imperial Potentate Jeffery Sowder to work his initiative "Just One". He is asking each Shriner to enlist "Just One" Shrine candidate. I am asking you to canvas your Lodges and Brothers to solicit candidates for Sudan! Although our Spring Ceremonial was cancelled, we still have our Cold Sands in September, and our Fall Ceremonial in November remaining in 2020.

Parallel with the "Just One" initiative, our Membership Team is focusing on four critical steps for a healthy Shrine organization: (1) Recruitment, (2) Retention, (3) Restoration and (4) Relationships. To fully explain and

expand on these topics, I will be sending a letter to each club president and unit head to share this with your membership.

When we find a Shriner on the NPD (Non-Payment of Dues) list, it is important that we attempt to restore the Noble as soon as possible. The list of NPDs for clubs and units needs immediate follow-up with verbal or personal contact with the Noble. Ask them why did he loose interest or did we as a group or individual do something to make them uncomfortable and not meet the expectations they had when joining. With an effort from all of us, we should be able to restore at a minimum half of 113 Nobles who were suspended at the end of 2019. That would account for an increase of 56 Nobles for our 2020 membership efforts.

We must eliminate the mentality of "we and they" and be open minded to the new members and potential leaders of this fraternity, who in turn will keep our commitment of caring for the children that need our help!

Hopefully, we are nearing the re-emergence of a normal lifestyle once again where we can fellowship with each other and work once more for our most precious resources, our children who are patients at our Shriners Hospitals for Children. Sudan will survive this pandemic and we will learn from this huge challenge and become smarter and stronger.

If you have any membership questions or concerns, please feel free to contact me at (910) 876-1182.

## Sudan Shriners Podcast

An idea came out of a recent meeting whereby we need to make attempts to keep our nobility better informed and updated on a regular basis of what is going on in Sudan. Our Chaplain, Most Worshipful Gene Cobb presented us with the idea of establishing a Podcast and we have made it happen. The photo above shows our Potentate with the Podcast Host, Noble Ronnie Blount taping a show.

“What is Podcast” may be a question asked as you read this article. A Podcast is simply a pre-recorded broadcast, like a radio talk show. We can pick and choose the topics we use to make our membership aware. A wide variety of subjects are available such as the status of upcoming events or changes with these events, fundraiser needs or a simple update such as the current COVID-19 as it affects our Masonic fraternities.

As of this writing, the Potentate has recorded three shows. He is going to attempt to make and release a new show every two weeks for the immediate future. When these recordings (Podcast’s) are completed, email notifications of the date for release through Facebook or the Podcast App “Spreaker” will be provided. You can access “Spreaker” on your computer or by adding the App on your Android or Apple device. Search for Sudan Shriners Podcast. You can also access the Podcast on our Sudan Shriners Website and simply click on the Podcast displayed.

The first three shows are already posted for your use on the Sudan Website and we hope you enjoy what has been done so far. We would encourage all clubs and units or any noble that would like to be featured on the show to contact our Potentate, Illustrious Sir “Buddy” Brown or Noble Ronnie Blount or you can email them at sudanshrinerspodcast@gmail.com.

## Racers Donate Candy to School’s Lunch Program

The Sudan Racers in Lillington recently made a huge contribution in two ways. The initial contribution was to our 2020 Sudan Candy Fundraiser when the Racers purchased fifteen boxes of the candy and then donated the candy to the Harnett County School system. The candy bars were distributed by way of the breakfast and lunch meal bags at the pick-up points at the various county schools during the pandemic. The photo above shows Noble Hyon Hwang, Captain of the Racers with Ms. Samantha McArthur, a school cafeteria manager for the Harnett County Schools. With 900 candy bars being distributed, no doubt this brought some big smiles to many children and a great contribution to the communities! Great job Racers!

## Hillbilly Reunion VIII

Hey yall! It ain't going to be long before it's time for the Hillbilly Reunion. It's hard to believe this will be our eight annual Hillbilly Reunion. But it shore nuff is. This year's reunion will take place on Saturday July 25. Yall knows the Reunion is always scheduled for the last Saturday in July. As in the past the Reunion will be held at 2012 Bella Coola Rd., Lake Waccamaw, NC. While we plan to start the initial Hillbilly Degree at 9:30 AM, we strongly suggest that you arrive earlier to sign in. After the Degree work is complete, we will have lunch. After lunch we plan to cruise around beautiful Lake Waccamaw.

Attendees will be asked to pay \$10.00 each. That will cover the cost for lunch and your beverages for the day. We do guarantee that you will not have this much fun anywhere else for \$10.00. Any profit from this event will be donated our Shriners Hospitals for Children. You know Hillbillies do love them kids.

We plan offer the following Degrees

Initial Hillbilly Degree	\$35.00
Master Hillbilly Degree	\$50.00
Hillbilly Gal Degree	\$25.00
Hillbilly Weddings	TBD
Turtle Degree	TBD

All Shrine Hillbilies and Hillbilly want-a-bes are invited. It is not our intent to pull any Shriner away from his Club. The Reunion does offer a great opportunity to have a good time. If you do not like to have fun and or good fellowship, this event is not for you.

We do not have any activities for children. Please no children.

For more information please call Bob Gunter 910-754-7388 or bobbyg730@hotmail.com.

- 2nd Place Auguste Justin "BonZo" Langdon
- 3rd Place Happy HoBo Chip "Cowboy" Hamilton
- 2nd Place Tie One Man Paradeability Chip "Cowboy" Hamilton & Justin "Bonzo" Langdon

I know there is a lot of personal hard work and time put into the competition like this. Sudan Nobles and Ladies are all proud of your accomplishments!

# Service Awards

## 2020 Shriners International 25 & 50 Year Service Awards

It has been a custom over the past several years to publish articles and photos of the Shriners International Annual Service Awards to those Nobles who have contributed 25 and 50 years of continued service to this fraternity and the Shriners Hospitals for Children. As with the COVID-19 interruptions his year, we are slightly behind the curve on that issue. Hopefully, when those conditions lesson, we as your Sudan Divan will be able to make those prestigious presentations at your clubs and units. Our backup plan at this point is to publish the Nobles name in the event we get interrupted again!

"Carnival Memories are the Best Souvenirs."

-Those Who Know

Wow!!!! With COVID-19, Buddy's unexpected by-pass surgery, and our granddaughter's surgery, I find myself with things on my mind that I never imagined, and looking at life in a perspective totally different than anticipated. However, the one thing that hasn't changed is my faith in God, my belief in Sudan's Potentate, and my belief in the Nobles & Ladies of Sudan Shriners!!!

For many reasons I hate that we had to cancel the May Ceremonial, but I'm certain it would've been a spectacular weekend hosted by the Johnston County Shriners & Shrinettes!! I can imagine that the Ladies breakfast would have been one for the history books and I know these Ladies had already invested much time in hopes of making that happen.

It's not the year that I think any of us expected, but I have confidence that the best is yet to come in this last half of 2020!!!! Going forward I feel like Buddy & I will be living out the lyrics from Smoky & the Bandits theme song:

"East bound and down, loaded up and truckin',  
We're gonna do what they say can't be done.

We've got a long way to go and a short time to get there.

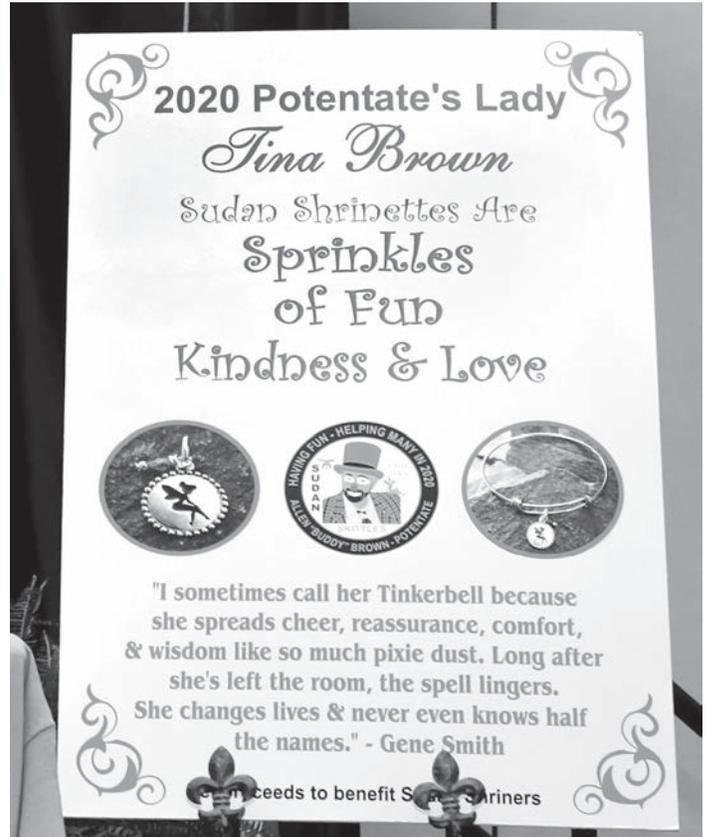

I'm (We're) east bound, just watch ol' "Bandit" run....."

(I bet it was hard to read that without singing it😊)

Thank you so much to all who have been working on getting individual, and club orders for the Building Fund T-shirts and we will soon be touching base to fill these orders. If you haven't already, but would like to place an order for the shirts or the First Ladies bracelet, please email me at tinapbrown63@yahoo.com. Net proceeds from both will go to Sudan's Building Fund.

Until we can be together again, keep on being Sprinkles of Fun, Kindness, & Love, and keep on Having Fun Helping Many in 2020!!!!

Sincerely,  
Tina Brown  
First Lady of Sudan Shriners 2020

### Lady Tina's Bracelet

Net proceeds from the Ladies bracelet & charm will also benefit the building fund. At this time, I have 4 charms, & 30 bracelets with charm included. The charm by itself is \$35, & the bracelet with charm is \$50. If you would like one, please let me know and I will make arrangements to get it to you. You can contact me at tinapbrown63@yahoo.com.

# Sudan Bringing Smiles to Many

Sudan Shriners like all North Carolina residents were placed in a “Hold Pattern” and faced many restrictions during our world battle with the COVID-19 virus. We adhered to the restrictions as defined by our Most Worshipful Grand Master and our Sudan Potentate. Social distancing, sanitary requirement with hand washing and face masks immediately became part of our day-to-day lives.

Two Dunn Clown’s, (Noble’s Brian “BOO” Honeycutt and Lee “Hol Lee Wood” Honeycutt) started brainstorming on how Shriner’s could give back to the community during this crisis with COVID-19. The idea was by visiting hospitals, assisted living facilities and nursing homes and visit people who literally were shut in from the public with no physical outside contact. Great job by these nobles. They explained the ideas to our Potentate, Illustrious Sir Allen “Buddy” Brown. Approval was given with the required safe distancing rules being enforced. Consequently, they found time to visit a widow of a Shriner; located a Sudan Shriner in a nursing home they didn’t know was there; met one family whose child is one of our patient’s and one family who has a child who is a former patient.

They went to work which was immediately picked up on by several other Sudan Units. The list below are the units who have participated in visiting facilities and creating smiles and happiness to hundreds. These people most likely will not forget these visits by our great nobility.

Please check Facebook pages for a better review of the joy, fun and smiles shared during these visits by the resident’s and our dedicated Noble’s!

(1) **Dunn Clowns:** Home of a Shriner’s widow at Spivey’s Corner; Nursing Homes in Lillington, Cary, four Nursing Homes in Knightdale, Red Springs, Smithfield, Lumberton, Fayetteville and Harnett Primary School Graduation.

(2) **Pirates:** Wesley Pines and Woodhaven Nursing Homes in Lumberton; Liberty Commons in Columbus County; Glen Flora Assisted Living and Lumberton Health & Rehab; Greenbrier Senior Living in Fairmont.

(3) **Colligan’s:** Brookstone Assisted Living in Pollocksville; River Trace Assisted Living in Washington

(4) **Mini Rigs:** Willow Creek Nursing Home and Brookdale Assisted Living in Goldsboro, NC

(5) **Desert Rats:** River Trace Assisted Living in Washington and Oak Haven Assisted Living in Greenville

This has brought some new light to our Shrinedom. Children are our business, but we have discovered so many things about how we as Shriner’s can affect the world around us and further present a positive image of this great fraternity to our communities! Thank you, nobles, for this commitment!

JOY

# Shriners Hospitals for Children Patients

The following were provided by parents/guardians concerning their child's care and medical treatment at Shriners Hospitals for Children.

## Brantlee

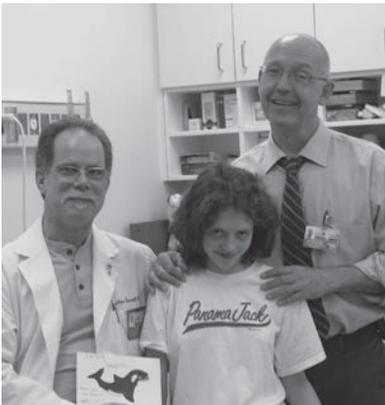

This beautiful baby boy was born October 6, 2017 under unkind conditions because his mother suffered a sudden cardiac arrest and was without oxygen for an unknown period of time. Brantlee was 35 weeks in gestation when his little body suffered the same conditions as his mother. She required CPR and defibrillation to resuscitate her. Brantlee was taken by c-section in hopes that

he and his mother would pull through and by the grace of God – they did make it but not unscathed. Brantlee and his mother both suffered anoxic brain injuries.

In the beginning, Brantlee had spontaneous breathing but it was unsure if he could breathe without oxygen support and c-pap therapy. He also had several episodes of SVT (irregular heart beat) and seizure activity. Brantlee was hospitalized for a month and on November 3, 2017 he was able to come home with medicine for his heart and seizures. Within a year he was able to come off of the medications and Brantlee continues to grow and learn.

He can walk, talk and do everything you want your baby to do but he has progressed at a slower pace. He is a patient at Shriners Hospitals for Children in Greenville, SC and proving to be such a tough little guy. He brings joy to everyone he encounters.

## Kelsey Tyndall

My name is Kelsey Tyndall and I've been a Shriner's kid since I was about two years-old and here's my story about the

Shriners. I have many memories about the Shriners between being in parades and of course, there were countless trips to the hospital. Most of my hospital trips began with a six-hour ride and we always left the day before the visit to the hospital. The Roadrunners never made the trip boring and one of my favorite things about the long ride was when the drivers stopped at the visitor center in South Carolina! In 2008 I had spinal surgery due to scoliosis and I have two Harrington rods, 24 screws and four hooks in my back. I'm now 27 years-old and have aged out of the Shriners Hospitals for Children Program. They have helped me so much and I wish there wasn't an age limit because they did so much for me.

I won a car at Charlotte Motor Speedway and got to meet David Ragan. I have also graduated with a certificate in Motorsport Management and now I am working on my Associates Degree. None of this would be possible if it wasn't for the Shriners Hospital for Children.

## Vondashia

We started going to Shriners Hospitals for Children in Greenville, South Carolina when Vondashia was about two or three-years old and she is fourteen now. When we arrived at the hospital, I could not believe how friendly and kind everyone was. It is the most impressive hospital I've ever seen and they treated us very good and especially Vondashia.

She was born with her right hand missing and she received her first prosthetic arm and hand at Shriners Hospital. Wherever we went, we rode with Sudan Roadrunners and the drivers were very nice. They made everyone feel good no matter who they were. I remember one time I was late arriving at my pickup point and I tried to tell them to leave us but they would not and stayed right there waiting. I will never forget that.

We have the most respect for Shriners Hospitals for Children, the doctors and the staff. I hope there will always be a **Shriners Hospital for Children** for people like us.

Tina, Vondashia's Grandma and Vondashia

## Trailer for Sale

The Havelock Shrine Club closed their doors in 2019 at which time the property turned over to Sudan Shriners included a 2010 Diamond Cargo, 20' x 8' enclosed utility trailer. The trailer is a dual axle, with a back drop door. The trailer was used for several years by Havelock Shriners as a "Homemade Cooking Trailer". It contains the following items: Portable Cooking Grill with two Propane Gas Bottles; 13,000 BTU Air Conditioning Unit on the roof; Small Water Heater; Wood Cupboards for storage; Portable Generator Hook-up capabilities; one Tailgating Tent; two small white plastic tables and a small refrigerator. The contents are estimated at approximately \$2,000. The contents and trailer have been appraised by three credible sources with a value estimated over \$5000.00. Per the Board of Director's we will not sell this trailer for less then \$5000.00.

The funds from this sale will be placed in the General Fund. This will remain open as in the initial notice for 30 days at which time we will publish this notice thru social media, etc. We carried this notice in our 2019 Red Fez Magazine and have only had three "interested" parties. We would like our nobility to have another chance at the purchase.

## Easter Basket Donations

On March 11, 2020, the New Bern Golden Age Club gathered at the West New Bern Recreation Center for their monthly meeting. They presented our Recorder George Raecher with eighteen (18) Easter baskets to be delivered and distributed to the patients at our Shriners Hospitals for Children - Greenville during the Easter season. This is the 10th year the group has furnished the baskets. A former Sudan Roadrunner, Noble Johnny Pugh and Lady Carol are members of this civic group and have in the past delivered the baskets. There were approximately 30 men and women present for the meeting. Coincidentally, during the question and answer part of the meeting, I believe Noble Johnny Pugh may have sold three of our 100th Anniversary Books to some ladies whose husbands were Shriners at one time! Great job by this group and a sincere heart of gold for the benefit of our patients!

# Sudan Cigar Social Group

Short Message from our Potentate: A few of us have been talking about starting a "Cigar Social Group". This is not a new idea as other temples have them and we think this will be a great addition for us. We are in the process of getting a phone App for Sudan as well as upgrading our Website. Be on the lookout for these in the future!

# Sudan T-Shirt Fundraiser

I would like to remind everyone of the loss of fundraisers this year. Nothing much has changed in that your Divan has still not been able to travel and promote any of the fundraisers. In May we sent out a reminder on the T-Shirt Fundraiser and with this email we saw some great interest. We advocated to club and unit heads to contact their membership in support of

the T-Shirt Fundraiser. We saw three clubs obtain orders for the t-shirts with one of the clubs obtaining an order of 28 shirts within a week.

The shirts are green and pink and are reasonably priced. Shirt sizes are (medium, large, X-large - \$20) and (2X Large - \$25). Payment for the shirts will not be required until you are provided with the shirt(s). If you want the photo sent with the email, Sharon sent it to all clubs and units on May 1. You could print the color attachments of the shirt (pink and green), which improve your sale opportunities. Again, please contact Lady Tina or Illustrious Sir with your order(s).

# DEMOLAY INTERNATIONAL

DeMolay International is proud to launch our largest community campaign ever, **Charity enShrined - A Centennial Courtyard**, commemorating 100 years of volunteerism for the betterment of youth.

This venture celebrates 100 years of DeMolay, and is embellished with symbols of DeMolay's commitment to the rich history and tradition of our Order: The Frank S. Land Memorial Fountain; a statue of Dad Land seated in his iconic embrace; a statue of Louis Lower, the first DeMolay; and the "Silent Messenger" statue, showing our special relationship with Shriners International. As you approach the courtyard, you will see the four historical emblems of DeMolay. Brightening the space are seven lights representing DeMolay's Seven Cardinal Virtues, and standing tall are three flag poles demonstrating the 7th Cardinal Virtue of our Order-Patriotism.

The Courtyard is enriched with red bricks throughout which can be customized in a multitude of ways. As you draw closer to the center of the Courtyard, large gray bricks can be customized for a Chapter, a Jurisdiction, a Lodge, a Shrine Center, a Scottish Rite Valley, and more.

Dear Friend:

“These are unprecedented times.” We have heard those words repeatedly. There are words that live in our minds and memories surrounding any event. Unprecedented, quarantined, shelter in place, contagious, these are the words that resonate in our hearts and minds today. The word **hope** resonates too. **HOPE** is such a strong word. It is a word we want you to remember. We want to share with you the hope that will remain when our lives are free of these uncertain times. Hope is contagious here at Shriners Hospital every day, even in the mists of a dramatic time in our world.

Catlynn (left) McKayla (right)

Our hope remains in the future and nothing exemplifies the future like these two cheerful, resilient and inspiring Shriners Kids. During their time at the Greenville Shriners Hospital, they have become the best of friends. They can be heard laughing while playing Bingo and Uno and seen smiling when their doctors tell them they have grown a few more inches as their spine has become straight.

You continue to inspire our caregivers and patients. During this trying time, please know we are thinking of you and your family and trust you are remaining well and safe.

**Hope** is a good thing, maybe the best of things, and no good thing ever goes away. We are also grateful for these two special girls and what they continue to show and teach us every day.

## Special Donation to Transportation Fund

On Monday, June 1st, at New Bern Shrine Club, Assistant Rabban Cleve Woolard and Willard Watson, Past President of New Bern Shine Club accepted a donation for our Sudan Transportation Fund. The donation was for \$2,000.00 and was from Willard's niece, Debbie Kirkwood from Eufaula, Alabama. She is very familiar with our Shriners Hospitals and all of the work that Sudan's Roadrunners do for our children.

## **THE “RED FEZ” MAGAZINE**

The Sudan Shriners “Red Fez” magazine is a quarterly publication intended to keep the Nobility, their families and interested friends informed of upcoming events, announcements, and news from Sudan Shriners, clubs, and units.

With a renewed commitment to keep all members informed, the Potentate, Sudan Divan, and Sudan office personnel strive to provide timely information distributed through Website updates at [www.sudanshriners.com](http://www.sudanshriners.com) in addition to this publication.

We welcome article and photo submissions from all Sudan members, clubs, and units with assurance that with space permitting and publishable photographs attached, you can expect to see your material published on either the Website or in the “Red Fez”. Submissions will be subject to rewrites or modification to insure journalistic accuracy, timeliness, and proper style.

With a rich rewarding history to relish and help compose, Sudan Shriners will continue to provide you, the individual member, club or unit, outlets to share with others, your experiences in your Shrine journey.

The results of your labors are evident in the number of children who have so much more than they might have had otherwise, through your support of the Shriners Hospitals for Children. Be proud that you wear the Red Fez of a Sudan Shriner!

Submit material for the “Red Fez” to Sudan Shriners, PO Box 12829, New Bern, NC 28561. Submit material for Sudan’s website to: [sevans@sudanshriners.com](mailto:sevans@sudanshriners.com). Office: 252-637-5197 Fax: 252-637-9935.
